1. The following is added to **SECTION II – WHO IS AN INSURED**:

Any organization, other than a partnership or joint venture, over which you maintain ownership or majority interest on the effective date of the policy qualifies as a Named Insured. However, coverage for any such organization will cease as of the date during the policy period that you no longer maintain ownership of, or majority interest in, such organization.

2. The following replaces Paragraph 4.a. of **SECTION II – WHO IS AN INSURED**:

- a. Coverage under this provision is afforded only until the 180th day after you acquire or form the organization or the end of the policy period, whichever is earlier, unless reported in writing to us within 180 days.

B. BLANKET ADDITIONAL INSURED – BROAD FORM VENDORS

The following is added to **SECTION II – WHO IS AN INSURED**:

Any person or organization that is a vendor and that you have agreed in a written contract or agreement to include as an additional insured on this Coverage Part is an insured, but only with respect to liability for "bodily injury" or "property damage" that:

- a. Is caused by an "occurrence" that takes place after you have signed and executed that contract or agreement; and
- b. Arises out of "your products" which are distributed or sold in the regular course of such vendor's business.

The insurance provided to such vendor is subject to the following provisions:

- b. The insurance provided to such vendor does not apply to:
 - (1) "Bodily injury" or "property damage" for which the vendor is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages that the vendor would have in the absence of the contract or agreement;
 - (2) Any express warranty unauthorized by you;
 - (3) Any physical or chemical change in "your products" made intentionally by such vendor;
 - (4) Repackaging, unless unpacked solely for the purpose of inspection, demonstration, testing, or the substitution of parts under instructions from the manufacturer, and then repackaged in the original container;
 - (5) Any failure to make such inspections, adjustments, tests or servicing as vendors agree to perform or normally undertake to perform in the regular course of business, in connection with the distribution or sale of "your products";
 - (6) Demonstration, installation, servicing or repair operations, except such operations performed at such vendor's premises in connection with the sale of "your products"; or
 - (7) "Your products" which, after distribution or sale by you, have been labeled or relabeled or used as a container, part or ingredient of any other thing or substance by or for such vendor.

Coverage under this provision does not apply to:

The Damage To Premises Rented To You Limit will apply to all damage proximately caused by the same "occurrence", whether such damage results from fire; explosion; lightning; smoke resulting from such fire, explosion, or lightning; water; or any combination of any of these.

Sale Of Pharmaceuticals

The following is added to Paragraph 2., **Duties In The Event of Occurrence, Offense, Claim or Suit, of SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS:**

e. The following provisions apply to Paragraph a. above, but only for the purposes of the insurance provided under this Coverage Part to you or any insured listed in Paragraph 1. or 2. of Section II – Who Is An Insured:

(1) Notice to us of such "occurrence" or offense must be given as soon as practicable only after the "occurrence" or offense is known to you (If you are an individual), any of your partners or members who is an individual (if you are a partnership or joint venture), any of your managers who is an individual (if you are a limited liability company), any of your trustees who is an individual (if you are a trust), any of your "executive officers" or directors (if you are an organization other than a partnership, joint venture, limited liability company or trust) or any "employee" authorized by you to give notice of an "occurrence" or offense.

(2) If you are a partnership, joint venture, limited liability company or trust, and none of your partners, joint venture members, managers or trustees are individuals, notice to us of such "occurrence" or offense must be given as soon as practicable only after the "occurrence" or offense is known by:

(3) Notice to us of such "occurrence" or offense will be deemed to be given as soon as practicable if it is given in good faith as soon as practicable to your workers' compensation insurer. ers that the "occurrence" or offense may result in sums to which the insurance provided under this Coverage Part may apply.

However, if this policy includes an endorsement that provides limited coverage for "bodily injury" or "property damage" or pollution costs arising out of a discharge, release or escape of "pollutants" which contains a requirement that the discharge, release or escape of "pollutants" must be reported to us within a specific number of days after its abrupt commencement, this Paragraph e. does not affect that requirement.

P. UNINTENTIONAL OMISSION

The following is added to Paragraph 6., Representations, of SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS:

The unintentional omission of, or unintentional error in, any information provided by you which we relied upon in issuing this policy will not prejudice

your rights under this insurance. However, this provision does not affect our right to collect additional premium or to exercise our rights of cancellation or nonrenewal in accordance with applicable insurance laws or regulations.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY

BLANKET ADDITIONAL INSURED (CONTRACTORS)

This endorsement modifies insurance provided under the following:
COMMERCIAL GENERAL LIABILITY COVERAGE PART

1. WHO IS AN INSURED – (Section II) is amended to include any person or organization that you agree in a "written contract requiring insurance" to include as an additional insured on this Coverage Part, but:
 - a) Only with respect to liability for "bodily injury", "property damage" or "personal injury"; and
 - b) If, and only to the extent that, the injury or damage is caused by acts or omissions of you or your subcontractor in the performance of "your work" to which the "written contract requiring insurance" applies. The person or organization does not qualify as an additional insured with respect to the independent acts or omissions of such person or organization.
2. The insurance provided to the additional insured by this endorsement is limited as follows:
 - a) In the event that the Limits of Insurance of this Coverage Part shown in the Declarations exceed the limits of liability required by the "written contract requiring insurance", the insurance provided to the additional insured shall be limited to the limits of liability required by that "written contract requiring insurance". This endorsement shall not increase the limits of insurance described in Section III – Limits Of Insurance.
 - b) The insurance provided to the additional insured does not apply to "bodily injury", "property damage" or "personal injury" arising out of the rendering of, or failure to render, any professional architectural, engineering or surveying services, including:
 - i. The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders or change orders, or the preparing, approving, or failing to prepare or approve, drawings and specifications; and
 - ii. Supervisory, inspection, architectural or engineering activities.
- c) The insurance provided to the additional insured does not apply to "bodily injury" or "property damage" caused by "your work" and included in the "products-completed operations hazard" unless the "written contract requiring insurance" specifically requires you to provide such coverage for that additional insured, and then the insurance provided to the additional insured applies only to such "bodily injury" or "property damage" that occurs before the end of the period of time for which the "written contract requiring insurance" requires you to provide such coverage or the end of the policy period, whichever is earlier.
3. The insurance provided to the additional insured by this endorsement is excess over any valid and collectible "other insurance", whether primary, excess, contingent or on any other basis, that is available to the additional insured for a loss we cover under this endorsement. However, if the "written contract requiring insurance" specifically requires that this insurance apply on a primary basis or a primary and non-contributory basis, this insurance is primary to "other insurance" available to the additional insured which covers that person or organization as a named insured for such loss, and we will not share with that "other insurance". But the insurance provided to the additional insured by this endorsement still is excess over any valid and collectible "other insurance", whether primary, excess, contingent or on any other basis, that is available to the additional insured when that person or organization is an additional insured under such "other insurance".
4. As a condition of coverage provided to the additional insured by this endorsement:
 - a) The additional insured must give us written notice as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, such notice should include:

COMMERCIAL GENERAL LIABILITY

- i. How, when and where the "occurrence" or offense took place;
 - ii. The names and addresses of any injured persons and witnesses; and
 - iii. The nature and location of any injury or damage arising out of the "occurrence" or offense.
- b) If a claim is made or "suit" is brought against the additional insured, the additional insured must:
- i. Immediately record the specifics of the claim or "suit" and the date received; and
 - ii. Notify us as soon as practicable.
- The additional insured must see to it that we receive written notice of the claim or "suit" as soon as practicable.
- c) The additional insured must immediately send us copies of all legal papers received in connection with the claim or "suit", cooperate with us in the investigation or settlement of the claim or defense against the "suit", and otherwise comply with all policy conditions.
- d) The additional insured must tender the defense and indemnity of any claim or "suit" to

any provider of "other insurance" which would cover the additional insured for a loss we cover under this endorsement. However, this condition does not affect whether the insurance provided to the additional insured by this endorsement is primary to "other insurance" available to the additional insured which covers that person or organization as a named insured as described in paragraph 3. above.

5. The following definition is added to SECTION V. – DEFINITIONS:

"Written contract requiring insurance" means that part of any written contract or agreement under which you are required to include a person or organization as an additional insured on this Coverage Part, provided that the "bodily injury" and "property damage" occurs and the "personal injury" is caused by an offense committed:

- a. After the signing and execution of the contract or agreement by you;
- b. While that part of the contract or agreement is in effect; and
- c. Before the end of the policy period.

OTHER INSURANCE – ADDITIONAL INSURED

COMMERCIAL GENERAL LIABILITY COVERAGE PART

COMMERCIAL GENERAL LIABILITY CONDITIONS
(Section IV), Paragraph 4. (Other Insurance), is
amended as follows:

- However, if you specifically agree in a written contract or written agreement that the insurance provided to an additional insured under this Coverage Part must apply on a primary basis, or a primary and non-contributory basis, this insurance is primary to other insurance that is available to such additional insured which covers such additional insured as a named insured, and we will not share with that other insurance, provided that:

- b. The "personal injury" or "advertising injury" for which coverage is sought arises out of an offense committed**

2. The first Subparagraph (2) of Paragraph b. Ex-
cess Insurance regarding any other primary in-
surance available to you is deleted.

- That is available to the insured when the insured is added as an additional insured under any other policy, including any umbrella or excess policy.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

To Our Valued Customers,

Subject: China Tariff Alert

On June 20, 2018 the U.S. Trade Representative provided notice (83 FR 28710), of an initial action in the Section 301 investigation of the acts, policies, and practices of the Government of China related to technology transfer, intellectual property, and innovation. In light of China's decision to respond to the investigation by imposing duties on U.S. goods, the Trade Representative proposed a modification of the action taken in this investigation. The proposed modification is to maintain the original \$34 billion action and the proposed \$16 billion action, and to take further action in the form of an additional 10 percent ad valorem duty on products of China with an annual trade value of approximately \$200 billion.

On Monday, June 18, 2018, the President issued a statement in response to China's announcement that it was imposing retaliatory tariffs on U.S. goods. The statement "directed the United States Trade Representative to identify \$200 billion worth of Chinese goods for additional tariffs at a rate of 10 percent." After the legal process is complete, these tariffs will go into effect if China refuses to change its practices, and also if it insists on going forward with the new tariffs that it has recently announced.

On July 10, 2018, U.S. Trade Representative (USTR) Robert Lighthizer announced that at President Trump's request, USTR has initiated the process of imposing an additional 10 percent *ad valorem* duty on approximately \$200 billion worth of imports from China.

*Please see Appendix for the full statement, as well as links to the formal publication in the Federal Register of this notice.

Included in USTR Section 301 List 3 are many products that we buy from our vendors and resell to you.

At this point, our vendors are unclear when, and if, these tariffs will be imposed, and if so, at what rate the tariffs will be imposed. We have been told they will not absorb this additional cost and will be forced to pass it on to the market immediately, which in turn, we will be forced to do as well. We expect that you will need to do the same. Here are the steps we will take given the information we have today:

1. Pricing on all products imported from China on open and future quotes will expire 30 days after the bid date.
2. We will continue to competitively quote these products based on our cost. If the tariffs are imposed, however, we will have no choice but to pass these costs on to the market.
3. To be clear, if/when the tariffs are imposed, Fortiline will be forced to price these products based on the cost at the time of shipment.
4. Effective immediately, the following will be included on all quotations to our customers:
**Pricing for some of the products included in this quote may be impacted by USTR Section 301 List 3: the proposed China tariff. In the event that the tariff is implemented, we will be forced to pass it on to the market. The actual price of these items may increase up to the rate of the tariff that is imposed. **

We very much appreciate your continued support and will keep you apprised of this situation as it develops.

Regards,

Mike Swedick
President, Waterworks

APPENDIX:

Statement By U.S. Trade Representative Robert Lighthizer on Section 301 Action
Washington, DC

U.S. Trade Representative Robert Lighthizer today released the following statement regarding action under Section 301 of the Trade Act of 1974:

"On Friday, in response to unfair Chinese practices, the United States began imposing tariffs of 25 percent on approximately \$34 billion worth of Chinese imports. These tariffs will eventually cover up to \$50 billion in Chinese imports as legal processes conclude. The products targeted by the tariffs are those that benefit from China's industrial policy and forced technology transfer practices.

"China has since retaliated against the United States by imposing tariffs on \$34 billion in U.S. exports to China, and threatening tariffs on another \$16 billion. It did this without any international legal basis or justification. "As a result of China's retaliation and failure to change its practices, the President has ordered USTR to begin the process of imposing tariffs of 10 percent on an additional \$200 billion of Chinese imports. This is an appropriate response under the authority of Section 301 to obtain the elimination of China's harmful industrial policies. USTR will proceed with a transparent and comprehensive public notice and comment process prior to the imposition of final tariffs, as we have for previous tariffs.

"On August 14, 2017, President Trump instructed USTR to begin the Section 301 process. For many years, China has pursued abusive trading practices with regard to intellectual property and innovation. USTR conducted a thorough investigation over an 8-month period, including public hearings and submissions. In a detailed 200-page report, USTR found that China has been engaging in industrial policy which has resulted in the transfer and theft of intellectual property and technology to the detriment of our economy and the future of our workers and businesses. "USTR's Section 301 report found that Chinese policies and practices force U.S. innovators to hand over

their technology and know-how as the price of doing business in China. China also uses non-economic means to obtain U.S. technology, such as using state-owned funds and companies to buy up American businesses and imposing burdensome intellectual property licensing requirements in China. USTR's report also found that the Chinese government sponsors the outright theft of U.S. technology for commercial benefit. These practices are an existential threat to America's most critical comparative advantage and the future of our economy: our intellectual property and technology.

"For over a year, the Trump Administration has patiently urged China to stop its unfair practices, open its market, and engage in true market competition. We have been very clear and detailed regarding the specific changes China should undertake. Unfortunately, China has not changed its behavior – behavior that puts the future of the U.S. economy at risk. Rather than address our legitimate concerns, China has begun to retaliate against U.S. products. There is no justification for such action.

"As in the past, the United States is willing to engage in efforts that could lead to a resolution of our concerns about China's unfair trade practices and to China opening its market to U.S. goods and services. In the meantime, we will remain vigilant in defending the ability of our workers and businesses to compete on a fair and reciprocal basis."

The proposed list and process for the public notice and comment period is set out in a Federal Register notice, which will be published within the next few days.
