Ms. Anthea Gianniotis, Development Services Director, introduced consultant Lisa Nisenson, President from WGI. She provided a historical background since 2010, goals of the plan, main parking challenges, and key observations of existing conditions. She reviewed performance-based planning for managing multi-use infrastructure. She noted for parking, a common action metric is greater than 80-90% occupancy and discussed optimizing existing parking. Ms. Nisenson discussed the strategy of active management and summarized the study analysis, recommendations, implementation, and phasing. She further described the following study areas and approaches: Parking Management and Operations; On and Off-Street Parking; Employee Parking; Valet Operations; Mobility System; Mobility Infrastructure; Legibility, Signage, Wayfinding; Curbside Management and Loading; Connected Garages and By-Pass; and Technology. She finished by reviewing the critical path for the two phases.

Commissioner Boylston asked about e-permits for employees. Ms. Nisenson stated that will be added to the list.

Commissioner Johnson stated the challenge continues to be implementation.

Vice Mayor Frankel stated he would like to see the parking system simplified and also encouraged identification of City parking versus private parking lots.

Mayor Petrolia stated the City could address predatory parking lots. She agreed with Vice Mayor Frankel's comments about simplifying parking. She spoke about helping downtown businesses with free parking on Sundays or during low-traffic times. Mayor Petrolia recommended seeing a presentation to this depth at a workshop.

1st Public Budget Hearing / Regular Meeting at 4:00 PM

Public Comments:

No one came forth to speak. Mayor Petrolia closed public comments.

Deputy Vice Mayor Casale asked about the Compensation Rate Study and the Department Director requests.

Mr. Duane D'Andrea, Human Resources Director, confirmed that all requests are incorporated into the budget.

Deputy Vice Mayor Casale spoke on the challenges of salary compression. Commissioner Boylston stated he does not agree with the salary compression analysis. Mr. D'Andrea elaborated on the study.

A discussion ensued about compression and the compensation study.

Mr. Moore recommended adoption of Resolution 137-22.

Commissioner Boylston asked about the American Rescue Plan Act (ARPA) funds and stated he does not believe they should be used to balance the budget. He stated they should be used to build resiliency and be transformational.

Mr. Dunkley noted they City will be utilizing \$3,369,740 in ARPA funds for the FY2022-223 budget. Commissioner Boylston asked if the City still plans to build Reserve Funds to 27 percent. Mr. Moore replied yes. Commissioner Boylston noted he would not support the budget based on these two items.

Mr. Moore recommended a two-year classification and compensation review.

Commissioner Johnson inquired about large increases in certain departments. Mr. Dunkley stated he could review line-item specifics with the individual Commissioners offline.

Commissioner Johnson also expressed concern about the percentage of the Reserve Funds. Mr. Dunkley provided additional information from the Government Finance Officers Association (GFOA) and Reserve Funds calculations.

City Clerk, Katerri Johnson, swore in all those who wished to give testimony on Item 7.A. Resolution No. 120-22. Mayor Petrolia asked if there were any Ex-Parte Communications for Resolution No. 120-22 by the City Commission.

The following was disclosed:

Vice Mayor Frankel – spoke with the applicant’s attorney

Deputy Vice Mayor Casale – none

Commissioner Johnson – spoke with the applicants

Commissioner Boylston – spoke with the applicants’ attorney and with the applicants months ago

Mayor Petrolia – emails on the City server

Ms. Anthea Gianniotis, Development Services Director, read File No. 2022-155 into the record.

Ms. Caroline Perino, applicant’s Attorney, introduced herself, her colleague, and the property owner, Sam Caliendo. She disclosed Mr. Caliendo is on the Palm Beach County Zoning Commission.

Ms. Perino reviewed the adjacent uses map, zoning map, request, street views, site plan, floor plan, elevations, and background on the applicant. She displayed the applicant’s responses to the conditional use criteria. She noted staff recognized the parking rate for pet services is excessive when applied to daytime boarding and believes a much lower rate has been determined to be sufficient at other similar facilities within the City. She reviewed the reduced parking study.

Ms. Gianniotis reviewed the location, zoning, land use, current use, conditional use request, floor plan, and parking requirement. She confirmed that since the adoption of Ordinance No. 17-21, a lower parking rate has been determined to be sufficient at other daytime/overnight boarding facilities. She stated the analysis provided meets the professional standards for a parking reduction. Ms. Gianniotis reviewed the required findings and stated the Planning and Zoning Board recommended approval 6-0 on August 15, 2022.

Public Comments:

Alice Finch, Delray Beach, spoke about security of animals and fencing.

Mayor Petrolia closed public comments.

Mr. Keith Tomey, Fire Chief, and Ms. Missie Barletto, Public Works Director, noted they would be presenting together.

1st Public Budget Hearing / Regular Meeting at 4:00 PM

Ms. Barletto introduced the framework for the Master Plan. Chief Tomey reviewed the traditional design background of the fire stations and current station information. Ms. Barletto and Chief Tomey continued by summarizing the overview. Ms. Barletto reviewed Fire Station 112 and Ocean Rescue, including individual station issues. Chief Tomey summarized the recommendation to create a Fire Station 112 and Ocean Rescue HQ Combination Station. Ms. Barletto continued by reviewing Fire Station 111/Headquarters and Chief Tomey stated the recommendation is to build a new fire station across the street in the SW 60 Block and move in when ready. He reviewed the approximate cost of \$2M to relocate the firefighters, staff, and storage during construction. Ms. Barletto reviewed Fire Station 115/Special Ops and Chief Tomey stated they would like to move the footprint forward on the property to give more room for parking and special ops training props. He noted the Emergency Operations Center (EOC) could be located on the third floor, and it is a great location because it is away from the ocean, railroads, City, and civil unrest possibilities. The presentation continued with review of Fire Station 114. Ms. Barletto noted full hurricane hardening and evaluation is pending. Chief Tomey stated Fire Station 114 and Fire Station 113 would be reevaluated in 10 years. He stated the Fire Station Master Plan renovation total cost over time is \$64M for renovation/addition and \$80.6M for new construction, estimated across 15 years. Ms. Barletto reviewed the expected timeline.

Mayor Petrolia asked about funding for the stations built in the 1990s. Chief Tomey replied they were funded by the Decade of Excellence bond.

Commissioner Boylston inquired about the recommended location of EOC and the suggested timeline. Chief Tomey noted once adopted, they could consider moving up EOC. Ms. Barletto reiterated the location was ideal, but it was conceptual and needs to be looked at further. Commissioner Boylston expressed concern the EOC was too far out in the recommended timeline.

Commissioner Johnson stated she was in favor of the plan but recommended expanding the fire station on the barrier island. Chief Tomey spoke on future growth at Fire Station 113.

Vice Mayor Frankel stated he supports new construction and noted the recent fire station tour and conditions of Fire Station 112.

Deputy Vice Mayor Casale stated the fire station tour was amazing and supports the plan.

Mayor Petrolia stated she supports the plan.

Commissioner Johnson asked about the fire station on Linton and 4th. Chief Tomey replied that they are at 30% in their drawings, and they are meeting weekly with the builder. He noted they want to speed up the demolition and groundwork and are hoping for a groundbreaking in March 2023.

Vice Mayor Frankel motioned to approve the plan. Commissioner Boylston seconded the motion. The motion was carried by the following vote:

YES: 5 Mayor Petrolia, Vice Mayor Frankel, Deputy Vice Mayor Casale, Commissioner Boylston, Commissioner Johnson

APPROVED
