

Barwick Park Outdoor Workout Gym

Delray Beach, Florida

**Funds are being raised to
build the first public
outdoor gym in Delray
Beach!**

Project Goal

**Promote
Pride and Health
In Our Community**

**To Provide a Free Outdoor
Exercise Facility Leading to
Increased Use of Our City's
Amazing Green Park**

**Make Delray Beach
stronger mentally and
physically!**

Target Audience

- Full and part-time residences who supportive of daily fitness, health and welfare;
- Tourists at all fitness levels, wanting to use equipment with light, medium or heavy intensity and experiencing our wonderful outdoor weather

Our Opportunity

Problem Worth Solving

We currently have no outdoor gym in Delray Beach, making our parks under- utilized; making our city inconvenient for tourists and residents who may not have to gym membership and we don't offer enough public services outside the beach.

Our Solution

Seeking Community Support, Donations and Grants to raise sufficient money to build an outdoor workout park that welcomes residents and tourists of all ages and economic background.
