Good Morning Richard,

This email is to inform you and the City of Delray Beach an explanation of the sequences and funding for the FM# 438394-1: Homewood Boulevard from Old Germantown Road to Lowson Boulevard.

FM# 438394-1-52-01: refers to the FDOT funded portion of the project and all costs associated with the originally programmed improvements

FM# 438394-1-52-02: refers to the city funded portion of the project and all costs associated per the signed local funding agreement.

To Further Clarify:

Total Project Cost: \$ 2,505,477.79

FDOT Portion: \$1,207,887.79

City of Delray Portion: \$1,297,590.00 (\$ 901,039.00 on deposit + \$330,349.00 additional requested)

Any costs referred to in the local funding agreement and any amendments thereafter refer solely to the city funded portion of the project and do not represent the FM# 438394-1-52-01: FDOT funded portion of the project.
