I love Delray and have owned a home in Delray since 1983. I am very interested in participating in RAC as I care about the future development and direction of the City and I Know how impactful these decisions are to the well-being and growth of the community. I have been in commercial real estate development with big brands such as Starbucks, PF Changs, Dunkin Brands and a few others for the past 20 years and have a very good sense of brand relevance in communities and the development process overall. I recently developed two homes on my own at 333 & 337 S. Swinton Avenue and have an interest in how our community continues to develop in a positive way. Additionally, being a CPA, I'm very cognisant of budgeting, cost allocations and spending money in the right places.
