NOTE: Each Applicant is advised to attend at least one meeting prior to applying for appointment.

Board Member applications must be received no later than **ten (10) business days** prior to the first City Commission Meeting at which the Commissioner is eligible to nominate and appoint the prospective board member.

The [City Commission](#) appoints members of the boards and committees. All positions are voluntary and members are not compensated for their time. However, the individuals who serve on the boards and committees provide an invaluable service to the city. Their advice and expertise on a wide range of topics assist the City Commission in its decision-making process.

In general, individuals may serve on only one board or committee at a given time, with the exception of ad-hoc committees or task forces. Most advisory groups meet at least once a month, however, there are varying degrees of commitment, depending on the board. Membership requirements vary with each board and committee

I am currently retired but have over 35 years of experience in public sector planning, development, and affordable housing program administration. In the 1990's I worked for the Delray Beach Planning and Zoning Department including as Executive Director. From 2000 to 2015 I was the Executive Director of the City's Community Redevelopment Agency. Bio

Diane Colonna has more than thirty-five years of experience in public sector planning and redevelopment in the south Florida area. Early in her career she managed the City of Hollywood's Housing Rehabilitation Grant Program, and later became Zoning Supervisor for the City's Growth Management Department. She was employed as Assistant Director of Broward County's Housing Finance Authority, coordinating bond issues and grant programs to create affordable housing opportunities. Ms. Colonna worked with the City of Delray Beach for 23 years, as Planning Director and later as Executive Director of the CRA (Community Redevelopment Agency), and was a key player in the transformation of Delray's downtown from an economically distressed and blighted area to a thriving, popular urban center. She guided the redevelopment of the CRA's 2000-acre district, assembling property, negotiating development agreements, coordinating infrastructure projects, and implementing a variety of community-based initiatives. Under her supervision the CRA developed design guidelines for the central business district, established economic development incentives and arts-based initiatives, and created a nonprofit community land trust to provide permanently affordable housing.

As Senior Redevelopment Manager with Redevelopment Management Associates (RMA), Diane was assigned full time as Executive Director of the City of Margate's CRA. She and her team implemented grant programs, public infrastructure projects, business promotion activities and special events, and negotiated an agreement for the development of a 36-acre City Center at State Road 7 and Margate Blvd.
