Department Head Comments: (use additional sheets if necessary)

Mr. Farinas provided excellent service to the City's water customers during a serious failure of critical

infrastructure. His efforts went above and beyond in the area of customer service as well as oversight

of the water main repairs. This repair was a team effort; however, Angel's leadership and "can do"

attitude demonstrated to our staff the level of service we strive for as public servants. He is a rising star

in the utilities department and this is just another example of how he adds value every day.
