Resume

Resume

ROBERT PE RESUME 6-2017.pdf

## **ROBERT M. COHEN, P.E.**

### **PROFESSIONAL SUMMARY:**

Over 48 years of engineering, engineering management, and consultant experience in mechanical and electrical systems design, development, research, construction, testing, operations, and maintenance. Over 38 years of experience as project manager or senior and chief engineer on mechanical, plumbing, and electrical systems design and consulting. Experienced with the development and use of computer-aided design tools for engineering applications and with the use of computer-aided design and drafting.

### **EDUCATION:**

M.S.E. in Naval Architecture and Marine Engineering, Univ. of Michigan, 1967

B.S.E. in Naval Architecture and Marine Engineering, Univ. of Michigan, 1966

Bettis Reactor Engineering School, Bettis Atomic Power Laboratory, Pittsburgh, Pennsylvania, 1969

### **EMPLOYMENT HISTORY:**

**1976 to Present: President and Chief Engineer** of Solar Energy Design, Inc. a Virginia corporation providing professional engineering services for consultation and design in the areas of mechanical (HVAC), plumbing, fire protection, electrical service and distribution, lighting, and control and alarm systems for buildings for commercial and government projects including commercial, residential and industrial space and including spaces designed to be used as SCIFs. As Chief Engineer, responsible for all technical aspects of work issued by the Corporation. Oversee all designs and drawings prepared by the Corporation. Responsible for the establishment and maintenance of the Corporation's computer aided design and drafting capability. Experienced with the use of computer-aided design and drafting (CADD) systems AutoCAD®, Generic® CADD, Visual CADD and DataCad. Responsible for all aspects of the Corporation's activities.

- Performance of mechanical, plumbing, and electrical systems consultation and design for buildings, both new construction and renovation.
- Performance of mechanical, plumbing, and electrical systems inspections and preparation of evaluation reports and capital costing studies for due diligence.
- Performance of third-party reviews of mechanical, plumbing, and electrical systems design drawings for due diligence.
- Performance of Code compliance reviews of mechanical, plumbing, and electrical systems drawings under the Fairfax County Expedited Plan Review program.

**1967 to 1983: Nuclear Power Engineer**, US Navy, Naval Sea Systems Command and US Department of Energy, Division of Naval Reactors. Junior and senior engineer responsible for a variety of work in engineering and engineering management of research, development, design, construction, testing, and operation of propulsion plants in nuclear

Robert M. Cohen, P.E.

powered Naval ships, primarily guided missile cruisers of the CGN 36 (CALIFORNIA) and CGN 38 (VIRGINIA) Classes. Involved in the detailed technical review and preparation of calculations, drawings, specifications, test procedures, operating procedures, manufacturing process specifications, and administrative procedures. . This experience included the preparation and review of detailed preventive maintenance procedures and schedules for the nuclear propulsion plants in accordance with DOD and Navy nuclear requirements. I developed and approved both detailed step by step maintenance procedures as well as the scheduling methodology that is used to ensure the completion of the maintenance on daily, weekly, monthly, and longer terms. Last position held was at GS-15 level.

**1964 to 1967:**     **Research and Instructional Assistant** in the Departments of Naval Architecture and Marine Engineering and Engineering Mechanics, College of Engineering, University of Michigan.

**PROFESSIONAL LICENSES, CERTIFICATES, AND MEMBERSHIPS:**

Currently a Registered Professional Engineer in Virginia, Maryland, Florida, and the District of Columbia

Retired Registered Professional Engineer in Pennsylvania, New Jersey, and Delaware

ICC Certified Plans Examiner for Plumbing, Mechanical, and Electrical disciplines

Virginia State Board of Housing and Community Development Certificates for:

- Plumbing Plans Examiner
- Mechanical Plans Examiner
- Electrical Plans Examiner
- Plumbing Inspector General
- Mechanical Inspector General
- Electrical Inspector General

Fairfax County, Virginia, Expedited Building Plan Review Program Designated Peer Reviewer for Plumbing, Mechanical, and Electrical disciplines

Life Member, ASHRAE (American Society of Heating, Refrigeration, and Air-Conditioning Engineers)

Member, ICC (International Code Council)

**OPEN LITERATURE PUBLICATIONS:**

Description of the Design, Construction, and Operation of Four Residential Solar Space Heating Systems, ASHRAE Transactions, 1985, Vol. 91, Part 2.

CITY CLERK

Application Element	Comments
<b>Advisory Board Questionnaire</b>	
How long have you lived in the city? (Where applicable)	Less than a year
How does your education or experience complement the powers and duties of the board/commission?	Having a background in International Business, Architecture, and environmental design, allows me to have the advantage of seeing things from many angles, i believe i have the ability to work well with developers to create amazing architecture but being away of the cost factor and the responsibility to our environment
Have you served on board(s) previously?. If so, what were your contribution(s) to the board(s)?	Served on the redevelopment board for the city of Toledo as an urban planner intern. With this position, i designed the new master plan for the city of Toledo, Ohio
What direction would you like to see this board/commission go?. What suggestions do you have?	I firmly believe that the board needs to have younger professionals in their community, to start pushing for more environmentally sustainable buildings as well as more modern and attractive buildings. as a bored, i think they are doing their best to advance the city, but more needs to be done, to create a more dynamic and architecturally appealing city for both the older generation but for the younger generation as well
Have you ever attended a meeting of this board/commission?	not for the city of Delray, but yes for the city of Boca Raton
Are you aware of the City's adopted vision and goals for the future?. If so, what is your opinion of the vision and goals?	I have read the 2020 vision, and though most of it sounds amazing i believe a stronger push on the community has to be made for the vision to be achieved
Why are you interested in this board?	I believe that as a young designer its very important to serve the interest of the community, to understand what they want for the growth of the city, but also give input on the side of the young population who are wanting a dramatic growth, i believe i can find a balance for these two communities
<b>Board Member Application</b>

# City Clerk Board Application

RECEIVED

MAY 15 2017

CITY CLERK

Application Element	Comments
<b>Advisory Board Questionnaire</b>	
How long have you lived in the city? (Where applicable)	December 2014 to Present. I plan to live in Delray Beach for the foreseeable future, as I am currently under contract to purchase a home in Delray Beach with a closing date of May 31, 2017.
How does your education or experience complement the powers and duties of the board/commission?	I am general counsel for countless condominium associations and homeowners associations in the South Florida area. As a result, my day-to-day job and responsibilities involve working with various Boards of Directors of such community associations and helping them navigate any and all issues and problems that may come up. While City Commission Boards may be slightly different from community association Boards, both types of Boards function in a "governmental" role in order to bring value and benefit to their respective constituents. I am very familiar with what it takes to operate and be a part of a successful Board and Committee.
Have you served on board(s) previously?. If so, what were your contribution(s) to the board(s)?	I have not yet had the pleasure of serving on any City Boards. However, with my professional experience, I look forward to hitting the ground running with my service on a Board for Delray Beach.
What direction would you like to see this board/commission go?. What suggestions do you have?	With each passing month and year, Delray Beach continues to become a more a unified community with a vibrant life of its own that offers quality family living and educational opportunities for all. I would not want to see Delray go in any direction other than to improve in these already accomplished areas.
Have you ever attended a meeting of this board/commission?	Not applicable.
Are you aware of the City's adopted vision and goals for the future?. If so, what is your opinion of the vision and goals?	As with any municipality, the goal for Delray Beach is to enhance the quality of life for all that choose to enjoy the confines of Delray Beach. This vision, of course, is why I would be honored to serve for the City of Delray Beach.
Why are you interested in this board?	As a dedicated citizen and soon-to-be property owner of Delray Beach, I have a vested interest in ensuring that our City continues to be an admired and desirable place to live, work and vacation. But even more than that, I am excited to help make Delray Beach a place that my children are proud to call their home.
