RE: Horton Rescue Delivery Penalty Clause

Dear Chief DeJesus:

Please allow this letter to serve as the City of Delray Beach's documentation that your Horton rescues are being quoted with a \$500.00 per day penalty clause. This delivery penalty will go into effect 120 days after Horton receives the Freightliner chassis in Columbus Ohio.

We will notify you once the Freightliner chassis is ordered and again when the chassis arrives in Grove City, Ohio at the Horton manufacturing facility. It is out plan to order the Freightliner chassis within 2 business days of receiving your City's purchase order. If your rescue is not delivered to you within 120 days after the chassis arrival date at Horton, the price of your rescue will be reduced by \$500.00 per day for each day the delivery is delayed. Any customer changes or change orders made after May 1<sup>st</sup> may affect the quoted delivery time of 120 days after receipt of chassis.

If you have any questions, please feel free to call me anytime.

Best regards,
