WHEREAS, the abandonment is subject to relocation of existing utilities, subject to approval by the appropriate jurisdiction and County or State agencies; and,

WHEREAS, this Resolution accepts replacement of any current and impacted easements since the replatting of Block 61 has not been submitted; and,

WHEREAS, the abandonment is subject to the acceptance of a 20' wide pedestrian easement spanning from the south property line of the alleyway to the north; and,

WHEREAS, the abandonment is subject to the acceptance of a 20' wide vehicular easement spanning from the west property line of the alleyway to the east; and,

WHEREAS, pursuant to LDR Section 2.4.6(N)(3)(c), the application was forwarded to the City Commission with the recommendation that the abandonment be approved on a vote of 6-1, based upon positive findings by the Planning and Zoning Board at its meeting of October 17, 2016; and,

WHEREAS, the City Commission of the City of Delray Beach, Florida, pursuant to LDR Section 2.4.6(M)(5), finds that there is not, nor will there be, a need for the use of the right-of-way for any public purpose (Policy A-6.3 of the Transportation Element); that the abandonment does not, nor will not, prevent access to a lot of record; that the abandonment will not result in detriment for the provision of access and/ or utility services to adjacent properties or the general area; and deems it to be in the best interest of the City of Delray Beach to vacate and abandon a portion of said alleys, as more particularly described in Exhibit "A."
