RE: RFP-NK-15-001 Proposal Summary

Point Blank Enterprises, Inc. (PBE) is the worldwide leader in the development, manufacturing and distribution of high performance, protective solutions for the U.S. Military and Department of Defense, Federal Agencies and both domestic and international law enforcement and corrections professionals. The Company has the strongest portfolio of product brands in the industry including Point Blank Body Armor, Protective Products, PACA and PARACLETE®. We are committed to producing the most technologically advanced ballistic systems which not only offer superior protection but optimum comfort in the most challenging environments. With two state-of-the-art manufacturing facilities in Florida, we consistently deliver the highest quality body armor systems in the world by driving innovation and continuously exceeding customer expectations.

Point Blank Enterprises (PBE) has helped shape major developments in the body armor industry, spanning four decades. PBE has been the industry's leading innovator of new products and designs engineered to maximize ballistic protection, becoming synonymous with superior technology, uncompromising quality and complete dedication to customer service. Our research and development efforts continue to produce lighter, thinner, more flexible, and higher performing ballistic packages while producing optimal standards for comfort and wearability.

Our unyielding commitment in delivering maximum-performance products which consistently exceed National Institute of Justice (NIJ), military, federal and international testing requirements is a testament to our superior quality standards. These standards transcend into every facet of our product evolution process, from the moment a new material is introduced to the rigorous testing procedures performed daily. At Point Blank, we never forget that our customers rely on us to protect their lives.

Warranties

1. Warranty - Outer Shell Carrier
 - 1.1. The outer shell carrier and other non-ballistic components are warranted to be free from material and manufacturing defects for 24 months from the date of issue to the individual user.
 - 1.2. During the warranty period, any garment having a manufacturing or material defect, as determined through inspection by an authorized Point Blank representative, will be repaired or replaced at no cost to the customer.
 - 1.3. The outer shell carrier warranty shall be void if the product has been altered, abused, or misused, stored improperly, or not cleaned in accordance with cleaning instructions.
2. Warranty - Soft Ballistic Component
 - 2.1. The bullet/stab-resistant elements are warranted to perform to their NIJ-certified standard for a period of five years from the date of issue to the individual user.
 - 2.2. The bullet/stab-resistant elements of this system have been tested and certified by the National Institute of Justice and passed the compliance requirements of the NIJ Standard for Ballistic Resistance of Personal Body Armor.
 - 2.3. The ballistic elements are warranted to be of the same construction and design as the original NIJ certified model listed on the label.
 - 2.4. During the warranty period, any soft ballistic component having a manufacturing or material defect, as determined through inspection by an authorized Point Blank Enterprise representative, will be repaired or replaced at no cost to the customer.
 - 2.5. Should the soft body armor ballistic panel cover be compromised (cut, torn or frayed); it should not be worn and immediately returned to the manufacturer for inspection and repair. If the damage is the result of normal wear and tear, the damage will be repaired free of charge. If however, the damage is the result of improper care, storage or abuse, determined solely by Point Blank Enterprise, then Point Blank will advise the owner of recommended repair or replacement costs.
 - 2.6. The ballistic/stab-resistant elements of this system will reduce the possibility of serious physical injury to the wearer in the areas covered by the ballistic or stab elements.
 - 2.7. There should be no expectation of bullet or stab resistance in areas not covered by the ballistic or stab element. The ballistic or stab element is not warranted to be bulletproof or stab proof.
3. This warranty does not cover and is void for:
 - Any garment altered or modified in any way other than Point Blank authorized factory alterations.
 - Any ballistic or stab element that has been altered or modified in any way other than Point Blank authorized factory alterations.
 - Any ballistic or stab element not in a Point Blank outer shell carrier, except as approved by Point Blank.
 - Damage as a result of abuse or misuse.
 - Damage as a result of improper storage or maintenance.
 - Penetrations as a result of ballistic or stab testing.
 - The results of any specific ballistic or stab testing.

Section 4: Technical Response

RFP-NK-15-001 NASPO ValuePoint Master Agreement For: BODY ARMOR PRODUCTS

Point Blank Enterprises, Inc.

- Injury as a result of bullets or other projectiles or instruments not impacting the ballistic or stab element.
4. Warranty – Helmet, Blade Plate and Single Curve Ballistic Shield
 - 4.1. Refer to the warranty provided by the original equipment manufacturer (OEM) helmet, blade plate and single curve ballistic shield.
 - 4.2. Point Blank Body Armor warranty disclaimer: The ballistic helmet is sold by Point Blank Body Armor “as is.” Point Blank Body armor hereby disclaim and make no express or implied warranties or representations of any kind with respect to the ballistic helmet including, without limitation, its condition, design, quality, capacity, merchantability fitness for any particular purpose, compliance with the requirements of any law, order, rule, regulation, specification, patent, or contract. Point Blank Body Armor shall not be liable for any defect, either latent or patent in the ballistic helmet and shall have no obligation or liability in negligence, strict liability, or other tort.
 5. The warranted items herein are expressly in lieu of other warranties, express or implied, including the implied warranties of merchantability, fitness for particular purpose and other warranties arising from a course of dealing, usage or trade. There are no warranties, express or implied, including the implied warranty of merchantability, which extend beyond the description on the face hereof. There are no warranties, express or implied, that extend beyond the warranty period set forth herein.

Title: Used Ballistic Vest/Component Recycle Program

1.0 Purpose:

- 1.1 This procedure describes the processes for the management and execution of a Used Ballistic Vest Recycle Program for Point Blank Enterprises Incorporated. The company or the entity that owns the vests are responsible for the freight to return the vest panels. Point Blank will dispose of the ballistic panels free of charge. NO HARD PLATES ARE ACCEPTED.

2.0 Responsibilities

- 2.1 The Quality Department is overall responsible for this program.
- 2.2 Customer Service is responsible for the daily operation and management of the Used Ballistic Vest Recycle Program. Customer Service is responsible for receiving and processing the customer's request for this service within five days.
- 2.3 The Warehouse Manager is responsible for receiving, inventorying, marking boxes, and insuring secure and segregated storage of recycled ballistic vest.
- 2.4 The Quality Receiving Inspector is responsible for the inspection and verification of all incoming vests and components.
- 2.5 Quality Assurance is responsible to ensure the vests get disposed and that the proper paperwork is assembled.

3.0 Definitions

- 3.1 For the purpose of the Used Ballistic Vest/Component Recycle Program, used ballistic vests are defined as follows:
 - 3.1.1 Outdated Ballistic Vests/Components: Ballistic vests having panels that have passed their warranty period of 5 years.
 - 3.1.2 Damaged Ballistic Vests/Components: Ballistic vests having ballistic panels whose ballistic protection has been compromised by bullet or fragment strikes, tears, cuts, holes in heat sealed ballistic covers, or exposure to harmful chemicals.
 - 3.1.3 Request and Record of Ballistic Vest/Component Disposal: Form 801061 is provided to and initiated by customers when they have ballistic vests to recycle. This form contains all information required for a permanent record of every ballistic panel's disposition by serial number. The form may be used for a single vest/component or large numbers of products.

4.0 Associated Resource Needs

- 4.1 Secure Storage Area
 - 4.1.1 Supervision and manpower
 - 4.1.2 Documentation system

Procedure # 800050
Procedure Title: Used Ballistic Vest /Component Recycle Program

5.0 Instructions

- 5.1 **Requests from Customers:** Disposal Requests to recycle ballistic vests are received to PBEI by e-mail through Customer Service or by telephone. A simple email will be returned or telephone approval will be sufficient to approve the return.
- 5.2 **Packing Slip Information:** The heading information, types of vest/components, and serial numbers of front and back panels are recorded on Form 801060 & 801061. This information is only needed to accompany the shipment for disposal. The carrier and ballistic can be sent for disposal.
- 5.3 **Shipping Instructions:** Shipping is at the cost of the shipper and is the choice of the shipper.
- 5.4 **Packaging:** Vests will be packed in cardboard containers that are sturdy enough to withstand normal handling by a commercial carrier and weigh no more than 50 pounds each.
- 5.5 **Disposal:** Once ready, the Vests/Components are taken to the cutting section and disposed of properly. There is no cost to the shipper for the actual disposal of the vests.
- 5.6 **Records:** PBE will keep a record on file of the disposal. A copy can be requested.

INSTRUCTIONS FOR MARKET BASKET ITEMS:

1. Offeror must provide information for at least one of the Market Basket Product Categories
2. Offeror must fill in Column C, D, E, I and J for all Market Basket Product Categories they are providing information for.
3. Offeror should submit lowest customer price point for the Market Basket Product Category
4. Offeror cannot submit pricing or information for Product Categories not listed in the Market Basket
5. Offeror must submit ALL required information.

INSTRUCTIONS FOR NON-MARKET BASKET ITEMS

1. Offeror is not required to provide information for any of the Non-Market Basket Items
2. Offeror can provide information for any or all of the Non-Market Basket Items
3. Offeror must fill out Column K, which indicates what the minimum discount % from MSRP is that they will provide for that Product. Note: If a larger discount is offered for a Ballistic K-9 Vest, than it is for a Stab K-9 Vest, then Offeror should list what the discount is for the Stab Vest. This principal needs to apply to all Product Categories listed in the Non-Market Basket
4. Offeror cannot submit pricing or information for Product Categories not listed in the Non-Market Basket Items.
5. If Offeror does not provide any information in Column K, then they will not be able to provide that Product Category on their Contract, should they be offered an Award
6. Column K can state "0%" if no discount is offered for that Product Category
