Interest & Experiences

List any certifications or licenses which may further qualify you to serve on a board or committee.
I obtained my BA from Lynn University in Political Science and am now in the process of obtaining my MA in Political Science from Florida Atlantic University. I would qualify to fulfill the student body portion of the Police Advisory Board. I would be honored to contribute to the growth of my city.

Briefly describe why you wish to serve as a member of a board or committee and how your personal experience and background relate:
I have always dreamed of working in public service and being able to help my city thrive. Being a young graduate student, I am frequently surrounded by various groups and thoughts. After the unrest and increase support of Black Lives Matter, I think it is more important than ever to bridge the growing gap between law enforcement and the community. I believe I can offer a refreshing point of view and represent the voice of today's students.

List any other community/civic involvement which you would like the Commission to consider:
I had the privilege of Interning with Congresswomen Debbie Wasserman Schultz and Lois Frankel. While this is inherently a partisan position, my work was limited in scope to just community outreach and assisting the community liaison in succeeding in their work. It is the most rewarding experience of my life being able to help people get through the first few months of Covid and provide information for their constituents. I have also held numerous volunteer positions across the South FL area.
