Evaluator Comments:

Freebee - Strong service and app - already experienced w/ similar projects
Downtowner - Very large fleet of almost double price per hours also provided other approaches that are not what this RFP needs
O-Cartz - No plan of Act, lack of experience in similar settings; not sure about the # of carts.
Round the Town - It is a marketing company w/ lack of driver training, app- and strong approach

Evaluator Signature: _____

Date: 3/4/19

The FreeRide - strong company w/ similar experience in developing stages of their app.
The Nickel Ride - merely a marketing company w/ no price per hr data, or ADA option or training for drivers.
