Re: 354 SE 5<sup>th</sup> avenue, Waiver Request – Omit the 5' surround of the pool on three sides

To Whom It May Concern

This letter is a waiver request pursuant to Section 2.4.7(B)(5) and Section 4.4.13(C)(4)(h)(4)(c) of the Delray Beach Land Development Regulations ("LDRs"). In this situation the following would apply:

The proposed pools for each unit shall be surrounded on all sides by a 5-foot walkway per LDR section 4.4.13(C)(4)(h)(4)(c). The proposed second-floor terraces are considered rooftop terraces. **the 5' walkway around pool i believe is excessive and not a cool design. There would be nothing left of the pool if it had 5' surrounds. The images below are of townhome residential roof terrace pools that do not have surrounds. this is not a public pool. I believe the ordinance is applicable to large condo projects where residents share the pool**

**the west edge of pool, reads as an infinity edge. the pool is separated from the adjacent units by 42" walls. Image of our pool design below:**
