58	do more than just ride their bikes around	5/7/2017 2:18 AM
59	please continue and keep the same level of personel, they respond within 60 seconds	5/7/2017 2:16 AM
60	what is full time? don't know enough about the program	5/7/2017 2:12 AM
61	make presence known to businesses and more alert ambassadors	5/7/2017 2:10 AM

63	need more information about the program	5/7/2017 2:04 AM
64	I am in Pineapple Grove outside of their area and do not know enough about the program	5/7/2017 1:59 AM

Security Ambassador Survey

68	patrol beachside too	5/7/2017 1:49 AM
69	Add more Ambassadors through out the boundaries	5/5/2017 4:57 AM
70	Include US1 down to SE 10th St	5/5/2017 3:51 AM
71	I am not that familiar with this program, but I like seeing these guys with the yellow shirts on foot and bikes in downtown. I feel more secure.	5/5/2017 3:26 AM
72	seems fine to me	5/5/2017 3:01 AM
73	I don't know enough about the program but do know that areas that as a woman I do not feel comfortable walking alone down swinton to sw 1st ave. I would also like to see a crackdown on drug dealing in this town. I love downtown Delray and all it has to offer so I think we need to protect what we have here and support this program.	5/4/2017 1:06 PM
74	More Visable employees	5/4/2017 10:50 AM
75	None	5/4/2017 9:56 AM
76	training and more customer service	5/4/2017 9:36 AM
77	I believe the pilot program has been successful and hope that it continues and expands. They certainly cleaned up Old School Square park that was turning into a homeless camp.	5/3/2017 4:11 AM
78	No changes here. I like it; I like it a lot	5/2/2017 6:00 AM
79	Give em tasers to shoot drunk people with	5/2/2017 6:00 AM
80	Add NW-SW 5th Ave	5/1/2017 6:47 AM
81	Extension of boundaries to the west.	4/28/2017 6:05 PM
82	As Director of Operations for the Cornell Art Museum, it's been a wonderful program and presence for us. Has deterred homelessness on Old School Square property. It can only improve by making the ambassadors a permanent fixture in Downtown Delray Beach. Visitors to our campus comment about their presence and feel safer knowing they are present. Thank you for this wonderful program!	4/28/2017 5:58 AM
83	Full funding from the DDA (shouldn't be City or CRA funds). Also, I answered no to Q7 (do they enhance feeling on safety) only because I don't feel unsafe downtown - but I accept that others may, and believe the security ambassadors may help.	4/28/2017 3:41 AM
84	Since I live downtown and walk around the Atlantic Ave area daily and have never seen an Ambassador - so far I can't see any advantage to the program!	4/26/2017 12:31 PM
85	Id like to see these ambassadors look more welcoming. Right now, they look like security patrol in their bright yellow shirts. I see them, and think private security, not a welcoming sign I'm in downtown. Maybe having the uniform not look the same as the private security that stands on the sidelines of major sporting matches. Also more patrols on foot. When they are on the bikes, it seems more like they are there to just patrol, not assist(locals or tourist).	4/26/2017 8:14 AM
86	Make it more visible. I didn't even know it existed	4/26/2017 8:01 AM
87	see them actually do something - so far it's just a cosmetic addition to make people think something is being done.	4/25/2017 11:19 PM
88	Make their presence known. Make them approachable. Let the general public know who the they are and what their purpose is.	4/25/2017 10:27 PM
89	I couldn't make an informed response to some questions without the results of the pilot? Did crime decrease? Were those needing support i.e. Drug addicts matched with support services not just removed? What is the cost? What did users of Ambassador services think? I've never used it/seen it in action though I only live a few miles from downtown. How are you marketing it's services?	4/25/2017 8:01 PM
90	Some signage or communication as to the program, and what they are there for/what they can do to help.	4/25/2017 9:21 AM
91	Perhaps have ambassadors engage with people more by way of conversation	4/25/2017 8:18 AM
92	None	4/25/2017 7:14 AM
93	More PR. I spend a lot of time on Atlantic Avenue, but I wasn't aware of the ambassador program until they'd been around for a while, and then it was only because I asked one of the guys what it was about. I think it would be helpful if the shirts had "Ask me about the downtown ambassador program" or "The downtown ambassador program is here for you," or something like that printed really big on their backs.	4/25/2017 7:12 AM
94	Daily Visibility	4/25/2017 6:20 AM

Security Ambassador Survey

95	Communication about them, their function, their uniform, their hours of availability, etc. to the general public both city residents and those working and visiting the area	4/25/2017 5:42 AM
96	Better communication with general public on the program and how they can use it	4/25/2017 5:40 AM
97	Their attire needs to indicate more clearly that they are city employees. Before I knew about the program, I thought they were security guards hired by private businesses.	4/25/2017 5:29 AM
98	Motorised vehicles for quicker response	4/24/2017 11:11 PM
99	I would like to see them have the authority to keep people on bicycles, skateboards, scooters etc. off the sidewalks. It's only a matter of time till someone gets seriously hurt. There is a large elderly population walking downtown. If they get knocked over it could kill them.	4/24/2017 12:11 PM
100	More night time presence, especially around Swinton/Atlantic. It's dark and there are tons of places for people to lurk - I always see homeless people sleeping on Old School Square grounds :/ AND flyers or posters with their number to call them if needed.	4/24/2017 7:29 AM
101	Additional information to residents about the program and marketing for guests. Also, regarding question #9 - that's hard to really answer. The Ambassador program seems to be a way of adding security without additional Police Officers (which seem to be hard to train and retain in Delray Beach). However, I'm sure there could be a case for additional Officers - especially during weekend evenings.	4/24/2017 5:13 AM
102	a larger area that reaches beyond the current area.	4/24/2017 3:30 AM
103	I haven't considered any changes. It appears to be performing well as is.	4/24/2017 3:20 AM
104	More info to area on who they are and what they provide.	4/24/2017 2:15 AM
105	This is a great program but how it improves the area I am not sure. They are not police officers so have no authority & as an ambassador we could get more volunteers to guide people throughout the city .	4/23/2017 2:35 AM
106	Cover larger area	4/23/2017 1:54 AM
107	better communication of program and its benefits, introduction of ambassadors to the community, education on services they provide, differences between police and ambassadors explained -- basically better pr needed so public understands benefits.	4/23/2017 1:34 AM
108	I have not seen any ambassadors on East Atlantic, East of bridge to beach! That is where they are needed the most! All the homeless and drug addicts hang in front of our store and by beach.	4/22/2017 3:12 AM
109	I think they are doing a great job! I am a resident and an employee of the downtown area and I have seen many improvements since this program started! I hope that it continues. I feel much safer walking my dog at night knowing they are around town.	4/22/2017 2:19 AM
110	Cover side streets	4/21/2017 12:44 PM
111	None	4/21/2017 10:38 AM
112	NEW NAME ON YELLOW SHIRTS I.E. DOWNTOWN SAFETY ABBASSADOR	4/21/2017 10:02 AM
113	Not familiar enough to offer suggestions...but keep up the great work!	4/21/2017 9:14 AM
114	I'd like to see them meet the business owners, get to know where and when we have the most concerns at our locations. If giving directions they need to know how to tell people where to go so I want them to be familiar with all the downtown businesses.	4/21/2017 9:05 AM
