| Requirement | Provided |
| Section 163.3177, Subsection (6)(a)3.d: Encourage the location of schools proximate to urban residential areas to the extent possible. | Objective EDU 5.2 |
| Section 163.31777, Subsection (1): The county and municipalities located within the geographic area of a school district shall enter into an interlocal agreement with the district school board which jointly establishes the specific ways in which the plans and processes of the district school board and the local governments are to be coordinated. Local governments and the district school board in each school district are encouraged to adopt a single interlocal agreement to which all join as parties. | Goal EDU 5 |
| Section 163.31777, Subsection (2)(a): The interlocal agreement must address a process by which each local government and the district school board agree and base their plans on consistent projections of the amount, type, and distribution of population growth and student enrollment. The geographic distribution of jurisdiction-wide growth forecasts is a major objective of the process. | Goal EDU 5 Policy EDU 5.2.1 |
| Section 163.31777, Subsection (2)(b): The interlocal agreement must address a process to coordinate and share information relating to existing and planned public school facilities, including school renovations and closures, and local government plans for development and redevelopment. | Goal EDU 5 Policy EDU 5.2.1 Policy EDU 5.2.2 |
| Section 163.31777, Subsection (2)(c): Participation by affected local governments with the district school board in the process of evaluating potential school closures, significant renovations to existing schools, and new school site selection before land acquisition. Local governments shall advise the district school board as to the consistency of the proposed closure, renovation, or new site with the local comprehensive plan, including appropriate circumstances and criteria under which a district school board may request an amendment to the comprehensive plan for school siting. | Goal EDU 5 Objective EDU 5.1 |
| Section 163.31777, Subsection (2)(d): A process for determining the need for and timing of onsite and offsite improvements to support new, proposed expansion, or redevelopment of existing schools. The process must address identification of the party or parties responsible for the improvements. | Goal EDU 5 Policy EDU 5.1.1 Policy EDU 5.2.3 |
