

Florida Urban Forestry Council

The Florida Urban Forestry Council promotes the value, enhancement and sound management of urban forests through leadership and education.

February 19, 2019

Mr. Mark Cassini
Community Greening
610 SW 15th Avenue, Suite #4
Delray Beach, FL 33444

Dear Mark:

Congratulations! Will Liner, Florida Forest Service, recently nominated **Community Greening** in the category of **Outstanding Tree Advocacy Group** in the **2018 FRIENDS OF OUR URBAN FOREST** Awards Program. It is my pleasure to let you know that Community Greening has been selected as the winner of the award. The awards selection committee felt that the tree advocacy group's efforts stood above all other applicants in exemplifying excellence in Urban Forestry throughout the State of Florida.

It is our wish to present the award to you at a special luncheon being held in conjunction with the Council's 2019 Urban Forestry Institute (UFI) on **Monday, March 4 at 12:00 Noon**.

If that date doesn't work for you, then we invite you to select an event of your choice in your local community. Examples of community events could be a city/county commission meeting, a tree planting event, an Arbor Day celebration, or other special event. Local presentations can be scheduled for any time after mid-March as long as sufficient notice is provided to the Council in order for us to make arrangements for the presentation.

At your convenience, please contact Sandy Temple, FUFU Executive Director, by calling 407-872-1738 or via E-mail at sandy@fufc.org to let her know of your choice for your award presentation. Again, congratulations on your organization's achievement and good luck in all of your efforts to better Florida's urban forest!

Sincerely,

Linda Seufert
