Delray Beach Office of Economic Development

Attn: Joan K. Goodrich

Hello,

As per my contract, I would like to extend my 1 year option for 182 NW 5th Avenue. I apologize for not giving 90 day notice. I was debating the location after the recent crime in the area. We have on some authority some of that has been recently dealt with and wanted to continue in our location.

We have every hope this area will continue to grow and prosper and would like to remain a part of that growth.

Respectfully,

Sabrina R. Amelung
