If applicable unit prices are contained in this Agreement (established as a result of either a unit price bid or a Supplemental Schedule of Unit Prices), the Neighborhood Services Division may order the Contractor to proceed with desired unit prices specified in this Agreement; provided that in case of a unit price contract the net value of all changes does not increase or decrease the original total amount shown in this Agreement by more than twenty-five percent (25%) in accordance with the Section entitled Unit Prices, under Special Conditions.

If applicable unit prices are not contained in this Agreement or if the total net change increases or decreases the total Agreement Price more than twenty-five percent (25%), the Neighborhood Services Division shall, before ordering the Contractor to proceed with desired changes, request an itemized proposal from him covering the work involved in the change after which the procedure shall be as follows:

This Agreement shall, upon the expiration of a ten (10) day period, cease and terminate, unless within said ten (10) day period after serving of notice upon the Contractor, such violation or delay shall cease and satisfactory arrangements for correction be made. In the event of any such termination, the Owner, may, for the purpose of completing the work, take over the work by entering into a subsequent Agreement. In this event, the Contractor shall be liable to the Owner, as represented by the Neighborhood Services Division, for any costs in excess of this Agreement amount stipulated herein or as amended by subsequent change orders, which are incurred in the completion of the defaulted work. The Contractor agrees to relieve this liability by providing an amount equal to the excess costs incurred. Payment shall be made to the City for the expressed and sole purpose of depositing this amount in the appropriate Neighborhood Services Account as a reimbursement to the Program.

The right of the Contractor to proceed shall not be terminated nor shall the Contractor be charged with liquidated damages for any excusable delays due to the following:

1. Acts of the Government restricting labor, equipment or materials by reason of national emergency.
2. Acts on the part of the Owner or the Neighborhood Services Division.
3. Causes beyond the control and without the fault or negligence of the Contractor including but not restricted to the following: Acts of God, acts of the public enemy, acts of the Government in its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes and unusually severe weather. (This does not include stop work orders for code violations.)

It shall be the responsibility of the Contractor to notify the City's Neighborhood Services Division in writing of any such delay within ten (10) consecutive days. Upon receipt of such notification the Neighborhood Services Division will evaluate the cause and extent of delay. If upon the basis of the facts and the terms of this agreement, the delay is found properly excusable, the City Neighborhood Services Division shall extend the time for project completion for a period of time commensurate with the period of the excusable delay. In the event of Agreement termination, the provisions of this Agreement pertaining to: Conflict of Interest, Governmental Audit; and Record Retention shall remain in full force and effect until such time as the provision regarding record retention has elapsed.

K. ASSIGNMENT OR NOVATION

The Contractor shall not assign or transfer, whether by an assignment or novation, any of its rights, duties, benefits, obligations, liabilities, or responsibilities under this Agreement without the written consent of the Neighborhood Services Division, provided, however, that assignments to banks, trust companies, or other financial institutions may be made without the consent of the Neighborhood Services Division. No assignment or novation of this Agreement shall be valid unless the assignment or novation expressly provides that the assignment of any of the Contractor's rights or benefits under this Agreement is subject to a prior lien for labor performed services rendered materials, tools and equipment supplied for the performance of the work under this Agreement in favor of all persons, firms or corporations rendering such labor or services or supplying such materials, tools or equipment.

L. DISPUTES

All disputes arising under this Agreement or its interpretation except those disputes covered by Federal Labor Standards Provisions under General Conditions Part II, whether involving law or fact or both, or extra work and all claims for alleged breach of Agreement shall within ten (10) days of commencement of the dispute be presented by the Contractor to the Neighborhood Services Division for decision. All papers pertaining to claims shall be filed in quadruplicate. Such notice need not detail the amount of the claim but shall state the facts surrounding the claim in sufficient detail to identify the claim, together with its character and scope. In the meantime, the Contractor shall proceed with the work as directed. Any claim not presented within the time limit specified in this paragraph shall be deemed to have been waived, except that if the claim is of a continuing character and notice of the claim is not given within ten (10) calendar days of its commencement, the claim will be considered only for a period commencing ten (10) calendar days prior to the receipt by the Neighborhood Services Division of notice thereof.

The Contractor shall submit in detail his claim and his proof thereof. Each decision by the Neighborhood Services Division will be in writing and will be mailed to the Contractor by registered or certified mail, return receipt requested, directed to Contractor's last known address.

If the Contractor does not agree with any decision by the Neighborhood Services Division, he shall in no case allow the dispute to delay the work but shall notify the Neighborhood Services Division promptly that he is proceeding with the work under protest and he may then exempt the matter in question from the final release.

M. TECHNICAL SPECIFICATIONS AND DRAWINGS

Anything mentioned in the Technical Specifications and not shown in the write-up, or shown in the write-up and not mentioned in the Technical Specifications, shall be of like effect as if shown on or mentioned in both. In case of difference between write-up and Technical specifications, the write-up shall govern. In case of any discrepancy in write-up or Technical specifications, the matter shall be immediately submitted to the Neighborhood Services Division, without whose decision said discrepancy shall not be adjusted by the Contractor, save only at his own risk and expense.

N. SHOP DRAWINGS

All required shop drawings, machinery details, layout drawings, etc., shall be submitted to the Neighborhood Services Division in duplicate for approval sufficiently in advance of requirements to afford ample time for checking, including time for correcting, resubmitting and rechecking, if necessary. The Contractor may proceed, only at his own risk, with manufacture or installation of any equipment or work covered by said shop drawings, etc., until they are approved and no claim, by the Contractor, for extension of this Agreement time will be granted by reason of his failure in this respect.

Any drawings submitted without the Contractor's stamp of approval will not be considered and will be returned to him/her for proper resubmission. If any drawings show variations from the requirements of this Agreement because of standard shop practice or other reason, the Contractor shall make specific mention of such variation in its letter of transmittal in order that, if acceptable, suitable action may be taken for proper adjustment of Agreement price and/or time otherwise the Contractor will not be relieved of the responsibility for executing the work in accordance with this Agreement even though the drawings have been approved.

If a shop drawing is in accord with this Agreement or involves only a minor adjustment in the interest of the City not involving a change in Agreement price or time, the Neighborhood Services Division may approve the drawing. The approval shall be general, shall not relieve the Contractor from his responsibility for adherence to this Agreement or for any error in the drawing and shall contain in substance the following:

- 1.3 **Contract Administrator** - The Delray Beach City Manager or the Director of the Delray Beach Neighborhood Services Division. The primary responsibilities of the Contract Administrator are to coordinate and communicate with Contractor and to manage and supervise execution and completion of the Scope of Services and the terms and conditions of this Agreement as set forth herein. In the administration of this Agreement, as contrasted with matters of policy, all Parties may rely on the instructions or determinations made by the Contract Administrator; provided, however, that such instructions and determinations do not change the Scope of Services.
- 1.4 **City Manager** - The administrative head of City appointed by the Board.
- 1.5 **City Attorney** - The chief legal counsel for City appointed by the Board.
- 1.6 **Project** - The Project consists of the services described in Article 2.
- 1.7 **Program Manager** - The Director of the Delray Beach Neighborhood Services Division, or his or her designee. The Program Manager shall decide all disputes between the Owner and Contractor arising out of or related to the Scope of Services.

ARTICLE 2

SCOPE OF SERVICES

- 2.1 Contractor shall perform all work identified in this Agreement and Exhibit "A". The Scope of Services is a description of Contractor's obligations and responsibilities and is deemed to include preliminary considerations and prerequisites, and all labor, materials, equipment, and tasks which are such an inseparable part of the work described that exclusion would render performance by Contractor impractical, illogical, or unconscionable.

- 2.2 Contractor acknowledges that the Contract Administrator has no authority to make changes that would increase, decrease, or otherwise modify the Scope of Services to be provided under this Agreement.
- 2.3 The Contractor shall furnish all supervision, technical personnel, labor, materials, equipment and all other appurtenance thereto and perform and complete all work in accordance with the contract documents as prepared by the City of Delray Beach.

ARTICLE 3

TERM AND TIME OF PERFORMANCE

- 3.1 The term of this Agreement shall begin on the date it is fully executed by the Parties and shall end on **sixty (60) days after the date the building permit for the work described in Exhibit A is issued.** The continuation of this Agreement beyond the end of any fiscal year shall be subject to both the appropriation and the availability of funds in accordance with Florida law.
- 3.2 All duties, obligations, and responsibilities of Contractor required by this Agreement shall be completed no later than **sixty (60) days after the date the building permit for the work described in Exhibit A is issued.** Time shall be deemed to be of the essence in performing the duties, obligations, and responsibilities required by this Agreement.
- 3.3 In the event services are scheduled to end due to the expiration of this Agreement, the Contractor agrees that it shall continue service upon the request of the Contract Administrator. The extension period shall not extend for greater than three months beyond the term of the Agreement. The Contractor shall be compensated for the service at the rate in effect when the extension is invoked by the City upon the same terms and conditions as contained in this Agreement as amended.

ARTICLE 4

COMPENSATION

- 4.1 City will pay Contractor, **CONTRACTOR NAME.**, the total of _____ DOLLARS (\$_____) for all reimbursables provided for in Section 4.2, which amounts shall be accepted by Contractor as full compensation for all such work and expenses. Such funds represent the Housing Rehabilitation Grant paid on behalf of the Owner, which have been furnished to the City from the State Housing Initiatives Partnership Program through the Florida Housing Finance Corporation. Contractor acknowledges that this amount is the maximum payable and constitutes a limitation upon City's obligation to compensate Contractor for its services and expenses related to this Agreement. This maximum amount, however, does not constitute a limitation, of any sort, upon Contractor's obligation to perform all items of work required by or which can be reasonably inferred from the Scope of Services.

4.2 METHOD OF BILLING AND PAYMENT

- 4.2.1 Contractor may submit invoices for compensation only after the services for which the invoices are submitted have been completed. Partial payments equal to 90% of the value of the work in place, not to exceed 75% of the contract amount may be made. All payment requests will require Owner's signature. However, the City shall not be stopped from distributing funds if the City determines that the Owner has unreasonably failed to sign a payment request.

An original invoice plus one copy are due within fifteen (15) days of the end of the month except the final invoice which must be received no later than sixty (60) days after this Agreement expires. Invoices shall designate the nature of the services performed.

- 4.2.2 City shall pay Contractor within thirty (30) calendar days of receipt of Contractor's proper invoice, or as required by Florida Law. To be deemed proper, all invoices must comply with the requirements set forth in this Agreement and must be submitted on the form and pursuant to instructions prescribed by the Contract Administrator. Payment may be withheld for failure of Contractor to comply with a term, condition, or requirement of this Agreement.

- 4.2.3 Final payment will be made after:

1. The Contractor executes a lien release and warranty on forms furnished by the City, relative to work performed, materials furnished, and certification that all amounts due for labor and/or materials have been paid. The Contractor, by execution of the contract, holds the City and property owner harmless from all claims or liens for labor or materials furnished or used in performance of the work covered by this contract, whether furnished or used by the Contractor or any subcontractor.

2. The contractors and the Owner agree to defend, indemnify, and hold harmless the City and its officers, agents, and employees from and against any and all suits, claims, actions, legal proceedings, demands, or liabilities (and any and all costs, expenses, liabilities, including attorney's fees associated therewith, made against the City which arise, directly, or indirectly from the Contractor's or Owner's negligent acts, errors or admission during performance under this agreement).

3. The City conducts a final inspection and approves and accepts all work performed by the Contractor. Final acceptance of the job shall not subject the City to any legal responsibility or liability of any kind. The parties agree that the City does not have any responsibilities under this contract either express or implied, except to settle disputes between the parties which do not constitute a breach of contract, to conduct a final inspection to approve work performed by the Contractor, and to hold and distribute funds. In the event that the

performance by the Contractor is unsatisfactory or unacceptable for any reason, the Contractor agrees to correct any deficiencies at no additional cost to the City.

4. The Contractor will guarantee that all work performed is free from defects for a period of one year from the date of final acceptance of all work required by the contract. If any defects appear during the warranty year, the Contractor will correct as expeditiously as possible.

4.3 Notwithstanding any provision of this Agreement to the contrary, City may withhold, in whole or in part, payment to the extent necessary to protect itself from loss on account of inadequate or defective work which has not been remedied or resolved in a manner satisfactory to the Contract Administrator or failure to comply with this Agreement. The amount withheld shall not be subject to payment of interest by City.

4.4 Payment shall be made to Contractor at:

ARTICLE 5

INDEMNIFICATION

Contractor shall at all times hereafter indemnify, hold harmless and, at the City Attorney's option, defend or pay for an attorney selected by the City Attorney to defend City, its officers, agents, servants, and employees from and against any and all causes of action, demands, claims, losses, liabilities and expenditures of any kind, including attorney fees, court costs, and expenses, caused or alleged to be caused by any intentional, negligent, or reckless act of, or omission of, Contractor, its employees, agents, servants, or officers, or accruing, resulting from, or related to the subject matter of this Agreement including, without limitation, any and all claims, losses, liabilities, expenditures, demands or causes of action of any nature whatsoever resulting from injuries or damages sustained by any person or property. In the event any lawsuit or other proceeding is brought against City by reason of any such claim, cause of action, or demand, Contractor shall, upon written notice from City, resist and defend such lawsuit or proceeding by counsel satisfactory to City or, at City's option, pay for an attorney selected by City Attorney to defend City. The obligations of this section shall survive the expiration or earlier termination of this Agreement. To the extent considered necessary by the Contract Administrator and the City Attorney, any sums due Contractor under this Agreement may be retained by City until all of City's claims for indemnification pursuant to this Agreement have been settled or otherwise resolved. Any amount withheld shall not be subject to payment of interest by City.

PURSUANT TO SECTION 558.0035, FLORIDA STATUTES, AN INDIVIDUAL EMPLOYEE OR AGENT OF SECOND PARTY MAY NOT BE HELD INDIVIDUALLY LIABLE FOR NEGLIGENCE.

ARTICLE 6

City reserves the right to obtain a certified copy of any policies required by the Article upon request. Coverage is not to cease and is to remain in force until the City determines all performance required of Contractor is completed. For Professional Liability Insurance, coverage shall remain in force for two (2) years after the completion of services unless a different time period is stated in Exhibit "B." City shall be notified of any restriction or cancellation of coverage within thirty (30) days. If any of the insurance coverage will expire prior to the completion of the work, proof of insurance renewal shall be provided to City upon expiration.
- 6.4 City reserves the right to review and revise any insurance requirements at the time of renewal or amendment of this Agreement, including, but not limited to, deductibles, limits, coverage, and endorsements.
- 6.5 If Contractor uses a subconsultant or subcontractor, Contractor shall ensure that each subconsultant or subcontractor names "City of Delray Beach, Florida" as an additional insured under the subconsultant's or subcontractor's Commercial General Liability, Business Automobile Liability, and Excess/Umbrella policies.

- 7.2 This Agreement may be terminated for cause for reasons including, but not limited to, Contractor's repeated (whether negligent or intentional) submission for payment of false or incorrect bills or invoices, failure to suitably perform the work, or failure to continuously perform the work in a manner calculated to meet or accomplish the objectives as set forth in this Agreement. The Agreement may also be terminated for cause if the Contractor is placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List created pursuant to Section 215.473, Florida Statutes, or if the Contractor provides a false certification submitted pursuant to Section 287.135, Florida Statutes. This Agreement may also be terminated by the Board:
- 7.3 Notice of termination shall be provided in accordance with the "NOTICES" section of this Agreement except that notice of termination by the City Manager, which the City Manager deems necessary to protect the public health, safety, or welfare may be verbal notice that shall be promptly confirmed in writing in accordance with the "NOTICES" section of this Agreement.

Contractor shall include the foregoing or similar language in its contracts with any subcontractors or subconsultants, except that any project assisted by the U.S. Department of Transportation funds shall comply with the non - discrimination requirements in 49 C.F.R. City hereby materially relies on such representation in entering into this Agreement. An untrue representation of the foregoing shall entitle City to terminate this Agreement and recover from Contractor all monies paid by City pursuant to this Agreement, and may result in debarment from City's competitive procurement activities.

ARTICLE 11

11.3 INSPECTOR GENERAL.

Contractor is aware that the Inspector General of Palm Beach County has the authority to investigate and audit matters relating to the negotiation and performance of this contract, and may demand and obtain records and testimony from Contractor and its sub licensees and lower tier sub licensees. Contractor understands and agrees that in addition to all other remedies and consequences provided by law, the failure of Contractor or its sub licensee or lower tier sub licensees to fully cooperate with the Inspector General when requested may be deemed by the City to be a material breach of this Agreement justifying its termination.

11.4 AUDIT RIGHTS, AND RETENTION OF RECORDS

Contractor and its subcontractors shall keep such books, records, and accounts as may be necessary in order to record complete and correct entries related to the Project. If any audit has been initiated and audit findings have not been resolved at the end of the retention period or three (3) years, whichever is longer, the books, records, and accounts shall be retained until resolution of the audit findings. Any incomplete or incorrect entry in such books, records, and accounts shall be a basis for City's disallowance and recovery of any payment upon such entry.

Contractor shall ensure that the requirements of this Section 11.3 are included in all agreements with its subcontractor(s).

11.5 TRUTH-IN-NEGOTIATION REPRESENTATION

Contractor's compensation under this Agreement is based upon representations supplied to City by Contractor, and Contractor certifies that the information supplied is accurate, complete, and current at the time of contracting. City shall be entitled to recover any damages it incurs to the extent such representation is untrue.

Contractor represents that the execution of this Agreement will not violate the Public Entity Crime Act, Section 287.133, Florida Statutes, which essentially provides that a person or affiliate who is a contractor, consultant, or other provider and who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to City, may not submit a bid on a contract with City for the construction or repair of a public building or public work, may not submit bids on leases of real property to City, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with City, and may not transact any business with City in excess of the threshold amount provided in Section 287.017, Florida Statutes, for category two purchases for a period of thirty-six (36) months from the date of being placed on the convicted vendor list. Violation of this section shall result in termination of this Agreement and recovery of all monies paid by City pursuant to this Agreement, and may result in debarment from City's competitive procurement activities.

In addition to the foregoing, Contractor further represents that there has been no determination, based on an audit, that it committed an act defined by Section 287.133, Florida Statutes, as a "public entity crime" and that it has not been formally charged with

committing an act defined as a "public entity crime" regardless of the amount of money involved or whether Contractor has been placed on the convicted vendor list.

Neither this Agreement nor any right or interest herein shall be assigned, transferred, or encumbered without the written consent of all Parties. In addition, Contractor shall not subcontract any portion of the work required by this Agreement, except as may specifically provided for herein. Notwithstanding the Termination provision of this Agreement, City may terminate this Agreement, effective immediately, if there is any assignment, or attempted assignment, transfer, or encumbrance, by Contractor of this Agreement or any right or interest herein without City's written consent.

None of Contractor's officers or employees shall, during the term of this Agreement, serve as an expert witness against City in any legal or administrative proceeding in which he, she, or Contractor is not a party, unless compelled by court process. Further, such persons shall not give sworn testimony or issue a report or writing, as an expression of his or her expert opinion, which is adverse or prejudicial to the interests of City in connection with any such pending or threatened legal or administrative proceeding unless compelled by court process. The limitations of this section shall not preclude Contractor or any persons in any way from representing themselves, including giving expert testimony in support thereof, in any action or in any administrative or legal proceeding.

In the event Contractor is permitted pursuant to this Agreement to utilize subcontractors to perform any services required by this Agreement, Contractor shall require such subcontractors, by written contract, to comply with the provisions of this section to the same extent as Contractor.

11.12 MATERIALITY AND WAIVER OF BREACH

Each requirement, duty, and obligation set forth herein was bargained for at arm's-length and is agreed to by the Parties. Each requirement, duty, and obligation set forth herein is

substantial and important to the formation of this Agreement, and each is, therefore, a material term hereof.

City's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement. A waiver of any breach of a provision of this Agreement shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of the terms of this Agreement.

11.13 COMPLIANCE WITH LAWS

Contractor shall comply with all applicable federal, state, and local laws, codes, ordinances, rules, and regulations in performing its duties, responsibilities, and obligations pursuant to this Agreement.

11.14 SEVERANCE

In the event a portion of this Agreement is found by a court of competent jurisdiction to be invalid, the remaining provisions shall continue to be effective unless City or Contractor elects to terminate this Agreement. An election to terminate this Agreement based upon this provision shall be made within seven (7) days of final court action, including all available appeals.

11.15 JOINT PREPARATION

The Parties and their counsel have participated fully in the drafting of this Agreement and acknowledge that the preparation of this Agreement has been their joint effort. The language agreed to expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the Parties than the other. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the state of Florida. All Parties agree and accept that jurisdiction of any controversies or legal problems arising out of this Agreement, and any action involving the enforcement or interpretation of any rights hereunder, shall be exclusively in the state courts of the Fifteenth Judicial Circuit in Palm Beach County, Florida, and venue for litigation arising out of this Agreement shall be exclusively in such state courts, forsaking any other jurisdiction which either party may claim by virtue of its residency or other jurisdictional device. **BY ENTERING INTO THIS AGREEMENT, CONTRACTOR AND CITY HEREBY EXPRESSLY WAIVE ANY RIGHTS EITHER PARTY MAY HAVE TO A TRIAL BY JURY OF ANY CIVIL LITIGATION RELATED TO THIS AGREEMENT.
