Interest & Experiences

List any certifications or licenses which may further qualify you to serve on a board or committee.

I am a professional civil engineer who specializes in land development projects of all industries.

Briefly describe why you wish to serve as a member of a board or committee and how your personal experience and background relate:

I think I would bring a technical expertise to the board I served on and I would like to be more involved with the City. I chose Delray Beach as the Florida HQ of Dynamic Engineering because I love the City and everything it represents. I have a passion about Delray Beach, preserving its character with intentional, inevitable development. My 10+ years of experience in land development and having processed hundreds of applications to various municipalities will be valuable to said board.

List any other community/civic involvement which you would like the Commission to consider:

I would prefer SPRAB as I think my expertise lends itself best to that capacity.

Educational Background:

University attended:

Florida State University

Degrees received:

Bachelor of Science

Major area of study:

Civil Engineering
