- 1.2 The vendor must provide their pricing, if applicable, through the designated line items listed on the BidSync website and complete and/or upload all the required documents included in the solicitation.

No claim of confidentiality or proprietary information in all or any portion of a response to the RLI will be honored unless a specific exemption from the Public Records Law exists and the **specific statutory exemption cited in your Proposal**. An incorrectly claimed exemption does not disqualify the Proposer, only the exemption claimed.

Proposers should be aware that submitting confidential material may impact discussion of your submittal by the Selection Committee (S-C)

and/or Technical Committee (T-C) as the Committee(s) will be unable to discuss details of the confidential material at public S-C meeting(s). Please note that the financial statement exemption provided for in Section 119.071(1) c, Florida Statutes only applies to submittals in response to a solicitation for a "public works" project.

Any documents considered by Proposer to be confidential or proprietary under Florida Statute must be marked accordingly and submitted separately. BSO will not be responsible for delineating documents considered by Proposer to be confidential or proprietary.

Any claim of confidentiality on materials that Proposer asserts to be exempt and placed elsewhere in the Proposal will be considered waived by the vendor upon submission.

- 1.6 PUBLIC RECORD: Pursuant to Florida law (including but specifically not limited to Section 119.0701, Florida Statutes), the VENDOR must comply with all applicable public records law. Specifically, the VENDOR shall:
- (a) Keep and maintain public records that ordinarily and necessarily would be required by the public agency in order to perform the service.
 - (b) Provide the public with access to public records on the same terms and conditions that the public agency would provide the records and at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.
 - (c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.
 - (d) Meet all requirements for retaining public records and transfer, at no cost, to the public agency all public records in possession of the contractor upon termination of the contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the public agency in a format that is compatible with the information technology systems of the public agency.

In the event VENDOR receives a public records request related to this Agreement and the services provided hereunder, VENDOR shall provide BSO with written notice of the request accompanied by a copy of such request at least five (5) calendar days prior to the distribution of any of the requested records.

Proposers are encouraged to partner with the Broward Sheriff's Office in reinvestment efforts in the local community by obtaining certification as a County Business Enterprise (CBE) and/or a Small Business Enterprise (SBE) from Broward County.
- 1.11 NON-DISCRIMINATION: Proposer shall not discriminate against any client, employee or applicant for employment because of race, age, color, religion, sex, national origin, physical or mental disability, marital status or medical status. Proposer shall comply with all applicable sections of the Americans with Disabilities Act. The Proposer agrees that compliance with this Article constitutes a material condition to this Contract, and that it is binding upon the Proposer, its successors, transferees, and assignees for the period during which services are provided. The Proposer further agrees to ensure that its independent contractors/subcontractors are not in violation of the terms of this Section.
- 1.12 AGENT/BROKERS: The Broward Sheriff's Office expects to deal directly with representatives of the Proposer submitting and signing the RLI proposal, and having authority to bind the Proposer.

SECTION TWO **RLI PROCEDURES**

- 2.1 SELECTION/NEGOTIATION PROCESS: It is anticipated, but not required, that the RLI process will proceed in the following manner: A Selection Committee (SC) will be responsible for recommending the most qualified Proposer(s) with whom to begin negotiation of an agreement(s) for this project or to recommend rejection of all proposals or portions of proposal(s).
- 2.2 CONE OF SILENCE: This project is under a "Cone of Silence" starting with the issue date of this RLI through contract signing. Any violation of this provision may result in the associated Proposer being removed from consideration at BSO's sole discretion. A complete definition of the **Cone of Silence** is found on the website at www.sheriff.org/purchasing - click on **BSO Lobbyist Policy**.
- 2.3 ACKNOWLEDGEMENT/REQUEST FOR INFORMATION AND/OR CLARIFICATION(S):
- 2.3.1. If the Proposer is in doubt as to the meaning of any of the Proposal

Documents, is of the opinion that the Conditions and Specifications contain errors or contradictions or reflect omissions, or has any question concerning the conditions and specifications, the Proposer shall submit a question for interpretation or clarification. BSO requires all questions relating to the solicitation be entered through the “**Ask a Question**” option tab available on the BidSync website. Responses to the questions will be provided online at www.BidSync.com. Such request must be received by the Question Deadline stated on BidSync.com. Questions received after the Question Deadline may not be answered. Interpretations or clarifications in response to such questions will be issued via BidSync. No change(s) or interpretations (s) shall be considered binding unless provided in writing in the form of an Addendum or in the “Ask a Question” section.

2.3.2. At its sole discretion, BSO may answer such inquiries by means of the “Ask a Question” tab or an addendum. In the event that an inquiry is made in which the explanation or clarification requires a substantial change to the specifications, a formal Addendum will be posted on BidSync. If any addendum is issued it shall be the responsibility of each Proposer, prior to submitting their response, to visit BidSync.com to determine if addenda were issued and to make such addenda a part of their proposal.

2.3.3. **Addenda Acknowledgement:** The Proposer shall be required to acknowledge receipt of any formal addenda by electronic acceptance thru BidSync. Failure to accept a formal addendum in its Proposal shall deem it non-responsive; provided, however, that BSO may waive this requirement in its best interest.

2.4 **ADDENDA:** In the event that an inquiry is made by potential Proposer(s) in which the explanation requires substantial change to the solicitation, a formal Addendum will be issued which will require acknowledgment by Proposer through BidSync.

2.5 **REVIEW OF PROPOSALS:** Each Proposer should submit documents that provide evidence of capability to provide the services required for this project. The Selection Committee, at its sole discretion will determine the responsiveness of a Proposal. Any non-responsive Proposal will be eliminated from further consideration. BSO reserves the right to accept or reject any or all Proposals, and/or waive irregularities and technicalities. BSO further reserves the right to take any other action that may be necessary or in the best interest of BSO; in proposals received; to request additional information, to exercise its discretion and to apply its judgment in all matters pertaining to the RLI. BSO further reserves the right to reject any or all proposals, with or without cause, to waive technical errors and informalities or to accept the proposals, which in its judgment, best serves BSO. BSO further reserves the right to cancel this RLI and re-solicit if determined to be in its’ best interest. BSO’s decision(s) in dispute resolution(s) will be final.

2.5.1 BSO, in its sole discretion, may shortlist and request oral presentations from each of the shortlisted Proposers. If presentations/interviews are deemed necessary by the SC, each short listed Proposer will be contacted to advise of the date and time for presentations/interviews. Proposers are cautioned that their submittal should be as complete as possible in the event that oral interviews are deemed not necessary.

2.5.2 Proposers are encouraged to offer concepts that are cost effective and will provide superior service while affording maximum benefit to BSO. The Broward Sheriff's Office will not consider oral/written communications after the due date of the RLI, except as otherwise set forth within this solicitation.

2.6 PRESENTATIONS/INTERVIEWS: The SC may provide a list of subject matters that must be discussed in the Proposer's presentation. Each short listed Proposer will be given equal time to make presentations, but the question-and-answer time may vary. In accordance with Florida Statute 286.0113, vendors' oral Presentations are exempt from public meetings requirements. Protecting such meetings ensures that the process of responding to a competitive solicitation remains fair and equitable for vendors. The recommendation to begin negotiations with the selected Proposer will be made by the SC and submitted for approval to the appropriate BSO authorities. Selection of Proposer(s) is contingent upon the parties negotiating and executing a mutually acceptable agreement.

2.8.4 Withdrawal of Proposal: Any proposal may be withdrawn up until the solicitation closing date and time. Any proposals not withdrawn prior to closing date and time shall constitute an irrevocable offer for a period of 120 calendar days from the solicitation opening date. Proposers are cautioned to examine all terms, conditions, specifications, addenda, delivery instructions and other conditions pertaining to this solicitation. Failure of the Proposer to examine all pertinent documents shall not entitle Proposer to any relief from the conditions imposed in the RLI.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a other than W-9 to request your TIN, you must use the requester's if it is substantially similar to this W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business.

Further, in certain cases where a W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,
- The U.S. grantor or other owner of a grantor trust and not the trust, and
- The U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person, do not use Form W-9. Instead, use the appropriate W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien.

Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed W-8.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS a percentage of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate Instructions for the Requester of Form W-9.

Also see *Special rules for partnerships* on page 1.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new W-9 if the name or TIN changes for the account, for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Name

If you are an individual, you must generally enter the name shown on your income tax return. However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of the form.

Sole proprietor. Enter your individual name as shown on your income tax return on the "Name" line. You may enter your business, trade, or "doing business as (DBA)" name on the "Business name/disregarded entity name" line.

Partnership, C Corporation, or S Corporation. Enter the entity's name on the "Name" line and any business, trade, or "doing business as (DBA)" name on the "Business name/disregarded entity name" line.

Disregarded entity. Enter the owner's name on the "Name" line. The name of the entity entered on the "Name" line should never be a disregarded entity. The name on the "Name" line must be the name shown on the income tax return on which the income will be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a domestic owner, the domestic owner's name is required to be provided on the "Name" line. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on the "Business name/disregarded entity name" line. If the owner of the disregarded entity is a foreign person, you must complete an appropriate W-8.

Note. Check the appropriate box for the federal tax classification of the person whose name is entered on the "Name" line (Individual/sole proprietor, Partnership, C Corporation, S Corporation, Trust/estate).

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Limited Liability Company (LLC). If the person identified on the "Name" line is an LLC, check the "Limited liability company" box only and enter the appropriate code for the tax classification in the space provided. If you are an LLC that is treated as a partnership for federal tax purposes, enter "P" for partnership. If you are an LLC that has filed a Form 8832 or a 2553 to be taxed as a corporation, enter "C" for C corporation or "S" for S corporation. If you are an LLC that is disregarded as an entity separate from its owner under Regulation section 301.7701-3 (except for employment and excise tax), do not check the LLC box unless the owner of the LLC (required to be identified on the "Name" line) is another LLC that is not disregarded for federal tax purposes. If the LLC is disregarded as an entity separate from its owner, enter the appropriate tax classification of the owner identified on the "Name" line.

Form W-9 (Rev. 12-2011)

Page 3

Other entities. Enter your business name as shown on required federal tax documents on the "Name" line. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on the "Business name/ disregarded entity name" line.

Exempt Payee

If you are exempt from backup withholding, enter your name as described above and check the appropriate box for your status, then check the "Exempt payee" box in the line following the "Business name/ disregarded entity name," sign and date the form.

Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends.

Note. If you are exempt from backup withholding, you should still complete this to avoid possible erroneous backup withholding.

The following payees are exempt from backup withholding:

1. An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2),
2. The United States or any of its agencies or instrumentalities,
3. A state, the District of Columbia, a possession of the United States, or any of their political subdivisions or instrumentalities,
4. A foreign government or any of its political subdivisions, agencies, or instrumentalities, or
5. An international organization or any of its agencies or instrumentalities.

Other payees that may be exempt from backup withholding include:

6. A corporation,
7. A foreign central bank of issue,
8. A dealer in securities or commodities required to register in the United States, the District of Columbia, or a possession of the United States,
9. A futures commission merchant registered with the Commodity Futures Trading Commission,
10. A real estate investment trust,
11. An entity registered at all times during the tax year under the Investment Company Act of 1940,
12. A common trust fund operated by a bank under section 584(a),
13. A financial institution,

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited Liability Company (LLC)* on page 2), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at www.ssa.gov. You may also get this by calling 1-800-772-1213. Use W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting IRS.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded domestic entity that has a foreign owner must use the appropriate W-8.

Part II. Certification

14. A middleman known in the investment community as a nominee or custodian, or

A trust exempt from tax under section 664 or described in section 4947.

The following chart shows types of payments that may be exempt from backup withholding. The chart applies to the exempt payees listed above, 1 through 15.

IF the payment is for . . .	THEN the payment is exempt for . . .
Interest and dividend payments Broker transactions	All exempt payees except for 9 Exempt payees 1 through 5 and 7 through 13. Also, C corporations.
Barter exchange transactions and patronage dividends	Exempt payees 1 through 5
Payments over \$600 required to be reported and direct sales over \$5,000 ¹	Generally, exempt payees 1 through 7 ²

¹ See 1099-MISC, Miscellaneous Income, and its instructions.

² However, the following payments made to a corporation and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees, gross proceeds paid to an attorney, and payments for services paid by a federal executive agency.

To establish to the withholding agent that you are a U.S. person, or resident alien, sign W-9. You may be requested to sign by the withholding agent even if item 1, below, and items 4 and 5 on page 4 indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on the "Name" line must sign. Exempt payees, see *Exempt Payee* on page 3.

Signature requirements. Complete the certification as indicated in items 1 through 3, below, and items 4 and 5 on page 4.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, social security number (SSN), or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit 14039.

For more information, see Publication 4535, Identity Theft Prevention and Victim Assistance.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: spam@uce.gov or contact them at www.ftc.gov/idtheft or 1-877-IDTHEFT (1-877-438-4338).

Visit IRS.gov to learn more about identity theft and how to reduce your risk.

Also see *Special rules for partnerships* on page 1.

* **Note.** Grantor also must provide a W-9 to trustee of trust.

Upon receipt of such written notice, the SHERIFF's Contract Administrator will meet with CONTRACTOR to discuss the need for an amendment. This sum is not to be construed as a penalty.

For delays by SHERIFF in performing its obligations pursuant to this Agreement, including delays resulting from untimely review by SHERIFF, SHERIFF shall grant an extension to the above completion dates equal to the number of days in which CONTRACTOR was delayed by the SHERIFF. Question and Answers for Bid #14036AG - WEB UNIFORM AND EQUIPMENT PURCHASING PROGRAM FOR THE BROWARD SHERIFF'S OFFICE

Overall Bid Questions

Question 1

If we are unable to attend the Pre-Bid meeting will we still be able to bid on this request? (Submitted: Nov 5, 2014 12:36:08 PM EST)

Answer

- No, the attendance is mandatory. You need to have a representative from your company present at the Pre-bid Meeting in order to respond to the RLI. (Answered: Nov 5, 2014 12:45:43 PM EST)

Question 2

The bid states to submit a formal sealed Letter of Interest & Statement of Qualifications & Experience by Dec. 2nd - it also states the bid is due by Dec. 2nd. Do we submit a letter of interest and the bid by Dec. 2nd? (Submitted: Nov 5, 2014 12:38:56 PM EST)

Answer

- Everything must be uploaded thru bidsync by December 2, 2014. (Answered: Nov 5, 2014 12:45:43 PM EST)

Question 3

The specification read "Elbeco Tex-Trop brand or pre-approved equal". Have any other brands such as Flying Cross, Horace Small or Blauer been pre-approved for this solicitation? Is it still possible to obtain pre-approval on an alternative brand to Elbeco? If so, what is the process and timing for pre-approval? (Submitted: Nov 6, 2014 10:16:45 AM EST)

Answer
