

SOUTH FLORIDA WATER MANAGEMENT DISTRICT

December 12, 2019

Mr. Victor Majtenyi
City of Delray Beach
434 South Swinton Avenue
Delray Beach, FL 33444

Dear Mr. Majtenyi:

Subject: Grant Funding Application
Project: Reclaimed Water Main Construction along SW 4th Street

The South Florida Water Management District (District) would like to thank you for your commitment to developing alternative water supply sources and for your application for grant funding. The District received 64 applications in response to its request for potential projects.

The District's Governing Board authorized grant funding at their December 12, 2019 meeting. We are pleased to inform you that the subject project was awarded \$450,000 in funding. Within the next few days, water management district staff may be contacting you to finalize the scope of work and associated deliverables. It is our intent to send you a contractual agreement in the mail for this project within the next few weeks. The contract will need to be signed by an individual with signature authority on behalf of the City of Delray Beach. Do not delay your project based on receipt of the contractual agreement. Funding covers construction related costs incurred and expended upon DEP agreement execution through May 31, 2021.

We look forward to working with you on this important project. Should there be any questions, or if you require any additional information, contact Stacey Adams at (561) 682-2577 or via email at sadams@sfwmd.gov.

Sincerely,

A handwritten signature in purple ink that reads "Mark E. Elsner".

Mark E. Elsner, P.E.
Bureau Chief - Water Supply
