Good morning Rachelle. We have been going through some challenges in gathering the necessary documentation to fulfill the requirements of this program. Our beloved Pastor is still experiencing the effects of a personal tragedy and therefore has not been able to coordinate this process. He asked that I pass along this request to extend the deadline to 3/20/2022.

Respectfully,

Chris Harvey

Good afternoon, Chris,

Thank you for speaking to me today regarding the upcoming funding agreement termination date. You mentioned requesting an extension. Please reply with specifics of what the challenges are to close out this project by the January 20<sup>th</sup>, 2022, termination date. It would be great to have that before the end of the week for consideration of an extension.

I was able to reach Ms. Castello regarding the pending items to close out the agreement. She said she has a few items she will be scanning and have forwarded to me from you.

Reminder of the items needed to close out the agreement and process reimbursement.

1. Images of the finished work
2. Invoices for painting and signage services
3. W9 for any vendors submitted
4. Proof of payment which includes:
  - receipt if paid by card or
  - image of check used for payment/ bank statement showing check number

Feel free to contact me with any further questions.

Thank you,

Rachelle Eloizin
