Interest & Experiences

List any certifications or licenses which may further qualify you to serve on a board or committee.

See below current and former designations: EIT (Professional Engineer Prerequisite) Leadership in Energy & Environmental Design Accredited Professional - Building Design & Construction (Inactive) FINRA Series 63, 79 (Inactive)

Briefly describe why you wish to serve as a member of a board or committee and how your personal experience and background relate:

Hi Team - I have always had a strong interest in local government, urban planning, and infrastructure. This has influenced my career, which began in mechanical

engineering and energy consulting. I have since spent time in investment banking, private equity and infrastructure development. I have experience working with local governments and engineering consulting firms to bring infrastructure into existence. I would look forward to bringing that same experience and interest to my local community.

List any other community/civic involvement which you would like the Commission to consider:

When I lived in Pittsburgh, PA, I volunteered with the local Habitat for Humanity to perform energy modeling exercises to recommend energy upgrade initiatives that could lower monthly utility expenses for low-income community members. When I lived in New York City, I volunteered on the Catholic Charities Junior Board to give back to the community. As a resident of Delray Beach, I am passionate to give back to my community here as well.

Educational Background:

University attended:

University of Notre Dame

Degrees received:

BSc of Mechanical Engineering

Major area of study:

Mechanical Engineer, Economics
