行政政府の日本

THIS AGREEMENT is made this 20th day of <u>November</u>, 2017, by and between the CITY OF DELRAY BEACH, a Florida municipal corporation, (hereinafter referred to as "CITY"), and the DELRAY BEACH COMMUNITY REDEVELOPMENT AGENCY, a public body corporate and politic, duly created and operated pursuant to Chapter 163, Florida Statutes (hereinafter referred to as the "CRA").

WITNESSETH:

WHEREAS, the CITY will be performing various construction projects located in the Community Redevelopment Area as shown on Exhibit "A"; and

WHEREAS, the CRA is providing funding for the projects in the amounts included in Exhibit "A"; and

WHEREAS, this CITY and the CRA find that this Agreement serves a municipal and public purpose, is consistent with the Community Redevelopment Plan, and the requirements of Chapter 163, Florida Statutes.

NOW, THEREFORE, in consideration of the mutual covenants and promises herein contained, the parties hereby agree as follows:

1. The recitations set forth above are hereby incorporated herein.

2. The **CRA** shall provide funding to the **CITY** in the amounts listed for the projects included in Exhibit "A". Such payment shall be made to the **CITY** upon the bid award to the contractor, or approval of a Service Authorization with a consultant. Funding for the projects included in Exhibit "A" shall include actual construction costs as well as other costs directly related to procuring, awarding, and completing the project

construction including, but not limited to, advertising, testing, inspection, and utility relocation costs. This provision does not preclude the **CRA** from performing the referenced tasks for projects included in Exhibit "A" if mutually agreed upon by the **City** and CRA.

3. The CITY shall provide a written request to the CRA for approval of any change order that will result in an increase in the funding to be provided by the CRA. The CITY shall submit the written request to the CRA prior to the execution of any work covered by the change order. Failure to obtain the CRA's approval of the funding for the change order, prior to the execution of the work, shall be a basis for the CRA to deny additional funding to the CITY for the project identified in the change order. The CITY and the CRA agree and acknowledge that the approval of a change order does not require an amendment to this Agreement.

4. The term of this Agreement shall commence upon execution by both parties, and this Agreement shall continue until either party delivers written notice to the other party of its intent to terminate this agreement, or 60 days after the City receives the final invoice from the contractor or professional for all of the projects included in Exhibit "A". Notwithstanding the foregoing, once the City has executed a contract with a contractor or professional for a particular project, the CRA shall not be allowed to withdraw its funding for that particular project. If the CITY terminates this Agreement, the CITY shall refund to the CRA any funding that was provided to the CITY but was not paid to the contractor or professional. If the total funds the CITY requires to complete a particular project, as identified in Exhibit "A", is less than the amount paid by the CRA to the CITY for a particular project, the CITY shall refund to the CITY and the total funds the CITY requires to complete a particular project, as identified in Exhibit "A", is less than the amount paid by the CRA to

provided to the CITY that exceed the amount the CITY paid to the contractor or professional for the particular project.

5. Once the **CRA** provides any funding for any of the projects identified in Exhibit "A", the **CITY** shall provide the **CRA** with monthly reports detailing the progress of the specific projects, including, but not limited to, the contract amount, the amount of funds paid to the contractor, the status of the project, and the total of any change orders related to the project.

6. The CITY shall insure that all publicity, public relations, advertisements and signs recognize the CRA for the support of all activities conducted with the funds provided by the CRA. The use of the CRA logo is permissible, but all signs used to publicize CRA contracted activities must be approved by the CRA Executive Director or her designee prior to being posted. Upon request by the CRA, CITY shall provide proof of the use of the CRA logo as required by this paragraph for projects funded pursuant to this Agreement.

7. This Interlocal Agreement shall be filed pursuant to the requirements of section 163.01(11), Florida Statutes.

8. No prior or present agreements or representations with regard to any subject matter contained within this Agreement shall be binding on any party unless included expressly in this Agreement. Any modification to this Agreement shall be in writing and executed by the parties.

9. The validity of any portion, article, paragraph, provision, clause, or any portion thereof of this Agreement shall have no force and effect upon the validity of any other part of portion hereof.

10. PUBLIC RECORDS. **CITY** is a public agency subject to Chapter 119, Florida Statutes. The **CRA** shall comply with all public records laws in accordance with Chapter 119, Florida Statutes. In accordance with state law, **CRA** agrees to:
