David Weatherspoon, Interim Director, Neighborhood and Community Services Ferline F. Mesidort, Neighborhood Services Administrator

(Formerly Community Improvement Department)
August 2020

Amended on August 2020 to add CDBG CARES Act funds to the FY2019 Annual Action Plan.

Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

Community Development Block Grant (CDBG) Program recipients are required per the U.S. Department of Housing and Urban Development (HUD) to develop an Annual Action Plan component of the five-year Consolidated Plan each year. The Plan serves as the application of funding for the CDBG program and describes the activities that will be undertaken during the next fiscal year. Activities are selected for funding in accordance with the priorities established in the 2015-2019 Consolidated Plan and in accordance with the primary objectives of the CDBG program which are to 1) create suitable living environments 2) provide decent housing and 3) create economic opportunities.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

The Consolidated Plan is one key component of the CDBG Program. It is a planning document in which the City identifies and prioritizes the community's needs over a five-year period. The Consolidated Plan is designed to help local jurisdictions to assess their affordable housing and community development needs and market conditions, and to make data-driven, place-based investment decisions. The consolidated planning process serves as the framework for a community-wide dialogue to identify housing and community development priorities. The Consolidated Plan contains certain specific elements required by HUD – summarize the City's priority needs, describe the basis for assigning the priorities, set specific goals and objectives and describe how it plans to allocate funds to meet these identified needs.

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

The City of Delray Beach, as a CDBG entitlement City, receives funding under a formula allocation from HUD. The City's annual allocation has increased slightly from \$511,162 to \$518,054 in 2019.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

The City of Delray Beach's City Commission delegates responsibility for the preparation of the Consolidated Plan to the Neighborhood and Community Services Department/Neighborhood Services Division. The Neighborhood Services Division is responsible for administering the City's housing and neighborhood services programs and develops and manages most contracts with outside agencies and provides housing and social services to residents throughout the City. The City has adopted and follows a Citizen Participation Plan.

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

As required by HUD, a Needs Assessment Meeting was held on May 20, 2019 at City Hall, 100 NW 1st Avenue, to obtain citizen input. In addition to advertising the public hearings, neighborhood associations, public agencies and other interested parties were notified by flyer, website and email of the date, time, and location of the public hearing. The City also advertised that the plan was available for a 30-day public comment period from June 16, 2019 - July 17, 2019. Although the meetings allow individuals and groups the opportunity to identify community housing and non-housing needs and to express their views, no comments were received at either public hearing.

Public Notice waivers were requested to HUD on June 19, 2020. Substantial Amendment Plan were made available to the public for a 5-day comment period from July 20-24, 2020. Plan appeared before Commission August 11, 2020.

FY 2019-2020 CDBG CONSOLIDATED ANNUAL ACTION PLAN

Is available for review at:

Neighborhood Services Division, City Hall, 100 NW, 1st Avenue, Delray Beach
City's Website www.delraybeachfi.gov

The U.S. Department of Housing and Urban Development (HUD) requires that an Annual Action Plan for the City of Delray Beach be proposed, then adopted by the City Commission and approved by HUD, before the City can receive Community Development Block Grant (CDBS) runds. The Program Year Includes S518,056 in CDBG funds available October 1, 2019, for the fifth year of the City's 2015-2020 Five-Year Consolidated Plan. The primary objective of the CDBG program is the development of viable urban communities characterized by the provision of decent housing, a suitable living environment, and expanding economic opportunities for individual-Mouseholds of low-to moderate-incomes. Each CDBG activity must specifically address one of the following national objectives: 1. be benefit low-to moderate-incomes. Each CDBG activity must specifically address one of the following national objectives: 1. be benefit low-to moderate-income households; 2. to aid in the prevention or elimination of slum or blight; 3. to meet community development needs having a particular urgency. The City CDBG entitlement for FY 2019-20 has been categorized by the following proposed objectives:

HOUSING Owner Occupied Housing Rehabilitation \$ 336,736 Fronti. Service Funds in support of various eligible public service activities consistent with needs identified in the City's Five-Year Consolidated Plan and are subject to a 15% cap of annual allocation.

CDBG.PROGRAM ADMINISTRATION
General management, oversight, and coordination of the CDBG
program & NS Division

TOTAL COBG EXPENDITURES \$ 518,054

The first meeting was held on May 20, 2019. The second public hearing is scheduled for July 9, 2019 at 4:00 p.m. during the City Commission Meeting and will be held at Delray Beach City Hall, 100 NW 1st Avenue, Delray Beach, FL 33444.

The proposed Annual Action Plan is available at the locations above. All written comments received in the Neighborhood Services Division at the address below by July 17, 2019, will be responded to prior to submittal to HUD. To submitt written comments or if you require further information, please call Ferline F. Mesidort, Neighborhood Services Administrator, at 1651 243-7250 or visit the City's Neighborhood Services Division at Delray Beach City Hall, 100 NW 1st Avenue, Delray Beach, FL 38444. Citizens Who require special assistance are encouraged to call the above telephone number so that special arrangements can be made. arrangemen 6/16/2019

Notice for Public Hearing July 9, 2019

PUBLIC NOTICE

In accordance with 24 CFR 91.05(c)(2) and subpart B of the federal regulations relative to citizen participation for Community Planning and Development Programs and applicable waivers made available to those requirements through the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), the City of Delray Beach is making an amendment to the 2019-2020 Consolidated Annual Action Plan for the Department of Neighborhood and Community Services available to the public through this notice.

Public Comment Period and Process:

This Consolidated Plan amendment is available for a 5-day public review and comment period from July 20, 2020 to July 24, 2020. Citizens wishing to submit written comments during the public review and comment period may mail them postmarked no later than August 11, 2020, to the following:

City of Delray Beach Attention: Ferline F. Mesidort, Neighborhood Services Administrator Neighborhood Services Division 100 NW 1st Avenue Delray Beach, FL 33444

You may also email comments no later than August 11, 2020 to Ferline Mesidort at mesidort@mydelraybeach.com.

Amendment:

This is an amendment to the 2019-2020 Consolidated Plan for the City of Delray Beach to enable the City to receive and administer \$312,450 in Community Development Block Grant (CDBG), funding from the U.S. Department of Housing and Urban Development (HUD) made available through the Coronavirus Aid, Relief, and Economic Security Act (CARES Act).

Additional CDBG funding made available to the City by HUD through the CARES Act is unknown as this time but will be used for the same purpose of the initial allocations indicated above which is to prevent the spread of coronavirus 19 (COVID-19) and facilitate assistance to eligible communities, households, and persons economically impacted by COVID-19. In addition, the City plans to reprogram up to 50% of FY 2019-2020 CDBG funding as needed to respond to COVID-19. The City may also request to use FY 2020-2021 CDBG funds currently under preparation to respond to the COVID-19 pandemic.

Eligible CDBG activities include, but are not limited to, assisting low- and moderate-income households with rental assistance for no more than three months, grab and go/delivery meal programs, business assistance to retain employees that are low- and moderate-income, and support of other COVID-19 response services.

Further, eligible CDBG costs incurred as of March 27, 2020, which is the date in which President Trump signed the CARES Act, and paid for with nonfederal funds may be repaid with CDBG funding, including those made under the CARES Act. These pre-award costs will meet all HUD requirements applicable to CDBG including those under the CARES Act. Unless waived by HUD, CDBG pre-award costs for FY 2020-2021 will not exceed 25% of the grant and will be used for the CDBG eligible activities as indicated above.

Public notices regarding future amendments to the Consolidated Plan will be printed in local newspapers and posted online on the City's COVID-19 main page and Neighborhood Services program page website at https://www.delraybeachfl.gov/government/city-departments/neighborhood-community-services/neighborhood-services-division/neighborhood-services-grantee-reports.

Lastly, as part of this amendment, the City has revised the Consolidated Plan's Citizen Participation Plan to include the 5-day comment period as indicated above as well as to make other changes. The revised Citizen Participation Plan is available for review on the Division's website at https://www.delraybeachfl.gov/government/city-departments/neighborhood-community-services/neighborhood-services-division.

Background on the Consolidated Plan:

The Consolidated Plan describes the housing and community development needs, as well as activities to address those as defined and funded by the U.S. Department of Housing and Urban Development (HUD). As required by HUD, the Consolidated Plan brings together, in one (1) consolidated submission, the planning and application aspects of the Community Development Block Grant (CDBG) Program. The Community Development Block Grant's geographic area encompasses Lake Ida Road (North) to Linton Boulevard (South), and from Interstate 95 (West) to Federal Highway (East). This area includes residential neighborhoods and the downtown business district. More information on the Consolidated Plan is available on the City's website.

Agency Role	Name	Department/Agency
CDBG Administrator	DELRAY BEACH	Neighborhood & Community Services

Table 1 – Responsible Agencies

Narrative (optional)

As the Division that administers the Community Development Block Grant funds for the City of Delray Beach, Neighborhood Services prepares the Consolidated Plan. Staff interacted with affiliates of local and county government, non-profit housing providers; providers of social services and non-housing community needs; public housing authority and other representatives of various institutions that may have been able to provide information. Two public neighborhood meetings were conducted to introduce and inform residents of the process and collect information necessary to determine the priority needs for the Consolidated Annual Action Plan. The meetings were advertised in the newspaper and residents notifed of the neighborhood meetings through neighborhood association contacts.

Consolidated Plan Public Contact Information

Ferline F. Mesidort, Administrator of Neighborhood Services Division can be reached in City Hall located at 100 NW 1st Avenue Delray Beach, FL 33444 or by phone 561-243-7280.

AP-10 Consultation - 91.100, 91.200(b), 91.215(l)

1. Introduction

Neighborhood Services Division staff developed the Consolidated Plan through analysis of demographic data, consultation with community groups and concerned citizens, meetings with individual contacts, consultation with public and private agencies, and discussions with other governmental agencies.

Representatives of the agencies either attended meetings, or were contacted individually for input.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I))

The Palm Beach County Continuum of Care is the countywide strategy (inclusive of Delray Beach) for meeting the needs of individuals and families who are homeless or at risk of becoming homeless. The Continuum of Care known as the Homeless and Housing Alliance of Palm Beach County (HHA) is responsible for developing the homeless delivery system strategy based on information provided by the Continuum of Care members. The HHA Executive Committee serves as the decision-making body responsible for planning evaluation and coordination of HEARTH CoC resources and other relevant homeless funding. The Executive Committee is responsible for managing community planning, coordination and evaluation to ensure that the system of homeless services and housing rapidly ends people's homelessness permanently. The Committee consists of community-based representatives from government, business, formerly homeless individuals, law enforcement, banking, housing, service providers, faith groups, education, veterans and health care. The HHA collaborates with community task forces to make sure crucial data is included in the Continuum planning process. The Homeless Coalition of Palm Beach County is responsible for developing the Continuum of Care strategy based on information provided by the Continuum of Care Planning Committee. The Homeless Coalition of Palm Beach County's Board of Directors is a community-based Board with representatives from government, business, formerly homeless individuals, law enforcement, banking, housing, service providers, faith groups, education, veterans and health care. The Homeless Coalition oversees and coordinates the Continuum of Care Planning Committee and all its sub-committees. The Coalition collaborates with community task forces to make sure crucial data is included in the Continuum planning process.

The Delray Beach Housing Authority, Delray Beach Community Land Trust, Delray Beach Community Redevelopment Agency, CROS Ministries, Palm Beach Continuum of Care, Habitat for Humanity and Boys and Girls Club of Palm Beach County were contacted and participated in a survey completed by non-profits/residents in helping to identify proposed needs within the City. The results of the survey reflected the most necessary needs as demolition and clearance of blighted structures, owner-occupied rehabilitation assitance and an increase in youth and teen services.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

<div><div>The Continuum of Care planning occurs through an inclusive process consisting of the following Committees: HHA Executive Committee, HMIS Oversight Committee, Housing Inventory/Unmet Needs Committee, Financial Committee, Youth Focused Committee, Standard Policies and Procedures Committee, Membership Committee, Training Committee, Non-Conflict Grant Review Committee - as needed, PIT Committee- as needed, Task Specific Work Groups; Veterans Coalition. Several Not-For-Profits from Delray Beach are long standing members of the Homeless and Housing Alliance and participate in the CoC and its Sub-Committees as well as all training events. These Not-For-Profits also participate in the CoC's Homeless Management Information System and Coordinated Entry through the County's only Homeless Resource Center. These agencies are also participating in the County's Collective Impact Forums which are being held to develop the County's next strategic plan to end homelessness.</div><div></div>The Continuum of Care planning occurs through an inclusive process consisting of the following Committees: HHA Executive Committee, HMIS Oversight Committee (Performance Measures Sub-Committee of HMIS), Housing Inventory/Unmet Needs Committee, Financial Committee, Youth Focused Committee, Standard Policies and Procedures Committee, Membership Committee, Training Committee, Non-Conflict Grant Review Committee - as needed, PIT Committee- as needed, Task Specific Work Groups (Homeless Resource Center Workgroup), and the Veterans Coalition. The Continuum of Care planning occurs through an inclusive process consisting of the Continuum of Care Planning Committee and the following subcommittees: the Bed and Gaps Committee, the HMIS (technology) Steering Committee, the Standards of Care Committee, the Mainstream Resources Committee, the Glades Homeless Committee, the Service Provider Network, the Emergency Shelter Grant Program Board (ESG), Consolidated Plan Committee, Discharge Planning Committee and Family Empowerment Committee (FEC).</div></div>

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The Continuum of Care system begins with the Homeless Management Information System or HMIS. Homeless Individuals are navigated through the system either by telephone or through direct contact during Outreach efforts. The CoC and community partners have been participating on the Delray Beach Homeless Task Force which is evaluating strategies specific to addressing homelessness in Delray Beach. Targeted outreach efforts have been conducted in Delray Beach through a Homeless Project Connect coordinated by the Homeless Coalition of Palm Beach County. Over the past three years, members of the Delray Beach Homeless Task Force along with City of Delray Beach Staff have participated in the Point-In-Time Counts (PIT). The Point-In-Time count is generally conducted to identify the number of homeless individuals and families in the county. It also serves to measure the needs of the homeless as

well as provide direction for future development of housing and services. During the 2019 PIT Count, 72 persons were counted as unsheltered individuals within Delray Beach (10% of the total Palm Beach County unsheltered). This was increase from 2018 totals of 68. Within the two years, there is still a 6% decrease in the number of unsheltered individuals identified during the PIT Count.

2. Describe Agencies, groups, organizations and others who participated in the process and describe the jurisdiction's consultations with housing, social service agencies and other entities

Expected Resources

AP-15 Expected Resources – 91.220(c)(1,2)

Introduction

The City of Delray Beach anticipates the receipt of CDBG funds in the amount of \$518,054 during the next fiscal year which begins October 1, 2019 to September 30, 2020. In addition to the annual allocation, the City will also have available unexpended funds from prior year of approximately \$350,000. This brings the total available CDBG funds for the program year to about \$861,162. The entitlement program rule is that a grantee cannot have more than 1.5 times its annual allocation in its line of credit sixty days prior to the end of the program. The City makes every effort in administering CDBG activities for the timely ependiture of funds. We do not anticipate any program income since no projects have been funded to likely generate any program income. Due to COVID-19, the City is slated to receive an additional \$312,450 to assist

households impacted by the COVID-19 pandemic.

Other	public - local	Admin and Planning Other						The CRA provides funds to eliminate slum and blight within the Community Redevelopment Area is a priority for the CRA. The Curb Appeal Residential Improvement Program is designed to assist in this goal by providing grants to the owners of single family residential properties/duplexes for minor exterior property improvements including roof repair that can improve the aesthetics of a
			109,559	0	0	109,559	0	residential dwelling and increase property values.

Table 5 - Expected Resources - Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

It is always the intent of the City to leverage funds whenever possible. Federal, State and Local resources will be utilized to provide direct assistance to eligible households, as well as to leverage private investment in the area. The City expects to receive and apply for additional funds for housing objectives from several sources.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

Discussion

The City's primary focus over the next year will continue to be the development and maintenance of affordable housing within its jurisdiction. The City plans to accomplish approximately seven (7) housing rehabilitation projects, at least one (1) of which will be committed to homeowners at or below 50% of the area median income. A combination of grant dollars will be used to fund the City's housing objectives. The City is pending completion of its housing needs study to include an assessment of existing housing conditions, demographic and market demands, and identify critical housing gaps and issues, it should identify any current and anticipated unmet housing needs and provide an outlook towards anticipated housing demands over the next 20 years. This will be a data driven study which will be used to identify citywide and neighborhood focused housing priorities and provide a policy alternatives and interventions strategies to guide the City in decision making for future housing needs.

Table 6 – Goals Summary

Goal Descriptions

1	Goal Name	Owner-Occupied Rehabilitation
	Goal Description	Forgiveable loans are provided to low-moderate income owner-occupied households to maintain their properties in a decent, safe, and sanitary condition. Funds are provided as a deferred, no-interest loan. Amounts are limited to \$45,000 per unit (subject to change per program guidelines). Funds are provided for rehabilitation administration (Housing Rehabiliation Specialist and Housing Rehabilitation Inspector).
2	Goal Name	Public Service
	Goal Description	The objective of the public service activities is to improve and expand public service that address senior services, crime prevention, child care, youth services, fair housing counseling, recreational services, tenant/landlord counseling and employment training.
4	Goal Name	Program Administration
	Goal Description	These funds will be used for program management, coordination, monitoring, and evaluation of the CDBG program in fiscal year 2019-20 and the overall administration of the Neighborhood Services Division.

5	Goal Name	Economic Development
	Goal	Funding provided to small businesses for economic development activities that would require job creation for low-to-
	Description	moderate income persons. Utilize CDBG funds to provide direct financial and/or technical assistance to eligible for-profit
		businesses located in, or will be located within, the established CDBG target area for an activity where the assistance is
		appropriate to carry out an economic development project.

AP-50 Geographic Distribution – 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

Activities and programs funded focus on the area identified as the City of Delray Beach's CDBG target area which encompasses the residential core of the City. The boundaries of the CDBG target area extend from Lake Ida Road (North) to Linton Boulevard (South), and from Interstate 95 (West) to Federal Highway (East). This area includes twenty-eight residential neighborhoods and the downtown business district. The majority of the City's minority and low-income population is concentrated within the 728 acres that make up the residential core.

Geographic Distribution

Target Area	Percentage of Funds
CDBG TARGET AREA	100

Table 8 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

The City of Delray Beach is considered an "Entitlement" City and our entitlement is directly linked to the City's demographic profile. The CDBG target area was designated based on the desire to direct resources and services to areas with the highest concentration of poverty, blighted conditions, and economic problems.

Discussion

The area contains approximately 4,384 dwelling units, including single family, duplex, and multi-family units. Two (2) affordable housing projects, Allamanda Gardens, consisting of thirty-six single family unit and Swinton Gardens, an 11 unit single-family development, and eight (8) workforce housing developments, Swinton Square consisting of 20 mixed-residential family units, Auburn Trace consisting of 264 mixed residential units, Village at Delray consisting of 192 mixed residential units, Village Square Phase 1 consisting of 144 mixed residential units located in the target area. There are currently five (5) single family homes being built as part of the workforce housing restrictive covenant. All making up 1,091 renter housing units using Federal, State or Local subsidies. The area contains approximately 4,384 dwelling units, including single family, duplex, and multi-family units. Affordable Housing

AP-55 Affordable Housing – 91.220(g)

Introduction

Neighborhood Services staff develops the Annual Action Plan through analysis of demographic data, consultation with residents, meeting with individual contacts, consultations with non-profit agencies, and discussions with other governmental agencies. Representatives of the following agencies either attended meetings or were contacted individually for input: The Delray Beach Housing Authority, The Delray Beach Community Redevelopment Agency, Achievement Centers for Children and Families, Milagro Center, CROS Ministries, Delray Beach Community Land Trust, Legal Aid Society of Palm Beach County, Urban League of Palm Beach County and Boys and Girls of Palm Beach County. All neighborhood residents within the CDBG target area were encouraged to attend meetings and participate in the Action Plan process.

Discussion

The City will continue to have formal partnerships in place with many of the community partners listed above. Joint planning activities occur on an on-going basis to develop collaborative projects and initiatives consistent with the community's objectives. The City may provide direct funding for many of the programs and services provided by partner agencies and are directly involved in the monitoring and oversight of those programs and activities. Goals identified above may also be met leveraged with other funding sources.

AP-60 Public Housing – 91.220(h)

Introduction

The City works very closely with the Delray Beach Housing Authority (DBHA) which currently manages the City's Section 8 program. The DBHA is a public housing authority separately chartered under State law responsible to a Board of Directors. The Authority is governed by seven Commissioners, each appointed by the City Commission for a term of four years. The DBHA Board hires its own executive director, who is responsible for hiring, contracting and procurement, provision of services, review of proposed development sites, and comprehensive planning of the public housing authority. The Delray Beach Housing Authority is an organization dedicated to improving the quality of life for low and moderate income families, and providing the opportunity for self-sufficiency by guaranteeing safe, quality housing. The DBHA submits a Public Housing Agency Five -Year and Annual Plan which details the housing authority's plans for the next five years and their priorities (incorporated in this plan by reference). Areas covered by the Delray Beach Housing Authority extend 10 miles beyond the municipal boundaries of the City of Delray Beach.

Actions planned during the next year to address the needs to public housing

One of the strengths of the DHBA is the longevity of its administrative personnel of more than 40 years and operations since 1973. The agency provides rental assistance programs; the Section 8 Choice Voucher Program and the Public Housing Program and a Family Self-Sufficiency Program as well. This reflects program continuity and stability. The rental assistance program makes market rate housing affordable. Participants normally pay no more than 30% of monthly adjusted income towards rent and utilities. The Housing Assistance Payment subsidizes the balance of the rent to the property owner. The Section 8 Program serves a total number of 1,041 families, and includes a Project Based portion which serves 145 families of aged 55 and over.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

The Family Self-Sufficiency Program promotes employment and increased savings for families served through the Section 8 subsidized housing program. It also helps them to become economically independent, get jobs, further their education and eventually purchase a home.

If the PHA is designated as troubled, describe the manner in which financial assistance will be

provided or other assistance

The DBHA does not fall under the category of a troubled agency.

Discussion

The Delray Beach Housing Authority is an organization dedicated to improving the quality of life for low and moderate income families, and providing the opportunity for self-sufficiency by guaranteeing safe, quality housing. Their aim is to accomplish the mission though the application the these guiding principles: Quality, Residents being their main focus, Resident Involvement, and Teamwork. The DBHA's strategy for extending the supply of assisted housing include (a) applying for additional rental vouchers; (b) reducing public housing vacancies: (c) leveraging private/other public finds to create additional housing opportunities, and to acquire or build additional units and developments.

The West Settlers Service Center building was opened in April of 2017. It serves as the administrative hub for staff. Delray Housing Group (DHG), an extension of DBHA, continues to manage the Village Square Family site that consists of 144 units designated a Multifamily Tax Credit Property. Phase II, The Courts at Village Square Elderly Community that consists of 84 Elderly Project-Based Section 8 units is completed. They also continue to manage the 404 unit Lake Delray Apartments which holds 202 Project Based units and Tenant Based Housing Choice vouchers. Later this year, DBHA will begin predevelopment of Village Square III. The plan is to build a 54-unit townhouse community affordable to persons with incomes ranging from 80% of area median income to 140% of AMI.

AP-65 Homeless and Other Special Needs Activities – 91.220(i) Introduction

Presently, CROS Ministries operates a pantry at various site locations and has done so for over forty years. The program serves the homeless, individuals and families with low-incomes, people with disabilities, and senior citizens. Volunteers and staff provide breakfast and hot lunches five days a week, evening hot meals four nights a week, meals to the home-bound three days a week, and bagged lunches on the weekend. The agency also provides emergency services, advocacy, and long-term self-sufficiency. Palm Beach County houses the Senator Philip D. Lewis Center which opened in July 2012 as Palm Beach County's first homeless resource center. The center assists individuals who are homeless in Palm Beach County through outreach, assessment, and housing. Homeless Services staff assess individuals at the Lewis Center for Housing Focused Services and provide Case Management to homeless individuals in Transition. Services are prioritized to the most vulnerable homeless persons. Palm Beach County is transitioning services towards a Housing First philosophy in its practices. Services are prioritized utilizing the Service Prioritization Decision Assistance Tool (SPDAT).

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The City relies on agencies like CROS Ministries and the Palm Beach County Department of Human and Veterans Services to assist in furthering its mission to serve the homeless and hungry in Palm Beach County through community collaborations. The City continues to provide office and pantry space to CROS Ministries to provide the services referenced above. Through this partnership, an increase in service is anticipated. The agency this year has served an average of 414 households, 832 individuals and 229 children.

Addressing the emergency shelter and transitional housing needs of homeless persons

Currently, the City refers persons requiring emergency shelter and transitional housing to the Senator Philip D. Lewis Center and/or the Homeless Coalition of Palm Beach County to assist individuals who are homeless in Palm Beach County through outreach, assessment, and housing. Services are prioritized to the most vulnerable homeless persons. Palm Beach County is transitioning services towards a Housing First philosophy in its practices. In 2016, the City executed an interlocal agreement between the City of Delray Beach and Palm Beach County which allows the City to utilize the Homeless Resource Center ("HRC") to assist our homeless population. The HRC is not a temporary lodging facility but a facility that will endeavor to end homelessness for qualified individuals that voluntarily commit to participate in the

services and programs offered by the HRC.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

There are currently several organizations within Palm Beach County that can assist in varying degrees to help homeless persons transition to permanent housing. The City will continue to refer persons requiring assistance to these agencies i.e, Senator Phillip D. Lewis Center, The Lord's Place, Family Promise, Adopt-a-Family, Homeless Coalition of Palm Beach County, etc. The City has recently approved a six month Live Fresh Shower Truck pilot program, an idea stemming from the Homeless Task Force (Delray Beach Interfaith Committee) in an effort to assist homeless persons. The interfaith committee manages and funds the program which helps individuals get fresh and helps to secure employment. The truck provides clothing and hygiene kits, mail service and social services. It currently operates once a week.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

The prevention of becoming homeless is greatly decreased with the various partnerships the City has. The City will continue to refer persons requiring assistance to the proper agencies specialized to assist with emergency shelter and transitional housing.

Discussion

The City has created a homeless task force including staff, residents, non-profit housing partners and interfaith community which meets to discuss the best methods to address the homeless concern within the City parameters. Staff is actively engaged in County meetings to effectively coordinate services within the County.

AP-75 Barriers to affordable housing – 91.220(j)

Introduction:

Housing affordability is a key component to the quality of life for the City's residents. Some obstacles that impede housing availability include household income, lack of education, training, or jobs, cost of land and construction costs, lack of affordable housing stock, lack of affordable rental units and lack of funding for housing programs. In recent years the City of Delray Beach has explored mechanisms to maintain and encourage production of affordable housing in recognition of quickly escalating real estate values.

The ultimate goal is to provide housing in Delray Beach through complete, stable, and attractive neighborhoods that contain quality, affordable, and accessible housing choices that serve all income levels and age groups and that preserve and reinforce the livability, character and the special sense of place of Delray Beach.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

As early as 2004, the City Commission undertook a review of the lagging housing supply to meet the city's housing needs and established an affordable housing incentive program with density bonuses. Higher densities were allocated within Overlay districts, Infill districts east of Interstate-95, and within the Downtown where density bonuses were allowed for residential or mixed-use developments which provided or contributed to the provision workforce housing units. Over time expansion of the overlay districts included properties west of Interstate-95 with the inclusion of the Four Corners, 1-95/CSR Railroad Corridor and the Congress Avenue Mixed Used area.

The utilization of higher densities will continue to result in the provision of a higher proportion of multifamily and mixed-use developments versus the development of detached single family dwellings. Higher density developments will be most beneficial to its residents and the city when located near job centers, commuter rail service, and existing and planned transit corridors.

Traditionally, infill housing has occurred in areas which are close to residential build-out, where vacant parcels were bypassed due to odd parcel shapes and sizes, poor access, ownership problems, changes in zoning and subdivision regulations requirements. Delray Beach has numerous properties that can accommodate infill development.

Eliminating barriers to affordability has been the primary objective of the Delray Beach Community Land Trust (DBCLT) program since its inception in 2006. In July 2006 of that year the City transitioned its First Time Homebuyer Program, which provided traditional down payment assistance and included a

Community Land Trust strategy for the purpose of creating affordable homeownership opportunities. The City continues to support both of these strategies within its Local Housing Assistance Plan (LHAP). Over the years, through the Neighborhood Stabilization Program (NSP), partnerships with the Delray Beach Housing Authority (DBHA), Delray Beach Community Land Trust (DBCLT) and Delray Beach Community Development Corporation (CDC) has been key in the transfer of foreclosed properties. There has been a decrease in State funds in the past two years, however the City will continue to provide down payment assistance and closing cost funds as funding permits to assist an income eligible buyer obtain affordable properties. Staff anticipates leveraging this with the use of Workforce Housing dollars.

Discussion:

The City continues to identify and reduce any barriers to affordable housing through increased communications with housing and non-profit housing providers within the industry. The use of both zoning and incentives are important tools to guide land use, but it is best used in combination with other tools and a realistic understanding of market forces.

New approaches that utilize both zoning and incentives are needed to implement this plan. By offering incentives in the form of grants, loans, infrastructure investments, or innovative regulatory approaches, Delray Beach can encourage superior projects that deliver numerous community benefits. These benefits can include affordable housing, great design that beautifies our city and creates lively public places, more transportation options, increased open space areas, low-impact development, new jobs, and an expanded tax base. Incentives matter to people who want to improve our community, and they can generate goodwill while helping us reach our goals.

AP-85 Other Actions – 91.220(k)

Introduction:

The Action Plan is to be carried out through a network of public, private, and non-profit organizations, many of which participated in the public participation process. The City's Neighborhood Services Division has been working with these agencies to construct affordable housing, improve neighborhoods, and establish services for all segments of the City's population.

Actions planned to address obstacles to meeting underserved needs

The City of Delray Beach will continue providing funding for a variety of housing and community development projects and programs designed to meet the diverse needs of its citizens. On an on-going basis the City is involved with numerous initiatives and has forged successful partnerships with key agencies to provide a wide array of services and help to address housing issues such as affordability, quality, and safety. Continued cooperation with these agencies is key. The City is prepared to use the CARES Act funds to respond to coronavirus by providing rental assistance to eligible low-moderate income families facing eviction/foreclosure assistance as well as small business assistance in the form of rent payments or job retention for staff impacted by the economic and housing market disruptions.

Actions planned to foster and maintain affordable housing

A variety of affordable housing units have come on line within the designated target area over the past 10 years including two owner-occupied single family subdivisions, 175 new infill single family units, six CODA units: three owned by Delray Beach Community Redevelopment Agency (CRA) and three by the Delray Beach Community Land Trust (DBCLT), 88 properties with 70 owner-occupied lessees, three (3) rental, and two (2) lease purchase DBCLT properties, five (5) new offsite WFH single family units pending (3 under constructing and two in permitting), one (1) additional unit to Atlantic Park Square Project, one (1) WFH unit two story single family unit, Three (3) sites pending infrastructure improvements, three (3) Eagle's nest homes and a fourth property pending agreement to commence construction. The CRA has provided construction loans for the Atlantic High School Career Academy (Eagle's Nest) program. The program offers high school students hands-on training in the construction industry as the students build single-family homes under the supervision of qualified professionals. The program is a partnership of the Palm Beach County School District, the City and the CRA, with donations of funding, materials, and inkind services from private firms. Completed homes are sold to eligible low/moderate-income homebuyers.

With the implementation of the Workforce Housing Ordinance, approxiamtely 20 workforce town homes and additional 542 affordable rental units have been built. Delray Beach Housing Authority's is now managing two phases of Village Square which is a complex of 144 affordable rental units and the Village Square Elderly which includes 84 rental units. Phase III is currently pending permitting approval for fifty-four townhomes to complete the three (3) phase project on what was once the Carver

Estates development demolished in 2008. The Delray Village Square Project encompasses a total site area of approximately 18 acres of vacant land in proximity to a stable residential neighborhood and some commercial development within the southwest corridor of Delray Beach.

The historic La France Hotel located at 140 NW 4th Avenue was converted it into an affordable housing complex for seniors by the CRA. The CRA also acquired and renovated two apartment buildings on NW 5th Avenue, which provides long-term affordable rental and condominium housing as well as twenty-five apartments on SW 9th Avenue north of SW 1st Street. Known as Palm Manor, the apartments are managed and maintained by the DBCLT and rented to income-eligible tenants.

Actions planned to reduce lead-based paint hazards

HUD lead based paint regulations are applicable to rehabilitation activities that are funded under the CDBG program. The City will continue to implement its housing related activities in a manner which assesses lead-based paint risk throughout the target area. When providing assistance under housing programs, the City consistently provides all clients and potential clients with the "Lead-Based Paint" pamphlet that describes hazards of lead-based paint. When lead is detected in items to be disturbed by housing rehabilitation or on mouthable surfaces, the work-write up incorporates measures for contaminated areas. This involves qualified contractors using safe lead practices. After housing rehabilitation is completed in such units, a clearance test is performed to ensure the home is lead-free.

Actions planned to reduce the number of poverty-level families

The City of Delray Beach's anti-poverity strategy will assist in reducing the number of poverty level families by increasing access to the following services and programs: 1) Programs supporting and encouraging community and neighborhood maintenance 2) Affordable housing in perpetuity to special needs, low/moderate income, and below poverty level families with the help of various nonprofit organizations. 3) Employment and training programs to improve the academic, basic, and technical skills of low/moderate income persons to aid in obtaining or improving their earning capacity through the financial empowerment program under Urban League of Palm Beach County 4) Educational outreach for low/moderate income families, particularly those with special needs by working with banks, insurance companies regarding credit worthiness, and property protection.

Actions planned to develop institutional structure

Measurable strengths of the delivery system of housing and community development programs include the number of lenders and financial institutions participating in the Community Land Trust/ Purchase Assistance Program, as well as the number of foundations, non-profit agencies and for-profit developers

in the community actively participating in a variety of activities benefiting the community.

Actions planned to enhance coordination between public and private housing and social service agencies

The Neighborhood Resource Center which opened in August 2006, continues to uphold its mission by enriching the quality of life of City residents and promoting a sense of community through the delivery and connection of services that educate, develop financial management skills, and promote productive lifestyles. During the program year, the NRC office space will continue to serve as home to agencies such as the Delray Beach Community Land Trust, CROS Ministries, Legal Aid Society of Palm Beach County, Urban League of Palm Beach County, and Palm Beach County Food Bank. The City is always seeking to provide available space at the NRC to provide additional services to its residents within the CDBG target area. The City will continue to utilize its unique network of neighborhood associations to foster communication between the City and the neighborhoods at the resident level. In doing so, the Neighborhood Services Division can gain important feedback and citizen input from the residents themselves and overcome obstacles as they present themselves.

Discussion:

During the program year, the City of Delray Beach will continue to conduct random on-site monitoring visits to selected housing rehabilitation projects. Additionally, the Division conducts on site visits to each public service subrecipient every other year or as necessary to ensure compliance with all federal regulations and City policies. In addition, all documentation pertaining to subrecipient activities and monitoring is retained in the Neighborhood Services Division. Files include site visit reporting, before and after condition assessments and evaluations of measurable results.

Program Specific Requirements

AP-90 Program Specific Requirements – 91.220(I)(1,2,4)

Introduction:

The City under section AP-20 "Annual Goals and Objectives" have identified its targeted activities planned with respect to all CDBG funds expected to be available during the program year (including program income that will have been received before the start of the next program year). Unfortunately, the City does receive HOME/American Dream Downpayment Initiative (ADDI) or Emergency Shelter Grant (ESG) funds.

Community Development Block Grant Program (CDBG) Reference 24 CFR 91.220(I)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the nex	‹t
program year and that has not yet been reprogrammed	0
2. The amount of proceeds from section 108 loan guarantees that will be used during the year	to
address the priority needs and specific objectives identified in the grantee's strategic plan.	0
3. The amount of surplus funds from urban renewal settlements	0
4. The amount of any grant funds returned to the line of credit for which the planned use has n	ot
been included in a prior statement or plan	0
5. The amount of income from float-funded activities	0
Total Program Income:	0
Other CDBG Requirements	
1. The amount of urgent need activities	0
2. The estimated percentage of CDBG funds that will be used for activities that	
benefit persons of low and moderate income. Overall Benefit - A consecutive period	
of one, two or three years may be used to determine that a minimum overall	
benefit of 70% of CDBG funds is used to benefit persons of low and moderate	
income. Specify the years covered that include this Annual Action Plan.	.00.00%

One hundred percent of activities funded in the 2019-2020 Annual Action Plan focus on the City of	
Delray Beach's CDBG target area which encompasses the residential core of the City. The City does not anticipate the receipt of any program income.

NON-STATE GOVERNMENT CERTIFICATIONS

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the jurisdiction certifies that:

Affirmatively Further Fair Housing - The jurisciption will affirmatively further fair housing, which means it will conduct an analysis of impediments to fair housing choice within the rurediction, take appropriate actions to eventure the effects of any impediments identified through that analysis, and maintain records reflecting that analysis and actions in this regard

Anti-displacement and Relocation Plan -- It will comply with the acquisition and relocation requirements of the Uniform Resolution Assistance and Real Property Adjustion Policies Act of 1970, as amended, and impermenting regulations at 49 C.R. 24; and it has in effect and is following a residential antidisplacement and relocation assistance plan required under section 104(s) of the Housing and Community Development Act of 1974, as amended, in connection with any activity assisted with funding under the CDBG or HOME programs

- Profishing a statement notifying employees that the unlawful menufacture, distribution, dispensing, possession, or use of a controlled substance is promotized in the grantees workplace and specifying the actions that will be taken against employees for violation of such prohibition;
 Establishing an ongoing drug-free awareness program to inform employees about -
- - a. The dangers of drug abuse in the workplace.

 - The grantee's policy of maintaining a drug-free workplace; Any available drug counseling, renabilitation, and employee assistance programs; and
 - The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace,
- 3. Making it a regulirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph 1;
 4. Notifying the employee in the statement required by paragraph 1 that, as a condition of employment
- under the grant, the employee will -
- a. Adde by the terms of the statement; and
 b. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute
 occurring in the workplace no later than five calendar days after such conviction;

 Notifying the agency in writing, within ten calendar days after receiving notice under supparagraph
 4(b) from an employee or caterwise receiving actual notice of such conviction. Employees of
 convirted employees must provide notice, including position side, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant,
- Taking one of the following actions, within 30 calendar days of receiving nodes under subparagraph 4(b), with respect to any employee twind is so convicted—

 a. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or b. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other accounts the approximation.
- other appropriate agency,
 Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1, 2, 3, 4, 5 and 6.

Specific CDBG Certifications

The Entitlement Community certifies than:

This certification is applicable.

Citizen Participation +- It is in full compliance and following a detailed citizen participation plan that setsfies the requirements of 24 CFR 91.005.

Community Development Plan — Its consolioated housing and community development plan identifies community development and nousing needs and specifies both short-termient complem community development objectives that province decent housing, expand scommit, apportunities primarily for dersons of low and moderate income. (See CFR 24 570.2 and CFR 24 part 370)

Following a Plan ~ It is following a current consolidated plan (or Comprehensive Housing Affordability Strategy) that has been approved by HoD.

Use of Funds -- It has complied with the following enteria:

- 11. Maximum Feasible Priority With respect to activities expected to be assisted with CDBG funds, it certifies that it has developed its Action Plan so as to give maximum feasible promity to activities which benefit low and moderate income families or aid in the prevention or eith nation of surns or blight. The Action Plan may also include activities which the granted partities are designed to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or we fare of the community, and other financial resources are not available?:
- 12. Overall Benear The aggregate use of CDBO funds including section 108 guarantees loans buring program year(s) 2<u>012</u>, 2<u>016</u>, 2<u>019</u>, (a period specified by the grantee consisting of one, two, or there specific consecutive program years), shall or neightly benefit persons of low and moderate intome in a manner that ensures that at least 70 percent of the amount is expended for activities that behefit such persons during the designated period.
- 13. Special Assessments—it will not afternat to recover any capital costs of public improvements assisted with CDBG funds including Section 108 loan guaranteed funds by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if COBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with COBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than COBG funds.

The juried coon will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108, unless CDBG funds are used to pay the proportion of fee or assessment attributable to the capital costs of public improvements financed from other revenue sources. In this case, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBC funds. Also, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for bublic improvements finance; by a source other than CDBC funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force -- It has adopted and is enforcing

- A policy promititing the use of excessive force by law enforcement agencies within its jurispictron against any individuals engaged in con-vicient divinights demonstrations; and
- 15. A policy of enforcing applicable State and local laws against physically barning entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its gunsdiction;

ESG Certifications

I, Shelly Petrolia. Mayor, Chief Executive Officer of **Error! Not a valid link.**, certify that the local government will ensure the provision of the matching supplemental funds required by the regulation at 24 CFR 576.51. I have attached to this certification a description of the sources and amounts of such supplemental funds.

I further certify that the local government will comply with:

- The requirements of 24 CFR 576.53 concerning the continued use of buildings for which Emergency Shelter Grants are used for rehabilitation or conversion of buildings for use as emergency shelters for the homeless; or when funds are used solely for operating costs or essential services.
- 2. The building standards requirement of 24 CFR 576.55.
- The requirements of 24 CFR 576.56, concerning assurances on services and other assistance to the homeless.
- The requirements of 24 CFR 576,57, other appropriate provisions of 24 CFR Part 576, and other applicable federal laws concerning condiscrimination and equal opportunity.
- The requirements of 24 CFR 576.59(b) concerning the Uniform Relocation. Assistance and Real Property Acquisition Policies Act of 1970.
- The requirement of 24 CFR 576.59 concerning min.mizing the displacement of persons as a result of a project assisted with these londs.
- The requirements of 24 CFR Part 24 concerning the Drug Free Workplace Act of 1988.
- 8. The requirements of 24 CFR 576.56(a) and 576.65(b) that grantees develop and implement procedures to ensure the confidentiality of records pertaining to any individual provided family violence prevention or treatment services under any project assisted with ESG funds and that the address or location of any family violence shelter project will not be made public, except with written authorization of the person or persons responsible for the operation of such shelter.
- The requirement that recipients involve themselves, to the maximum extent
 practicable and where appropriate, homeless individuals and families in
 policymaking, renovating, maintaining, and operating facilities assisted under the
 ESG program, and in providing services for occupants of these facilities as provided
 by 24 CFR 76.56.
- 10. The requirements of 24 CFR 576.57(e) dealing with the provisions of, and regulations and procedures applicable with respect to the environmental review responsibilities under the National Environmental Policy Act of 1969 and related.

CPMP Non-State Grantee Certifications 8

authorities as specified in 24 CFR Part 58.

- 11. The requirements of 24 CFR 576.21(a)(4) providing that the funding of homeless prevention activities for families that have received eviction notices or notices of termination of utility services will meet the requirements that: (A) the inability of the family to make the required payments must be the result of a sudden reduction in income; (B) the assistance must be necessary to avoid eviction of the family or termination of the services to the family; (C) there must be a reasonable prospect that the family will be able to resume payments within a reasonable period of time; and (D) the assistance must not supplant funding for procxisting homeless prevention activities from any other source.
- 12. The new requirement of the McKinney-Vento Act (42 USC 11362) to develop and implement, to the maximum extent practicable and where appropriate, policies and protocols for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent such discharge from immediately resulting in homelessness for such persons. I further understand that state and local governments are primarily responsible for the care of these individuals, and that ESG funds are not to be used to assist such persons in place of state and local resources.
- 13. HUD's standards for participation in a local Homeless Management Information System (HMIS) and the collection and reporting of client level information.

I further certify that the submission of a completed and approved Consolidated Plan with its certifications, which act as the application for an Emergency Shelter Grant, is acthorized under state and/or local law, and that the local government possesses legal authority to carry out grant activities in accordance with the applicable laws and regulations of the W.S. Department of Housing and Urban Development.
