Profile

NOTE: Each Applicant is advised to attend at least one meeting prior to applying for appointment.

Board Member applications must be received no later than **ten (10) business days** prior to the first City Commission Meeting at which the Commissioner is eligible to nominate and appoint the prospective board member.

The City Commission appoints members of the boards and committees. All positions are voluntary and members are not compensated for their time. However, the individuals who serve on the boards and committees provide an invaluable service to the city. Their advice and expertise on a wide range of topics assist the City Commission in its decision-making process.

In general, individuals may serve on only one board or committee at a given time, with the exception of ad-hoc committees or task forces. Most advisory groups meet at least once a month, however, there are varying degrees of commitment, depending on the board. Membership requirements vary with each board and committee.

Interests & Experiences

List any certifications or licenses which may further qualify you to serve on a board or committee.

I bring more than 30 years of business leadership experience. For the first 15 years of my career, I owned and operated a manufacturing company that provided products and services to Fortune 100 companies, giving me extensive experience in operations, budgeting, strategic planning, regulatory compliance, and stakeholder management. I later transitioned into consulting and have successfully led a consulting firm for more than 15 years, continuing to advise Fortune 100 and Fortune 500 organizations. Through this work, I have developed expertise in sustainability initiatives, organizational improvement, long-range planning, and collaborative decision-making. These experiences have prepared me to contribute effectively to board governance and public service

Briefly describe why you wish to serve as a member of a board or committee and how your personal experience and background relate:

I am interested in serving on a board because I believe in giving back to the community and applying my professional experience to help guide thoughtful, responsible decision-making. Throughout my career as both a business owner and consultant, I have worked with organizations ranging from local businesses to Fortune 100 and Fortune 500 companies, helping them improve operations, develop strategic initiatives, and address complex challenges. In addition to my business experience, I served for five years as Director of a community soup kitchen in New York, where I worked closely with volunteers, local organizations, and individuals in need. This experience strengthened my commitment to public service and provided valuable insight into the importance of community engagement, collaboration, and responsible stewardship of resources. My background in business leadership, sustainability, strategic planning, and community service would allow me to bring a balanced perspective to board discussions while helping advance the goals and interests of the City of Delray Beach and its residents.

List any other community/civic involvement which you would like the Commission to consider:

I served as Director of a community soup kitchen in New York for five years, where I was responsible for overseeing operations, coordinating volunteers, developing community partnerships, and supporting fundraising efforts. In addition, I organized and led a major fundraiser for the Juvenile Diabetes Foundation (JDF), which exceeded the fundraising results of the organization's local Tour de Cure event. I have also organized and managed fundraising events for my religious organization, bringing together community members, volunteers, and sponsors to support important causes. Throughout my career, I have remained committed to community service and civic engagement. My experience leading nonprofit initiatives, coordinating volunteers, raising funds, and working with diverse groups has strengthened my ability to build consensus, manage resources responsibly, and contribute positively to the organizations and communities I serve.
