The term "CITY" refers to the City of Coral Springs, a municipal corporation of the State of Florida. The term "Proposal Documents" includes the Request for Proposals, Instructions to Offerors, Proposal, Qualifications Statement, Non-Collusive Affidavit, Corporate Resolution or Letter of Transmittal, Proposal Security and Specifications, if any, and the proposed Contract Documents, if any, (including all Addenda issued prior to receipt of Proposals). The term "CONTRACTOR" shall mean the individual(s) or firm(s) to whom the award is made and who executes the Contract Documents.

4. SPECIFICATIONS

- 4.1 The apparent silence of the Specifications as to any detail, or the apparent omission from it of a detailed description concerning any point, shall be regarded as meaning that only the best commercial practice is to prevail and that only material and workmanship of the finest quality are to be used. All interpretations of the Specifications shall be made on the basis of this statement.
- 4.2 For the purpose of evaluation, the Offeror must indicate any variance or exceptions to the stated Specifications, no matter how slight. Deviations should be explained in detail.
