TASER Assurance Plan Appendix

The TASER Assurance Plan or "TAP" has been purchased as part of the Quote attached to this Agreement. TAP provides hardware extended warranty coverage, Spare Products, and Upgrade Models at the end of the TAP Term. TAP only applies to the TASER Product listed in the Quote with the exception of any initial hardware or any software services offered for, by, or through the Evidence.com website. The Agency may not buy more than one TAP for any one covered Product.

- 1 **TAP Warranty Coverage.** TAP includes the extended warranty coverage described in the current hardware warranty. TAP warranty coverage starts at the beginning of the TAP Term and continues as long as the Agency continues to pay the required annual fees for TAP. The Agency may not have both an optional extended warranty and TAP on the Axon camera/Dock product. TAP for the Axon camera products also includes free replacement of the Axon flex controller battery and Axon body battery during the TAP Term for any failure that is not specifically excluded from the Hardware Warranty.
- 2 **TAP Term.** TAP Term start date is based upon the shipment date of the hardware covered under TAP. If the shipment of the hardware occurred in the first half of the month, then the Term starts on the 1st of the following month. If the shipment of the hardware occurred in the second half of the month, then the Term starts on the 15th of the following month. The TAP Term will end 5 years from the TAP Term start date.
- 3 **SPARE Product.** TASER will provide a predetermined number of spare Products for those hardware items and accessories listed in the Quote (collectively the "Spare Products") to keep at the Agency location to replace broken or non-functioning units in order to improve the availability of the units to officers in the field. The Agency must return to TASER, through TASER's RMA process, any broken or non-functioning units for which a Spare Product is utilized, and TASER will repair or replace the non-functioning unit with a replacement product. TASER warrants it will repair or replace the unit which fails to function for any reason not excluded by the TAP warranty coverage, during the TAP Term with the same product or a like product, at TASER's sole option. The Agency may not buy a new TAP for the replacement product or the Spare Product.
 - 3.1. Within 30 days of the end of the TAP Term the Agency must return to TASER all Spare Products. The Agency will be invoiced for and are obligated to pay to TASER the MSRP then in effect for all Spare Products not returned to TASER. If all the Spare Products are returned to TASER, then TASER will refresh the allotted number of Spare Products with Upgrade Models if the Agency purchases a new TAP for the Upgrade Models.
- 4 **TAP Officer Safety Plan (OSP).** The Officer Safety Plan includes the benefits of the Evidence.com Unlimited License (which includes unlimited data storage for Axon camera and Evidence Mobile generated data in the Evidence.com Services and TAP for the Axon Camera), TAP for Evidence.com Dock, one TASER brand CEW with a 4-year Warranty, one CEW battery, and one CEW holster. At any time during the OSP term the Agency may choose to receive the CEW, battery and holster by providing a \$0 purchase order. At the time elected to receive the CEW, the Agency may choose from any current CEW model offered. The OSP plan must be purchased for a period of 5 years. If the OSP is terminated

before the end of the term and the Agency did not receive a CEW, battery or holster, then we will have no obligation to reimburse for those items not received. If OSP is terminated before the end of the term and the Agency received a CEW, battery and/or holster then (a) the Agency will be invoiced for the remainder of the MSRP for the Products received and not already paid as part of the OSP before the termination date; or (b) only in the case of termination for non-appropriations, return the CEW, battery and holster to TASER within 30 days of the date of termination.

- 5** **TAP Upgrade Models.** Upgrade Models are to be provided as follows during and/or after the TAP Term: (i) an upgrade will provided in year 3 if the Agency purchased 3 years of Evidence.com services with Ultimate Licenses or Unlimited Licenses and all TAP payments are made; or (ii) 2.5 years after the Effective Date and once again 5 years after the Effective Date if the Agency purchased 5 years of Evidence.com services with an Ultimate License or Unlimited Licenses or OSP and made all TAP payments.

For CEW Upgrade Models TASER will upgrade Products, free of charge, with a new unit that is the same product or a like product, in the same weapon class ("Upgrade Model"). For example: (a) if the Product is a single bay CEW, then Agency may choose any single bay CEW model as the Agency's Upgrade Model; (b) if the Product is a multibay CEW, then Agency may choose any multi-bay CEW model as the Upgrade Model; and (c) if the Covered Product is a TASER CAM recorder, then the Agency may choose any TASER CAM model as an Upgrade Model. To continue TAP coverage for the Upgrade Model, the Agency must elect TAP and will be invoiced for the first year payment at the time the upgrade is processed. The TAP payment amount will be the rate then in effect for TAP. Agency may elect to receive the Upgrade Model anytime in the 5th year of the TAP term as long as the final payment has been made.

Any products replaced within the six months prior to the scheduled upgrade will be deemed the Upgrade Model. Thirty days after the Upgrade Models are received, the Agency must return the products to TASER or TASER will deactivate the serial numbers for the products received unless the Agency purchases additional Evidence.com licenses for the Axon camera products the Agency is keeping. The Agency may buy a new TAP for any Upgraded Model.

TASER makes no guarantee that the Upgrade Model will utilize the same accessories or Dock. If the Agency would like to change product models for the Upgrade Model, then the Agency must pay the price difference in effect at the time of the upgrade between the MSRP for the offered Upgrade Model and the MSRP for the model that will be acquired. No refund will be provided if the MSRP of the new model is less than the MSRP of the offered Upgrade Model.
- 5.1.2.** If the Agency purchased Unlimited License or OSP, then TASER will upgrade the Axon camera (and controller if applicable), free of charge, with a new on-officer video camera of the Agency's choice.

No refund will be provided if the MSRP of the new model is less than the MSRP of the offered Upgrade Model.

- 6** **TAP Termination.** If an invoice for TAP is more than 30 days past due or the Agency defaults on its payments for the Evidence.com services then TASER may terminate TAP and all outstanding Product related TAPs. TASER will provide notification that TAP coverage is terminated. Once TAP coverage is terminated for any reason, then:
- 6.1.** TAP coverage will terminate as of the date of termination and no refunds will be given.
 - 6.2.** TASER will not and has no obligation to provide the free Upgrade Models.
 - 6.3.** The Agency will be invoiced for and are obligated to pay to TASER the MSRP then in effect for all Spare Products provided under TAP. If the Spare Products are returned within 30 days of the Spare Product invoice date, credit will be issued and applied against the Spare Product invoice.

 - 6.5.** If the Agency received Axon Products free of charge and TAP is terminated before the end of the term then (a) the Agency will be invoiced for the remainder of the MSRP for the Products received and not already paid as part of the TAP before the termination date; or (b) only in the case of termination for non-appropriations, return the Products to TASER within 30 days of the date of termination.
 - 6.6.** If the Agency made two or more annual TAP payments, then the Agency will: retain the extended warranty coverage; receive a 50% credit for the difference between TAP payments paid prior to termination and the extended warranty price then in effect for each CEW covered under TAP; and have until the date listed on the termination notification to apply that credit toward the purchase of any TASER products. The credit amount available and expiration date of the credit will be provided as part of the termination notification.
 - 6.7.** If the Agency made only one annual TAP payment, then the Agency may elect to pay the difference between the price for the extended warranty then in effect and the payments made under TAP to continue extended warranty coverage. This election must be made when written notice of cancellation is submitted by the Agency. If the Agency does not elect to continue with an extended warranty, then warranty coverage will terminate as of the date of cancellation/termination.
 - 6.8.** If the Agency received a credit towards the first TAP payment as part of a trade-in promotion,

then upon cancellation/termination the Agency will be assessed a \$100 cancellation fee for each covered Product.
