This Comcast Enterprise Services Master Services Agreement ("Agreement" or "MSA") sets forth the terms and conditions under which Comcast Cable Communications Management, LLC and its operating affiliates ("Comcast") will provide communications and other services ("Services") to the above customer ("Customer") and is effective as of the date of Customer's signature below (the "Effective Date"). The Agreement consists of this Master Service Agreement Cover Page executed by Customer (this "Cover Page"), the Comcast Enterprise Services General Terms and Conditions ("General Terms and Conditions"), any written amendments to the Agreement executed by both parties ("Amendments"), each Product-Specific Attachment for the applicable Services ("PSA(s)") and each Sales Order accepted by Comcast hereunder ("Sales Orders"). In the event of any inconsistency among these documents, the order of precedence will be as follows: (1) Amendments (if any), (2) this Cover Page, (3) PSA(s), (4) General Terms and Conditions and (5) Sales Orders. This Agreement shall be legally binding when signed by Customer and shall continue in effect until the expiration date of any Service Term specified in a Sales Order referencing the Agreement, unless terminated earlier in accordance with the Agreement.

Customer may submit Sales Orders to Comcast during the term of this Agreement ("MSA Term"). After the expiration of the initial MSA Term, Comcast may continue to accept Sales Orders from Customer under the Agreement, or require the parties to execute a new MSA.

The Agreement shall terminate in accordance with the General Terms and Conditions. The General Terms and Conditions and PSAs are located at <https://business.comcast.com/terms-conditions-ent>. Use of the Services is also subject to the then-current Acceptable Use Policy for High-Speed Internet Services (the "AUP") located at <https://business.comcast.com/customer-notifications/acceptable-use-policy> (or any successor URL), and the then-current Privacy Statement (the "Privacy Policy") located at https://business.comcast.com/privacy-statement_new (or any successor URL). Comcast may update the General Terms and Conditions, PSAs, AUP and Privacy Policy from time to time upon posting to the Comcast website.

Services are only available to commercial customers in serviceable areas. Services may not be transferred without the prior written consent of Comcast as set forth in more details in the General Terms and Conditions. Minimum Service Terms are required for most Services and early termination fees may apply. Service Terms are identified in each Sales Orders, and early termination fees are identified in the applicable PSAs.

BY SIGNING BELOW, CUSTOMER AGREES TO THE TERMS AND CONDITIONS OF THIS AGREEMENT, INCLUDING THE ADDENDUM THERETO.

GENERAL COMMENTS

AGREEMENT

This Comcast Enterprise Services Sales Order Form ("Sales Order") shall be effective upon acceptance by Comcast. This Sales Order is made a part of the Comcast Enterprise Services Master Services Agreement, entered between Comcast and the undersigned and is subject to the Product Specific Attachment for the Service(s) ordered herein, located at <http://business.comcast.com/terms-conditions-ent>, (the "Agreement"). Unless otherwise indicated herein, capitalized words shall have the same meaning as in the Agreement.

By purchasing Comcast voice services, you are giving Comcast Business permission to request a copy of the Customer Service Record(s) from your existing carrier(s). Customer Service Records include the telephone numbers listed on the account(s) and may also include information related to services provided by such carrier(s).

COMPANY ACKNOWLEDGES RECEIPT AND UNDERSTANDING OF THIS 911 NOTICE:

The Comcast Voice Services may have the 911 limitations specified below:

- In order for 911 calls to be properly directed to emergency services using the Voice Services, Comcast must have the correct service address and, where applicable, location details ("Registered Service Location"). Registered Service Location may include, subject to any character limitations, location details such as a floor and/or office number, in addition to street address, for each telephone number and extension used by the Customer. If the Voice Services or any Voice Services device is moved to a different location without Customer providing updated Registered Service Location information, 911 calls may be directed to the wrong emergency authority, may transmit the wrong address, emergency responders may be unable to locate the emergency on the premises and/or the Voice Services (including 911) may fail altogether. Customer's use of a telephone number not associated with its geographic location, or a failure to allot sufficient time for a Registered Service Location change to be processed may also increase these risks.
- Customer is solely responsible for informing Comcast of initial Registered Service Locations for each telephone number and extension and of all changes to Registered Service Locations for the Voice Services, including subsequent moves, additions or deletions of stations. Customer is also responsible for programming its PBX system to reflect these Registered Service Locations. Customer will inform Comcast of changes to any Registered Service Location for each telephone number and extension by calling Comcast at 1-855-368-0600 or by opening a trouble ticket in the Comcast Care Center Portal. The contact number or method for making such updates are subject to change from time to time.
- The Voice Services use electrical power in the Customer's premises, as well as the Customer's underlying broadband service. If there is an electrical power outage or underlying broadband service outage, 911 calling may be interrupted. Similarly, calls using the Voice Services, including calls to 911, may not be completed if there is a problem with network facilities, including network congestion, network/equipment failure, or another technical problem.
- If the Registered Service Location provided in conjunction with the use of Comcast Equipment is deemed to be in an area that is not supported for 911 calls, Customer will not have direct access to either basic 911 or E911. In this case, Customer 911 calls will be sent to an emergency call center. A trained agent at the emergency call center will ask for the caller's name, telephone number and location, and then will contact the local emergency authority for that area in order to send help.

BY SIGNING BELOW, I ACKNOWLEDGE THAT I HAVE READ AND UNDERSTAND THE 911 LIMITATIONS OF THE VOICE SERVICES

By signing below, Customer acknowledges, agrees to and accepts the terms and conditions of this Sales Order.
