**CITY RESPONSES TO QUESTIONS POSED BY PROSPECTIVE PROPOSERS ARE PROVIDED BELOW. THIS ADDENDUM NO. 3 IS HEREBY INCORPORATED IN AND MADE A PART OF THE SOLICITATION.**

### **QUESTIONS AND RESPONSES:**

**Q1. What internet access infrastructure (if any) is currently available in the garage?**

R1. Old School Square parking garage does not currently have any internet access infrastructure.

**Q2. Does the City have any signage specifications?**

R2. No, no signage specifications are designated. The City is requesting that each Proposer proposes signage solutions that will best suit the City's needs and desires.

**Q3. Is the City requesting any specific technology for the roof top?**

R3. No, the City is not requesting any specific technology for the roof top.

**Q4. What data does the City want to collect?**

R4. The City is primarily looking to find the peak parking times, as well as the length of stay.

**Q5. Does the City have any plans to integrate this solution with other parking garages?**

R5. While the City has no plans to outfit other parking garages with such technology at this time, implementing this solution is the first step in reaching the City's overall goal of becoming a smart City.

**Q6. Are there any points provided to a WBE Proposer?**

R6. No specific points will be given for a WBE Proposer. However, the Evaluation Committee members have the right to award points as they so choose.

**Q7. How does the City wish a Proposer proposes any add alternate items?**

R7. Add alternate items should be listed in the Proposer's Fee Proposal section as "optional," with clear notation of where in the proposal to find details of the add-alternate option(s).
