Good morning Tonya,

There are no restrictions on the spending of the CARES grants that were issued by the Office of Early Learning. OEL has stated that providers will not be required to submit any supporting documentation for these grants. Providers were asked on the Grant application to list a budget area that this funding might be spent toward but again OEL is not asking for providers to supply any sort of documentation.

I am attaching the technical assistance documents I have from OEL regarding the distribution of these grants. Please let me know if you have any other questions.

Thank you,

Gina Carello

Good morning Tonya and Prentice,
After our discussion yesterday evening, please hold off on spending the additional \$5,750. This will need to go through the ICM for approval to be placed on the agenda for Commission approval as we had to do for the \$19,950. Please get with Prentice and contact Gina with ELC. She will need to provide us an email stating if there are rules for use of the funds including locations to be used for, any restrictions on time, items to purchase, etc. I would like to know if you will be held to the specifics that you submitted originally and see this in writing. Please share the email with me once complete.
Thank you,

Hello Brandon,

I thought the \$2,500 and the \$3,250 was included in the \$7,980 and the 11,970 which is a total of \$19,950). I went back to look at the grant documents that I received from ELC. You're right those two figures are part of the reopening grants. Sorry for the inconvenience. I hope this is not a problem.

See attachments and look on page #2 for **Delay Beach Community Center** and page #2 for **Pompey Park Community Center**.

Thank you.

Subject: ELC Grant

Hi Tonya,

I wanted to find out if you knew any information about the additional two deposits we received in the bank (attached) in November from the ELC for \$2,500.00 and \$3,250.00. The description on the deposits is the same as the ones for the reopening grants, so I wanted to see if we received any additional grants that you knew of.

Thank you!
