Good Afternoon Janice,

Great recommendation to improve our resolution text from year's past into something more clear. Most of the information in Boca's resolution was similar (or the same) to suit our needs and I have updated our resolution accordingly.

Can you please review and advise if I can proceed with adding this into Legistar for an agenda item?

Sincerely,

Cynthia Fuentes, P.E.

Cynthia: I'm looking at this resolution, and it is not clear to me what the purpose of the resolution is. I think it needs additional info. I looked for samples of similar resolutions online, and I'm attaching the one from Boca. It appears to be

a similar project. Perhaps you can take some relevant language from Boca's resolution to clarify the proposed resolution.

Thanks.

You don't need a legal review checklist for a resolution. However, this resolution refers to a interlocal agreement. Is the interlocal agreement going with this item? If so, please forward. If the item is just resolution, please send me the final version resolution (with number and no track changes) directly to me, and I will review for you.

Good Morning,

Attached please find a resolution that commits Delray Beach to the beach renourishment program and providing funding commitments as required by the local match required by the State for grant funding assistance.

Can you please review and provide a legal review checklist so that I can get this into Legistar and bring the item to commission?

Sincerely,
