

2022 Annual Report Green Implementation Advancement Board

YEAR IN REVIEW

PLASTICS

**GREEN
BUILDING
ORDINANCE**

TREES

**GREENHOUSE
GASES**

**SOLID WASTE
MANAGEMENT**

EDUCATION

PLASTICS

In Review

- Straw Ban - 2019
- Resolution No. 184-20 that encourages City Staff to negotiate “no polystyrene” clauses into City contracts

Ongoing and Future Initiatives

- Amend Ordinance 10-19
- Ban use of single use plastics and polystyrene on City properties
- Education and Outreach

GREEN BUILDING ORDINANCE

In Review

- Put forth a Green Building Ordinance that provoked conversations throughout the City

Ongoing and Future Initiatives

- Continue discussions with developers in the community to move forward
- Rework the Green Building Ordinance
- Increase the number of Green Buildings in the City
- Ensure new City projects meet or exceed requirements
- Education and Outreach

TREES

In Review

- Tree Inventory
- Tree Planting RFP for years 2-5
- Urban Forest Management Plan

Ongoing and Future Initiatives

- Explore ways to preserve and protect mature trees on both public and private land
- Explore strengthening the Tree Ordinance
- Tree Trust Fund
- Education and Outreach

GREENHOUSE GASES

In Review

- Complete Greenhouse Gas Inventory in 2018

Ongoing and Future Initiatives

- Initiate Greenhouse Gas Reduction Program focusing on transportation and buildings
- Green Building Ordinance
- Tree planting
- Education and Outreach

SOLID WASTE MANAGEMENT

In Review

- Analyzed current waste management agreements
- Waste Management discussions and contract negotiation

Ongoing and Future Initiatives

- Encourage DDA businesses to engage in recycling
- Collect data to be used to help promote recycling
- Education and Outreach

EDUCATION

In Review

- Climate and Art 2021
- Welcome to the City of Delray Beach packet
- Utility bill messages
- Social Media

Ongoing and Future Initiatives

- Recycling outreach
- Interdepartmental projects
- Continue working with the PIO to find the best ways to disseminate information

Thank You

Hal Stern, Chairperson of the
Green Implementation
Advancement Board
