Subject: Omega Uplifts Foundation

---

This memorandum is being composed to inform you that I am an active member of the Omega Psi Phi Fraternity, but I do not serve on the foundation. Omega Psi Phi Fraternity was founded in 1911 and chartered in the City of Delray Beach in 1980 and was presented a proclamation by the City of Delray for community service. The foundation has given out more than two hundred thousand dollars in scholarships since 1980 and Atlantic High School and Village Academy have been the benefactors of many of the scholarships.
