AMERICAN TO COMMUNICACION POR CANADA CONTRACTOR CONTRAC	Application Element	Comments
Advisory Board	Questionnaire	· · · · · · · · · · · · · · · · · · ·
	How long have you lived in the city? (Where applicable)	December 2014 to Present. I plan to live in Delray Beach for the foreseeable future, as I am currently under contract to purchase a home in Delray Beach with a closing date of May 31, 2017.
	How does your education or experience complement the powers and duties of the board/commission?	I am general counsel for countless condominium associations and homeowners associations in the South Florida area. As a result, my day-to-day job and responsibilities involve working with various Boards of Directors of such community associations and helping them navigate any and all issues and problems that may come up. While City Commission Boards may be slightly different from community association Boards, both types of Boards function in a "governmental" role in order to bring value and benefit to their respective constituents. I am very familiar with what it takes to operate and be a part of a successful Board and Committee.
	Have you served on board(s) previously?. If so, what were your contribution(s) to the board(s)?	I have not yet had the pleasure of serving on any City Boards. However, with my professional experience, I look forward to hitting the ground running with my service on a Board for Delray Beach.
	What direction would you like to see this board/commission go?. What suggestions do you have?	With each passing month and year, Delray Beach continues to become a more a unified community with a vibrant life of its own that offers quality family living and educational opportunities for all. I would not want to see Delray go in any direction other than to improve in these already accomplished areas.
	Have you ever attended a meeting of this board/commission?	Not applicable.
	Are you aware of the City's adopted vision and goals for the future?. If so, what is your opinion of the vision and goals?	As with any municipality, the goal for Delray Beach is to enhance the quality of life for all that choose to enjoy the confines of Delray Beach. This vision, of course, is why I would be honored to serve for the City of Delray Beach.
	Why are you interested in this board?	As a dedicated citizen and soon-to-be property owner of Delray Beach, I have a vested interest in ensuring that our City continues to be an admired and desirable place to live, work and vacation. But even more than that, I am excited to help make Delray Beach a place that my children are proud to call their home.
