- 750ft Radius

STAND ALONE BAR

STAND ALONE BAR. Any licensed premises, including but not limited to, cocktail lounges, bars, nightclubs, dance clubs, piano bars and cigar bars, devoted during any time of operation predominantly or totally to serving alcoholic beverages, intoxicating beverages, or intoxicating liquors, or any combination thereof, for consumption on the licensed premises, in which the serving of food, if any, is merely incidental to the consumption of any such beverage, and the licensed premises is not located within, and does not share any common entryway or common indoor area with, any other enclosed indoor workplace, including any business for which the sale of food or any other product or service is more than an incidental source of gross revenue. A place of business constitutes a stand alone bar in which the service of food is merely incidental in accordance with this definition if the licensed premises derives no more than ten percent (10%) of its gross revenue from the sale of food consumed on the licensed premises. [Amd. Ord. 42-03 11/18/03]

Not more than one standalone bar shall be located within any one block, nor within 750 feet of another standalone bar measured from lot line to lot line in a straight line. [Amd. Ord. 42-03 11/18/03]

With respect to schools, the 300 feet distance shall be measured from the nearest point of the building of the place of business, location, or establishment to the nearest point of the school grounds in use as a part of the school facilities.

With respect to churches, the 300 feet distance shall be measured from the nearest point of the building of place of business, location, or establishment to the nearest point of the church building or buildings.

The 300 feet distance shall be measured in a straight line.
