L1378BRT — Rendezvous 32 Gallon Recycler with Bold Recycler Top

32-gallon steel slat recycler with bold recycler top, plastic liner and rubber feet

Material

The 32-gallon recycler is 32.65" tall and is composed of 12-gauge slotted steel with a .75" gap vertical slotted pattern. The bold decal recycler top is made of 18-gauge spun steel with a 5.05" diameter center top opening and choice of "GLASS ONLY", "CANS ONLY", "PAPER ONLY", "PLASTIC ONLY" or "TRASH ONLY" decal with recycle logo or with no decal. Specify black or white lettering. Decals will be factory-applied and must be specified at the time of order. The top includes a 14" security strap and lifts off for easy trash removal.

The receptacle is designed to be portable for flexibility in placement or surface mounted using predrilled .38" diameter holes inside the base to prevent movement; optional corkscrew anchor also available. The rubber feet are adjustable to assist in leveling the receptacle. The reusable plastic liner is made of high-density polyethylene.

Finish

Steel slats are protected by the patented Fusion Advantage™ finish. The plastisol coating has an average thickness of .125" and is encapsulated with a richly tinted, high performance powder coating that won't rust, fade, peel, chip, crack, mold or mildew. The finish has been tested to the requirements of ASTM E1354 and determined to be in compliance with California Uniform Fire Code 1103.2.1.4.2.

Fade-resistant, powder coated steel top features a state-of-the-art primer proven to prevent rusting. Treated components exceed the industry standard by 34% in testing by independent sources.

Color

See website or sales representative for color choices.

Assembly

The receptacle ships fully assembled and ready for use. Using an optional corkscrew anchor may require some assembly.
