**DATE:** May 15, 2018

### ELDER LAW MONTH PROCLAMATION

**Recommended Action:**

Motion to proclaim the month of May as Elderly Law Month.

**Background:**

In 1963, President Kennedy declared May to be Senior Citizens Month to honor those who are 65 and older. Since then every President has proclaimed May to be a month to show support for older Americans. President Jimmy Carter changed the name in 1980 to Older Americans Month and the National Academy of Elder Law Attorneys supports this annual proclamation by declaring the month of May to be National Elder Law Month.
