Re: Utility Easement Abandonment

Dear Mr. Milledge,

This letter is in response to your request for the release of a recorded utility easement granted to the City of Delray Beach.

The City of Delray Beach Utilities Department does not currently have utility facilities in a segment of the easement area as described in Plat Book 99, Pages 197 through 201 and Plat Book 124, Pages 187 through 191 of the Public Records of Palm Beach County. Additionally, the City of Delray Beach Utilities Department does not currently have future plans to install or utilize the easement area.

Please contact us with any questions or for additional information.

Thank you,
