Order Code	Description	Price
101	CREDIT: Pursuant to FSA BoilerPlate sections 2.12, 2.13 regarding factory free-flow options, this vehicle specification includes a line-item MSRP option-discount in the amount listed here for any OEM configurable option available for the corresponding base-vehicle awarded. Client may visit www.chevrolet.com/build-your-own-chevrolet to configure desired vehicle and dealer will produce corresponding FSA contract quote displaying line item discounts, supported by OEM price tables. This discount will be reflected in the aggregate net total for each optional item requested. Manufacturer's order-guide and price lists uploaded to the vendorlink bid site, published at gmfleet.com , or available from Duval Chevrolet.	\$1.00

Options: Duval Ford LLC

Order Code	Description	Price
101	CREDIT: Pursuant to FSA BoilerPlate sections 2.12, 2.13 regarding factory free-flow options, this vehicle specification includes a line-item MSRP option-discount in the amount listed here for any OEM configurable option available for the corresponding base-vehicle awarded. Client may visit fordvehicles.com to configure desired vehicle and dealer will produce corresponding FSA contract quote displaying line item discounts, supported by OEM price tables. This discount will be reflected in the aggregate net total for each optional item requested. Manufacturer's order-guide and price lists uploaded to the vendorlink bid site, published at fleet.ford.com , or available from Duval Ford.	\$1.00

Options: Duval Ford LLC

Order Code	Description	Price
101	CREDIT: Pursuant to FSA BoilerPlate sections 2.12, 2.13 regarding factory free-flow options, this vehicle specification includes a line-item MSRP option-discount in the amount listed here for any OEM configurable option available for the corresponding base-vehicle awarded. Client may visit fordvehicles.com to configure desired vehicle and dealer will produce corresponding FSA contract quote displaying line item discounts, supported by OEM price tables. This discount will be reflected in the aggregate net total for each optional item requested. Manufacturer's order-guide and price lists uploaded to the vendorlink bid site, published at fleet.ford.com , or available from Duval Ford.	\$1.00

Options: Duval Ford LLC

Order Code	Description	Price
101	CREDIT: Pursuant to FSA BoilerPlate sections 2.12, 2.13 regarding factory free-flow options, this vehicle specification includes a line-item MSRP option-discount in the amount listed here for any OEM configurable option available for the corresponding base-vehicle awarded. Client may visit fordvehicles.com to configure desired vehicle and dealer will produce corresponding FSA contract quote displaying line item discounts, supported by OEM price tables. This discount will be reflected in the aggregate net total for each optional item requested. Manufacturer's order-guide and price lists uploaded to the vendorlink bid site, published at fleet.ford.com , or available from Duval Ford.	\$1.00
