**Briefly describe why you wish to serve as a member of a board or committee and how your personal experience and background relate:**

I have been living sustainably for about 7 years now & it is my biggest passion. I absolutely love Delray Beach & want it to become the sustainable leader I know it has the potential to be. I started a business here in 2020 & have been growing it along with an eco-friendly community ever since! Although I have not been formally educated on these topics, I have done extensive research to further my passion & now my business. I pride myself on being a sustainable leader here in Delray.

**List any other community/civic involvement which you would like the Commission to consider:**

I have become familiar with many of the "big players" of the sustainability world within South Palm Beach County (Boca, Delray, Boynton specifically). Using my business, I educate the community on sustainability issues in this vicinity to get folks involved in making a change! I absolutely believe that with more education & accessibility, folks will WANT to do more to make not only our town, but our planet a better & cleaner place to live. I want to help make that happen because I know I can!
