Briefly describe why you wish to serve as a member of a board or committee and how your personal experience and background relate:

Having lived and worked in Delray for many years, I have seen many changes. I would like to continue to maintain our "Village by the Sea". Growth is inevitable but the direction it takes is crucial. I would also like to see the area west of Swinton to also grow without disturbing the residents and history. I would like to see Delray welcome newcomers but not without considering the current residents and the impact the growth will have on them.

List any other community/civic involvement which you would like the Commission to consider:

Delray Historical Society. Library member. BPOA.

Educational Background:

University attended:

Western Michigan, Wayne State University
