Green (Key accomplishments, progress, acknowledgments)

Items below represent accomplishments or progress made on deliverables for the week.

Location	Accomplishments	Task Accomplishment Date
Pilot program coverage area (Atlantic Avenue)	<p>Tenant Interaction - Ambassadors have received many thanks from tenants as they have continually "popped in" the store-fronts, introducing themselves on all shifts to tenants along Atlantic Avenue/the surrounding coverage area. We had provided all tenants with security dispatch (561-818-3667) and security cell phone (561-573-8915) numbers, & handed out PSC business information cards, the first week (2/6-2/12). Ambassadors continued to do so, as well as remind them of the courtesy escort service to car and/or downtown home.</p>	
" "	<p>Police Interaction - During the first week, cell phone numbers were exchanged between Ambassadors and members of PD. It has been noted that police have been <i>extremely</i> responsive and helpful; their efforts to assist Ambassadors when called upon are second to none. Constantly stayed in contact with members of Delray Beach PD when necessary with regard to pending incidents at Oldschool Square/Oldschool Square RR/Veterans Park, etc.</p>	

Weekly Status Report

" "	Public Interaction - continued, constant interaction with public. Assisting with directions, questions about nearby venues. Provide the security phone numbers + inform them of escort service if staying nearby (hotel/residence).
