Delray Beach, FL 33444

Dear Chief Sims:

Congratulations! The Florida Police Chiefs Association (FPCA) has selected Delray Beach Police Department, Sergeant Michael DeBree and Sergeant Brian Griffith for the 2018 Lifesaving Award. The FPCA Awards Committee recognizes the lifesaving act they performed on May 19, 2018.

In an effort to bring recognition closer to the Sergeant's jurisdiction they serve, we would like to present the Lifesaving Award at an upcoming city commission meeting. This will allow city officials the opportunity to hear directly from a FPCA Board Member about the exceptional work accomplished by your Sergeant's.

If you agree to this presentation method, please contact FPCA board member Chief Hal Hutchins who will work with you to schedule the award presentation. You may reach him by email at hhutchins@oceanridgeflorida.com or by phone at (561)732-8331.

Sincerely,

Amy Mercer
