

E Atlantic Ave

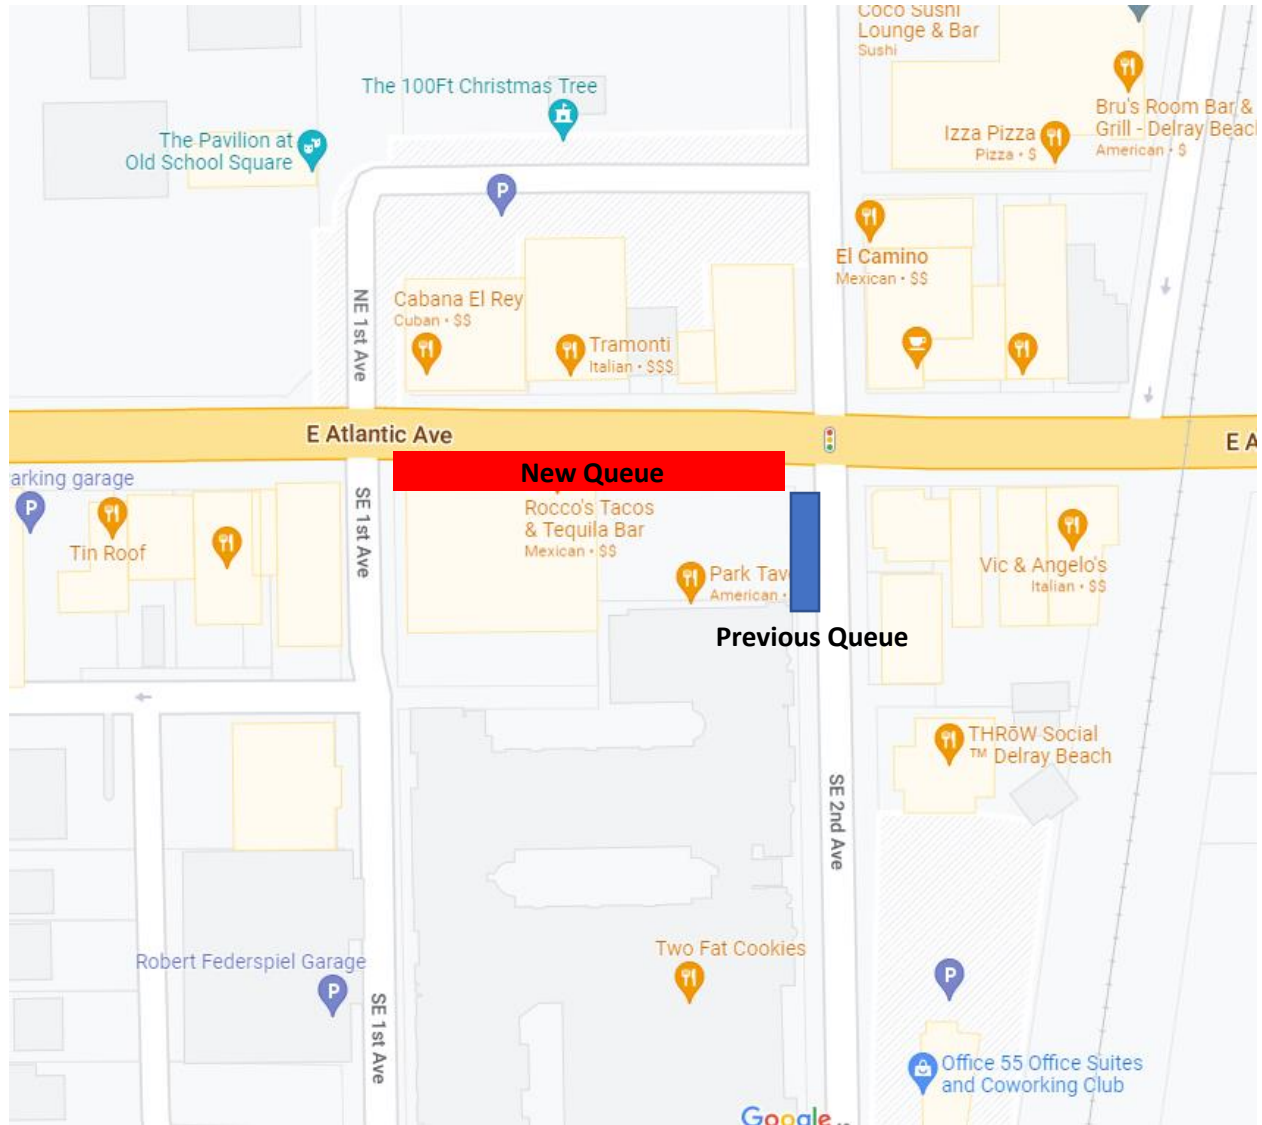

**Public Safety Team Agree with  
this location**

SE 2<sup>nd</sup> Ave

Valet Queue  
Rocco's Taco's (Delray Taco)  
1000 Blk E Atlantic Ave

New Queue: E Atlantic Ave (Red)

-----  
Old Queue: SE 2<sup>nd</sup> Ave (Blue)

### **Recommendations relative to the valet parking pilot project for Rocco's Taco's**

**Police:** SE 2<sup>nd</sup> Ave is a congested area; traffic does not move smoothly. Valet cannot operate on the Se 2<sup>nd</sup> Ave due to high volume of traffic.

E Atlantic Ave valet parking pilot is working well. Due to traffic lights and easy access less congestion in the valet queue.

**Police recommendation:** **Stay on E Atlantic Ave**

**Fire Dept:** SE 2<sup>nd</sup> Ave would not be a good spot to keep valet service due to traffic, high volume of vehicle.

E Atlantic Ave works a lot better than SE 2<sup>nd</sup> Ave less traffic, easy for emergency vehicles to access the location.

**Fire recommendation:** **Stay on E Atlantic Ave**

Clean & Safe: After reviewing the new queue everything looks good, but business owner must advise that littering might be an issue but other than that location is fine.

**Clean & Safe recommendation:** **Stay on E Atlantic Ave**

**Rocco's Tacos management feedback:**

Location has no issues or concerns regarding the new valet queue. Manager feels that new location is much better then pervious location on the 2<sup>nd</sup> Ave. E Atlantic is working well for the location.

**Location Manger feedback:** **Stay on E Atlantic Ave**
