19. DEFAULT BY PURCHASER.

Purchaser shall be in default under this Agreement only upon the occurrence of one of the following events:

(a) in the event that the Purchaser fails to file by the Application Date with the City or any other governmental entity, for the Governmental Approvals necessary for the development and construction of the Project.

(b) in the event the Purchaser fails to obtain all necessary Governmental Approvals and permits by the Permit Date due solely to the Purchaser's failure to timely apply for such approvals and permits and to comply with the reasonable requirements of the City for the issuance of same. For the purpose of clarification, the Purchaser shall not be deemed to be in default under this subsection in the event that the City fails to issue the Governmental Approvals and permits by the Permit Date through no fault of the Purchaser.

(c) In the event the Purchaser fails to close the purchase of the Property by the Closing Date, provided that the Seller and the City are not then in default under this Agreement.

(d) In the event that Purchaser shall fail to comply with either of the foregoing events of default, Purchaser shall have a period of thirty (30) days following its receipt from Seller of written notice of such default within which to cure the default. If Purchaser fails to cure such default within the thirty (30) day period, this Agreement shall become null and void, and neither party shall have any claims of any nature or description against the other party, and Seller's sole and exclusive remedy shall be the retention of the Earnest Money, as liquidated and agreed upon damages, and in lieu of any other claims whatsoever.

20. DEFAULT BY SELLER.

If the Seller shall fail or refuse to consummate the transaction in accordance with the terms and provisions of this Agreement, or shall otherwise fail to perform its obligations under this Agreement, Purchaser shall have the right to receive a refund of the Earnest Money, or, in the alternative, Purchaser shall have right of specific performance in addition to all other equitable remedies.

21. RELOCATION OF TENANT.

The Purchaser shall assist the Seller with the relocation of the Tenant from the Property to an offsite location, and Purchaser shall pay an amount not to exceed \$50,000 in tenant improvement costs for the operation of the Tenant in the new location. During the period of relocation, the Tenant shall pay to the Purchaser rent on the relocated space of \$20 per square foot. Upon the construction of new retail space in the Project, the Purchaser shall permit the Tenant to lease 800 square feet of space for the operation of a barber shop (and shall also permit Pedro Zephirin, at his option, to lease 800 square feet of retail space for the operation of an

accounting firm) at a rental rate of \$24 per square foot, which amount shall increase over the following five year period to the then current market rate. Provided, however, that if either the Tenant or Pedro Zephirin assigns its lease, or subleases any portion of its leased premises, during the initial five year term, the rent shall immediately increase to the then market rental rate. In addition, the Purchaser shall permit a third local tenant to lease a minimum of 800 square feet for the operation of a retail business or restaurant in the Project, at a rental rate to be negotiated between the Purchaser and the tenant.

Except as set forth immediately above in this section, the Seller shall deliver possession of the Property to the Purchaser free of any tenancies or other parties in possession, and the relocation of any other tenants from the Property shall be the sole responsibility of the Seller.

22. NO BROKER.

a) Seller represents that it has not listed the Property for sale or otherwise entered into any agreement for the payment of a real estate brokerage commission regarding the sale of the Property with any broker or any other person entitled to be paid a brokerage commission in accordance with Florida law.

b) Purchaser represents that it has not employed, or otherwise used, any broker or any other person entitled to be paid a brokerage commission in accordance with Florida law in conjunction with Purchaser's interest in purchasing the Property.

23. COOPERATION.

Seller shall cooperate with Purchaser, its agents and professional advisors, in connection with all aspects of the development of the Project. Without limiting the nature of this cooperation, the Seller shall coordinate with the City to ensure that all Governmental Approvals previously issued by the City to Equity Delray are promptly transferred to the Purchaser upon the Purchaser's request, including, without limitation, all demolition permits, site development permits, utility permits, landscaping, mechanical, plumbing, electrical, and all necessary permits, authorizations and approvals to commence immediate improvements for the Project, and any necessary utility access agreements, and shall sign any application made by Purchaser that is required in order to obtain such permits and approvals and utility access agreements, and the Seller shall provide Purchaser with any information and/or documentation not otherwise reasonably available to Purchaser (if available to Seller) which is necessary to procure such permits and approvals and utility access agreements. During the term of this Agreement, Purchaser agrees to provide Seller with updates as to the status of the Project on a quarter-annual basis.

Seller and the City shall also cooperate, as requested by Purchaser, with regard to the Purchaser's funding for the development of the Project, including, without limitation, the subsidizing by Seller or the City of the commercial areas of the Project for the purpose of providing space to local startup and small businesses. This Section 23 shall survive the Closing.

26. EFFECTIVE DATE.

This Agreement shall be deemed effective as of the Effective Date.

27. GOVERNING LAW.

This Agreement shall be governed by the laws of the State of Florida.

28. ENTIRE AGREEMENT.

All prior understandings and agreements between Seller and Purchaser are merged in this Agreement. This Agreement completely expresses their full agreement.

29. NO ORAL CHANGE.

This Agreement may not be changed or amended orally, but only by written instrument executed by all Parties.

32. RADON GAS.

Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county health unit.

33. ATTORNEYS' FEES.

If for any reason a party initiates any legal or equitable action to secure, protect or enforce its rights under this Agreement, the prevailing party shall be entitled to recover from the non-prevailing party all reasonable costs and expenses incurred by it, including, without limitation, reasonable arbitration, paralegals', attorneys' and experts' fees and expenses, whether incurred without the commencement of a suit, in any suit, arbitration, or administrative proceeding, or in any appellate or bankruptcy proceeding.

34. ESCROW AGENT.

In the event that conflicting demands for the Earnest Money are received by the Escrow Agent, or the Escrow Agent has a good faith doubt as to the entitlement to the Earnest Money, the Escrow Agent may take such action with regard to the Earnest Money as the Escrow Agent deems advisable. If in doubt as to its duties or liabilities under this Agreement, the Escrow Agent may, at its option, continue to hold the Earnest Money until the Parties agree to its disbursements or until a final judgment of a court of competent jurisdiction shall determine the rights of the Parties, or the Escrow Agent may deposit the Earnest Money with the Clerk of the Palm Beach County Circuit Court. An attorney who represents a Party and also acts as Escrow

Agent, may represent such Party in such action. Upon notifying all Parties concerned of such action, all liability on the part of the Escrow Agent shall fully terminate, except to the extent of accounting for any monies delivered out of escrow. In any proceeding between or among Seller, Purchaser, and the City wherein the Escrow Agent is made a party because of acting as the Escrow Agent hereunder, or any proceeding where the Escrow Agent interpleads the Earnest Money, the Escrow Agent shall recover reasonable attorney's fees and costs incurred, and the Parties shall be jointly and severally liable for the payment of such attorney's fees and costs. The Escrow Agent shall not be liable to any party or person for misdelivery of the Earnest Money, unless such misdelivery is due to the agent's willful breach of this Agreement or the Escrow Agent's gross negligence. This section shall survive the Closing or the termination of this Agreement.
