Item 8D. was moved up on the agenda.

D. Update And Discussion – NW 800 Block Redevelopment Project - Conceptual Design

Ivan Cabrera, Redevelopment Manager, presented updates on the NW 800 Block Development Project. He briefly reviewed the timeline of the project and noted they were looking for feedback from the Board on the recommended design. He stated the design now included the 805 West Atlantic Avenue parcel, the remediation site. He described the concept of the project as a popup market. Christine Tibbs, Assistant Director, further described the project and addressed the remediation site. She noted the final conceptual design, 3-D renderings, and cost analysis would be presented at a future Board meeting.

Deputy Vice Chair Casale said she liked the initial design.

Commissioner Frankel noted he liked the design and the color scheme.

Vice Chair Gray asked if the stage was covered. Ms. Tibbs responded that it could be.

Vice Chair Gray noted staff listened to the community but recommended looking at the playground area and consider thinking about that space differently. She asked about parking spaces. Ms. Tibbs said they would know more about the City's parking requirements once they move forward with the project.

Deputy Vice Chair Casale said the playground could be small individual features similar to Old School Square. She agreed the stage should be covered and suggested it could be a waterproof shade.

Commissioner Petrolia agreed a smaller playground would be fine but suggested a small splash pad. She said the location needs a draw, whether that be a dog park or another idea. She agreed the stage should be covered but expressed concern that covering the open-air market part could make it too dark. She also noted concerns about safety in areas with blocked visibility.

Commissioner Brooks expressed excitement about the project and supported the feedback provided by his colleagues.

Chair Johnson expressed concern about the buffer between the parcels. She asked for the next presentation to include acreage. She suggested the open-air market area could be a new home for the Green Market.

Commissioner Petrolia suggested the CRA work with the City to utilize budgeted resources for trees. Ms. Jadusingh noted she connected with the City about trees and CRA projects. A brief discussion ensued about City trees.

Ms. Jadusingh confirmed the continuation of the presentation on Item 9A.

Mr. Lopez continued with a summary review of the financial statements and the compliance reports. He referenced the Compliance Report and the one item that needed to be brought to the Board's attention. He noted the item with a significant deficiency was Other Post-Employment Benefits (OPEB) and the steps taken to ensure the CRA was in compliance moving forward.

Ms. Jadusingh and Mr. Lopez further explained OPEB. A discussion ensued about the topic and the interpretation of the Florida Statute.

A. Fiscal Year 2022-2023 Budget Preparation Update (See Powerpoint For Details)

Ms. Jadusingh displayed the overall needs within the Community Redevelopment Area. She summarized the following budgets for discussion:

- Clean & Safe - \$3,749,560
- City Contractual Services - \$701,048
- Maintenance and Beautification - \$400,000
- City Tennis Tournament - \$905,000
- CIP Projects - \$28,182,250

Henry Thompson, Clean & Safe Administrator, provided an overview of the Clean & Safe staffing and schedule. Sammie Walthour, Neighborhood & Community Services Director, provided further comment. A brief discussion ensued about Downtown cleaning and organizational responsibility.

A discussion ensued about beautification efforts of various areas throughout the City. Ms. Jadusingh discussed the Gateway. Missie Barletto spoke about the street sweeping of alleyways.

A brief discussion ensued about sponsorship of the Tennis Tournament.

Ms. Barletto provided further clarification of the additional \$100,000 funding for Catherine Strong Park. She also spoke on the public outreach meetings and feedback on traffic calming.

Ms. Jadusingh reviewed the CRA Managed Projects.

Deputy Vice Chair Casale asked for consensus to direct Ms. Jadusingh to reach out to Palm Beach County to make an offer to the School Board on the property in order to develop workforce housing. Consensus was reached.

Ms. Jadusingh continued by reviewing the Focus Areas for FY2022-2023 which include:

- Completing existing projects and continuing existing programs
- Affordable & Workforce Housing
- Infrastructure
- Assess Development Opportunities for W. Atlantic Avenue.

She highlighted the NW 600 Block, SW 600 Block, SW 700 Block, SW 800 Block, and SW 900 Block. Commissioner Petrolia recommended outreach to assess the feasibility of utilizing the SW 600 Block for a grocery store. A short discussion ensued about a grocery store.

B. Redevelopment On SW 5th Avenue - Resolution No. 2022-05 - Agreement For Purchase & Sale - 115 SW 5th Avenue - \$80,000 & Environmental Site Assessment - 105 SW 5th Avenue

Chair Johnson disclosed a conflict of interest (Form 8B, Memorandum of Voting Conflict Form is attached and incorporated) and passed the gavel to Vice Chair Gray.

Kim Phan, CRA Legal Advisor, presented the item. She reviewed the results of the environmental site assessment, which revealed contaminants. She noted the inspection period expired on June 10, 2022, per the purchase and sale agreement so the purchase and sale agreement was terminated. Since that time, she stated, the purchase price has been renegotiated and reduced to \$80,000 to which the sellers have agreed. She shared that one of the sellers has since passed away so the recommended Board action will be subject to probate proceedings and obtaining all required signatures. Staff recommends to the CRA Board the following:

- 1) Approve Resolution No. 2022-05;
- 2) Approve the Purchase and Sale Agreement with the purchase price of \$80,000, in substantially the attached form, and subject to the Sellers' execution of the Purchase and Sale Agreement;

- 3) Authorize Staff to proceed with the purchase of 115 SW 5th Avenue pursuant to the Purchase and Sale Agreement, subject to the Sellers' execution of the Purchase and Sale Agreement;
- 4) Authorize Staff to proceed with recommendations from Universal Engineering Sciences related to 115 SW 5th Avenue, subject to the Sellers' execution of the Purchase and Sale Agreement;
- 5) Also, given the proximity of the CRA Owned property at 105 SW 5th Avenue to the Subject Property, authorize Staff to retain Universal Engineering Sciences to perform an environmental site assessment of this property; and
- 6) Authorize the CRA's Chair, Executive Director and legal counsel to execute any and all related document.

Motion by Commissioner Frankel, seconded by Deputy Vice Chair Casale to discuss and approve staff recommendations. In a roll call vote, the **motion** passed (5-0). Chair Johnson abstained.

Commissioner Petrolia expressed concern about the cost incurred to date for testing and the unknown costs moving forward.

C. Update - CRA-Owned Properties Located at 182 & 186 NW 5th Avenue

Alexina Jeannite, Community Engagement Director, provided an update on the two properties. She noted both commercial lease agreements are approaching the end of a 10-month buildout period. When the build out period expires, the lease dictates they must pay the full monthly base rent amount. Staff recommendation regarding extension:

- Establish a 30-day deadline for when Permit Applications must be submitted to the City (30 days from July 18th is August 17, 2022)
- Follow-up at the September 1, 2022, CRA Board Meeting to discuss next steps

Ms. Jadusingh said the concern with the properties remaining vacant is the increase in trespassing and homelessness.

Motion by Commissioner Frankel, seconded by Commissioner Petrolia to discuss and approve staff recommendations. In a roll call vote, the **motion** passed (6-0).

E. Follow Up - Achieving Goals Using Impact Driven Evaluation Funding Agreement - Old School Square Center For The Arts, Inc.

Ms. Phan introduced Sanaz Alempour to present the item. Ms. Alempour reviewed the background and next steps. Staff recommends the following:

- Board direction on continuing to pursue recoupment of the Q1 Payment through legal action, which could entail costly litigation expenses in excess of Q1 Payment or reserve this option for a later time. (Statute of limitations expires on March 10, 2027.)

- Board direction on continuing to pursue its right to review and inspect OSSCA's records, including pursuant to Fla. Stat. 119.07(2)(a), to determine what records exist, and depending on the scope of the documentation production sought by the CRA, the CRA can make a determination after its inspection as to whether it wants to incur the cost and expense of proceeding with having OSSCA produce the responsive documents.
- Board direction on continuing to pursue FOIA request and obtaining other grant documents requested through public records requests.

Commissioner Petrolia supports the receipt of the requested documentation or to pursue the first option. Ms. Alempour confirmed option one remains available until the statute of limitation expires in five years.

Motion by Commissioner Frankel, seconded by Commissioner Petrolia to discuss.

A discussion ensued about Old School Square and the recommended options.

Deputy Vice Chair Casale asked counsel if a fourth option could be to report Old School Square to another governmental entity for investigation.

Motion by Deputy Vice Chair Casale, seconded by Commissioner Petrolia to direct staff to report Old School Square (OSS) to the federal government for PPP fraud, based on documentation provided by OSS and report issued from the internal auditor. In a roll call vote, the **motion** passed (6-0).

c. Comments by Commissioners

Deputy Vice Chair Casale thanked Ms. Jadusingh and staff and noted the terrific meeting.

Commissioner Frankel recently toured various construction projects and thanked the CRA staff.

Chair Johnson requested to add an item to the September meeting about cost-sharing for the Palm Beach League of Cities monthly membership meeting on September 28, 2022. She noted the requested contribution is approximately \$8,000. Ms. Jadusingh will follow up with additional information on the meeting and costs.
