

POLICE DEPARTMENT NOTES

1. A door surveillance and CCTV system within the under ground garage will be provided.
2. Emergency extinguishers will be placed in the parking garage as well as in all of the lift shafts.
3. Emergency fire extinguishers will be placed in the parking garage as well as in all of the lift shafts.
4. An Open Day Police Officer will be hired during non-peak hours of the day for safety and protection.
5. The garage will have gates for security access and be fully air conditioned and have a good ventilation system.

² This strategy will be less successful in the long run.
