**2022
FUNDING
ASSISTANCE
PROGRAMS**

The Delray Beach CRA offers numerous funding assistance programs for the Delray Beach community and the goal for these many funding programs is to support redevelopment projects and improvements throughout the CRA District. The programs are put in place to encourage economic activity and growth of the existing businesses in the City, as well as bring new and thriving businesses to the Delray Beach community.

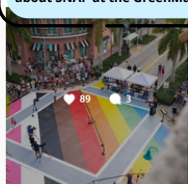

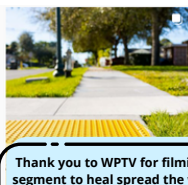

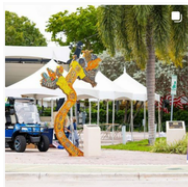

During this current fiscal year, 2021-2022, the CRA has allocated \$850,000 in economic development funding assistance for eligible businesses. Because the total amount of funding available can change from year to year, the CRA team highly encourages local business owners to take full advantage of these funding programs. [More](#)
